About the Conference
Major advancements have been made in the field of Electronics, Computer and Communications. It is made possible due to mankind’s quest for faster and simpler methods for computing and communications and the constant efforts to arrive at it. The conference will be focusing in promoting and developing engineers, professionals, faculty and students to pursue quality research in the fields of importance and social relevance for a better mankind. The conference will host tutorial sessions, invited talks and will bring researchers, academicians, and experts to discuss and debate, new methodologies to address new challenges.

Scope of the Conference
The conference will create an intra-regional forum for researchers and students to explore new directions in the field of communication technology so as to fulfill the objective of providing anywhere communication at any time and at an affordable cost. The conference will provide an opportunity for young students and researchers to interact with experts in their chosen field which will ignite the passion for research.

About the College
SSN College of Engineering (SSNCE) is the outcome of the vision and initiative of Padma Bhushan Dr. Shiv Nadar, Chairman of HCL Technologies Ltd. The institution was established in 1996 on a sprawling campus of 250 acres on Rajiv Gandhi Salai (OMR) of Chennai. The institution offers eight B.E., / B.Tech. Degree programmes and eleven M.E. / M.Tech. degree programmes in addition to MBA and MCA. The admission is done purely based on merit. The College is accredited by NBA and NAAC with ‘A’ Grade. The College has Wi-Fi connectivity, e-learning enabled classrooms and state of the art laboratories.

About the Department
The Department of Electronics and Communication Engineering offers M.E. in Communication Systems, Applied Electronics and VLSI Design in addition to B.E., in ECE. The Department is recognized as a Research Centre by Anna University, Chennai for Ph.D and M.S. (By Research). The department has organized STTPs sponsored by AICTE - ISTE, FDPs sponsored by Anna University, and many national level seminars and workshops. The department has also organized three International Conferences and two National Conferences. The Department has close interactions with leading institutes and industries for research and development. The Department is currently having funded research projects in the areas of underwater communications, speech processing, optical communication, wireless sensor networks and VLSI.

Call for Papers
Original and unpublished review / research papers are invited from research scholars, students, academics, practicing engineers and scientists for presentation in the multi-disciplinary areas of Electronics, Communication, Computer Engineering on the following topics but not restricted to:

Prospective authors are requested to submit a softcopy to ncict2k15@ssn.edu.in and two hard copies of full length research papers in IEEE two column format on A4 size paper (Max. 4 pages) not later than 7th March 2015.
