

7.2. Best Practices

i. Use of Panopto for video Lecturing

ii. Central evaluation even for CAT (1st semester and 3rd semester)

- Outcome Based Education (OBE) and Rigorous learner-centric teaching helped in improving the evaluation of teaching learning process.
- Usage of LMS for content delivery
- Consistent mentoring of the students
- One hour allotted per week
- Preparing mentoring report every month
- Tracking slow learners and involving in parents' meetings
