

**TWO-DAY WORKSHOP ON
MACHINE LEARNING TECHNIQUES FOR
IMAGE-BASED APPLICATIONS**

FEBRUARY 9 & 10, 2017

Registration Form

1. Name in block letters :
2. Qualification :
3. Designation :
4. Department :
5. College/Organization :
6. Gender :
7. Address for communication :
8. Email :
9. Mobile No. :
10. Accommodation required : Yes / No
11. Category: Faculty member / Industry delegate

Full-time research scholar / Student

Amount : DD no. :

Date : Bank name :

I understand that this registration conveys my commitment to attend the entire event, if selected.

Signature of the participant

Date:

Place:

Contact information

Telephone : (044) 27469700 * 400/462

Mobile : +91-9444815419 , +91-7708733053, +91-9962580503

About SSN

SSN Institutions was founded by Dr. Shiv Nadar, Chairman, HCL Technologies, with a mission of pursuing excellence in education and research. Institutions have world class facilities and a residential campus is set on a sprawling 250 acres of sylvan surroundings. SSN is a home to aesthetically designed buildings with state-of-the-art computer and internet facilities, modern workshops, seminar halls, auditoriums and well-stocked libraries, sports and game fields in addition to an indoor stadium with gymnasium. Student life includes participation in sports, recreational & co-curricular activities and cultural. In short, at SSN, students will find an academic and social environment where everyone from faculty members to peers helps shape their future. SSN follows an admission policy that strongly favors merit. The Institution boasts of a strong alumni network with alumni events held every year serving as a platform for past students to give back to SSN and share their experiences with its present fellow students.

Department of IT

The department of Information Technology (IT) was established in the year 1999. The mission is to provide quality education to the students and impart IT excellence in them. The department has been recognized as a research centre by Anna University, Chennai. It has many ongoing projects funded by DST, DIT, DRDO, AICTE, and SSN trust and has organized many faculty development programmes and short-term training programmes sponsored by Anna University, AICTE, and ISTE. Periodic guest lectures and workshops are conducted for the students to supplement the curriculum. This facilitates our students to update their knowledge on par with the industry standards.

About the Workshop

The two-day workshop on Machine Learning Techniques for Image-Based Applications (MLTIBA) focuses mainly on the use of machine learning techniques for image classification, pattern recognition and data science in computer applications. It also focuses on mathematical techniques and enlightens the knowledge in developing many complex applications. The workshop will encourage the participants to discuss varieties of challenges and opportunities in this field. The resource persons are from renowned institutions like IIT Madras, IIIT-DM and SSNCE.

Objective

To give an exposure on the fundamental and advanced machine learning concepts in the field of image processing and to motivate the participants to involve in research and use machine learning techniques to improve the learning process. This workshop will provide a guideline for students, faculty members and research scholars who pursue their project and research in this area.

Registration details

- **Faculty members and Industry delegates** - Rs. 900/-
- **Full-time research scholars, UG/PG students** - Rs. 500/-

The registration fee includes workshop kit, refreshment and lunch. The interested participants need to fill the registration form available online using the link <https://goo.gl/forms/tleoJvwfXHDFPq8g1> and send Demand Draft drawn in favor of “**The Principal, SSN college of Engineering**”, payable at Chennai, to the address mentioned below:

The Coordinators

MLTIBA Workshop

Department of Information Technology
SSN College of Engineering
Rajiv Gandhi Salai (OMR)
Kalavakkam - 603 110.

Important dates

Last date for registration : 06 February 2017
Notification of acceptance : 07 February 2017
