

The Chemical Engineering Department has the following laurels

- 100% faculty are PhD holders.
- Received a grant of INR 2.08 Crores for the project titled "*Bench-Scale Design and Development: Investigation of High-Frequency, High-Intensity Ultrasonics for Carbon-Rich Solvent Regeneration in Solvent-Based Post-Combustion CO₂ Capture Process for Reducing CO₂ Capture Energy Demand*" jointly with IIT Madras and RMIT University Australia funded by Ministry of Science & Technology, Department of Science & Technology, Govt. of India, New Delhi on 20.01.2020.
- Department has received 3 projects worth Rs.60 lakhs during the years 2017 to 2020.
- Our faculty are actively engaging in industrial consultancy projects worth Rs.25 lakhs.
- Among 52 research scholars there are 33 full time and 19 part time research scholars doing their PhDs under our department faculty.
- The department has won two first prizes in "Smart India Hackathon-2019".
- Every year the department is publishing more than 50 research papers in leading international journals.
- Indian Institute of Chemical Engineers -SSN Students chapter has received the Ambuja Best Students Chapter Award consecutively during 2018 and 2019.
- Percentage of Anna university rank holders in Chemical Engineering stream.
 - 2019 80%
 - 2018 76%
 - 2017 77%
- Our students has received the Gold medal for securing first rank in Anna university examinations consecutively the last four years from 2016 onwards
