SSN honours Ashwin

CHENNAI: Off-spinner R. Ashwin, who was part of India's 2011 World Cup-winning squad, was honoured by S.S.N. Institutions at a function here on Tuesday.

S.S.N. founder and HCL chairman, Shiv Nadar, felicitated Ashwin via teleconference.

"It is extremely gratifying to see a student of our institution rise to this level of national eminence. We hope to produce more such talents," said Mr. Nadar.

Accepting the honour, Ashwin said, "Being honoured by one's own institution amidst an audience of college mates is indeed a proud moment for me."
