JOURNAL PUBLICATIONS

1. B.Praba, P.Venugopal, N. Padmapriya., Metric dimension in Fuzzy Graphs- A Novel Approach, Applied Mathematical sciences, Vol 6, 2573-2583, 2012, ISSN:, Scopus indexed SJR:0.34, SNIP:0.86, IF:0.51

9. A. VijayaKumar and S.Sophia, Stationary solution to a tandem fluid queue with input controlled by exponential timer- Accepted for publication in International Journal of Operational Research, 2012. ISSN: 17457653, SJR: 0.58, IF: 0.925

10. S.Vanitha, Two stage M/M/1 feedback queue with modified Bernoulli schedule vacations based on exhaustive service, Advances in Theoretical and Applied Mathematics, 7(1), pp. 13-24, 2012. ISSN 0973-4554

11. S.Vanitha, M/G/1 feedback queue with two stage heterogeneous service with time homogeneous breakdowns and deterministic repair times, International journal of Information and Management Sciences, 23(3), 305-321, 2012. ISSN: 10171819, SJR – 0.19,

Conference

47. R. Sujatha, V. Sharmila, P. Hema, M. Amruth Varshinee, A. Saktthi Prasanth, ‘Some Aspects of Human Error Analysis Using Fuzzy Relations’ in 3rd SRESA National Conference on Reliability and Safety Engineering (NCRS’16), held during 01-03, December 2016, Jointly Organized by Society for Reliability & Safety, Mumbai
and Department of Mathematics, SSN College of Engineering, at SSN College of Engineering, Kalavakkam, Chennai.
