Abstract Submission

The authors are invited to submit their abstracts within 250-300 words (MS-Word, 12 Font, Time New Roman with 1.5 spacing). All accepted and presented papers will be published in the conference proceedings with ISBN number. The Title of the paper, Name(s) of author(s), Affiliation, Email address must be included in the abstract. The authors are requested to send their recent research work through...ncemiam2019@gmail.com. The best four oral presentations will be awarded.

Registration Details

It is open to faculty of Academic Institutions, UG/PG/Research Scholars of Physics, Chemistry, Environmental, Civil, Geology, and other related disciplines.

Fee details

M.Sc/M.Phil/Ph.D Scholars - Rs. 500
Faculty- Rs. 800.

The registration fee should be paid in the form of Demand Draft in favour of “The Principal, SSN College of Engineering”, payable at Chennai along with the registration form.
About the College

It was established in the year 1996 on a campus of 250 acres. The SSN Institution has emerged as one of the best private educational institutions in the country in terms of academics, infrastructure, and extra-curricular achievements. The main aim of SSN is to make a positive difference to the society through education. The institution offers eight B.E./B. Tech. degree programmes, eleven M.E./M.Tech. degree programmes and MBA. SSN College of Engineering organizes national and international conferences in various domains on a regular time scale to cater to the needs of contemporary researchers. We have 80% of faculty as doctorates and remaining are pursuing Ph.D. More than 150 faculty are recognized research Supervisors in various universities. As of now, the Institution has 4300 meritorious students, 535 Ph.D scholars (both full-time and part-time) and 275 dedicated faculty. Our faculty and students published 541 research papers in international refereed journals with high impact factor during the academic year 2017-18, and obtained 101 funded projects with a grant of more than Rs. 28 crore from various funding agencies so far. Our Institution is certified with ISO 9001:2015 and UG and PG programmes have been accredited by National Board of Accreditation. The college has been accredited by NAAC with A++ Grade for 5 years. SSN CE is ranked 36th in Engineering Category and 73rd among all educational institutions in India Rankings 2017 by NIRF, MHRD. The college has become autonomous from this academic year onwards.

Important Dates

Abstract submission - 22.02.2019
Acceptance Notification - 01.03.2019
Deadline for Registration - 10.03.2019

Venue
Central Seminar Hall
SSN college of Engineering
Kalavakkam-603110

About the conference

This Conference is aimed at providing a vibrant interactive forum for serious deliberations on the pressing problems in Environmental research. The deliberations during the Conference will focus on air, water and soil pollution, natural radioactivity in the environment, environmental impact assessment, Radon and Thoron measurements, plant- and Ocean management. Promoting environment education and out reach programmers also needs to be emphasized besides other emerging environmental issues.

Themes

- Application of Spectroscopic techniques in Environmental Research
- Natural radioactivity
- Radioactivity mapping
- Radiation detectors
- Radon and Thoron
- Radiation Protection
- Mineral analysis
- Heavy metal pollution
- Ground water Assessment
- Air, soil and water pollution
- Ocean Management

Address for communication
