

SSN COLLEGE OF ENGINEERING

Sri Sivasubramaniya Nadar College of Engineering (SSNCE) is the outcome of the vision and initiative of **Padma Bhushan Dr. Shiv Nadar**, Chairman of HCL Technologies Ltd. and a pioneer in the field of Information Technology. The Institution reflects the ideals of its founder and seeks to achieve excellence as an academic institution and advanced research centre. The Management Committee members **Mr. R. Srinivasan**, Chairman, SSN Institutions, **Mrs. Kala Vijayakumar**, President, SSN Institutions and the Principal **Dr. S. Salivahanan** felicitate the good governance of the college.

The Institution was established in 1996 on a sprawling campus of 250 acres on the Rajiv Gandhi Road (OMR) known as "Cyber Corridor" of Chennai. The campus comprises aesthetically designed buildings that are networked by fiber optic cables. The institution offers eight B.E. / B.Tech. degree programmes in EEE, ECE, CSE, IT, Chemical Engg., Biomedical Engg., Mechanical Engg. and Civil Engg. It also offers eight M.E. degree programmes in Power Electronics & Drives, Communication Systems, Computer Science & Engineering, Applied Electronics, Computer & Communication, VLSI design, Software Engineering and Manufacturing Engineering in addition to MBA and MCA.

The admission is done purely on the basis of **merit**. The Institution is certified with ISO 9001:2000 and most of the undergraduate and post graduate programmes have been accredited by NBA. Recently our college was awarded the **highest grade A** by the National Assessment and Accreditation Council (**NAAC**). The college has consistently stood top among colleges affiliated to Anna University. The management awards over 400 scholarships worth Rs 4.3 crores every year to meritorious and deserving students.

ABOUT THE DEPARTMENT

The Department offers B.Tech degree program in Chemical Engineering and M.Tech degree program in Environmental Science and Technology. The department is recognized as a research centre by Anna University, Chennai to carry out the research works. The Department is well equipped with the state-of-the art laboratories and softwares like ChemCAD, ANSYS and MATLAB. The Department has one Professor, eleven Associate Professors and two Assistant Professors. Most of the faculty in the Department with Ph.D qualification in various Chemical Engineering fields. The Department organizes National Symposium "CHEMICZNA" every year in the month of August and also organizes workshop on Pollution Control, ChemCAD, Nanotechnology and Energy. The department is concentrating research on Pollution control, Nanotechnology, Bio-Fuels, and other novel fields.

One Day National Workshop on

WRITING SCIENTIFIC RESEARCH PAPER - PHASE III

17 February 2017

REGISTRATION FORM

Place:

Date:

Applicant's Signature

Xerox copies of the application can also be used

REGISTRATION DETAILS

- The workshop is open to the faculty of Academic Institutions, UG / PG / Research Scholars and Professionals from Industry.
- The Registration fee for all participants is Rs. 1000/-.
- Participants can take a photo copy of the format given if needed or it can be downloaded from our college website.
- The registration fee should be paid only in the form of Demand Draft in favour of **"The Principal, SSN College of Engineering"**, payable at **Chennai** along with the registration form.
- Last date for receipt of registration form along with the DD by post is **10 February 2017**.
- Notification of selected participants through Email on **11 February 2017**.
- Delegates can avail the transport facilities of the college. For details, visit our college website www.ssn.edu.in.

OBJECTIVES

A great deal of value is involved to publish a high quality research papers. Writing a scientific research paper is an option for undertaking short period research investigation. Ph.D. research scholars are required to publish minimum of 2 research papers in refereed journals before the submission of the thesis. Some of the UG/PG students are also interested in publishing the papers to get the financial assistance for doing masters/Ph.D. in foreign countries. A substantive research effort is involved in writing a scientific research paper by a large number of researchers and by industry experts. However, the several researchers do not know how to write a scientific research paper with the result that a large number of papers are being rejected by the peer reviewed quality journals.

Writing a scientific research paper is an art as well as a sophisticated knowledge based skill. Very few among the academia understand the finer nuances involved in writing a research paper which is publishable in a high quality refereed journals. This workshop is expected to fill up this gap to some extent.

WORKSHOP CONTENTS

- Types of research paper (Original research, review, short communication, technical note, comments, etc.,)
- Structure of a research paper (Abstract, introduction, experimental/theoretical, results and discussion, conclusion and references)
- Choice of the topic
- Methods and models
- Analysis and empirical results
- Limitations
- Reference formatting
- Scope for future research
- Types of journals
- h-index
- i10-index
- Scopus citation index
- Google scholar citations
- Impact factor
