

*International Conference on Advances in Materials and Manufacturing
(ICAMM – 2021)*

February 18-19, 2021

The department of Mechanical Engineering conducted ‘International Conference on Advances in Materials and Manufacturing on February 18-19, 2021 .The conference was themed in the area of Materials and Manufacturing in order to keep the participants in track with recent technological advancements in this particular field . The conference commenced with an inaugural session which was presided over by the Chief Guest of the conference Dr. G. Madhusudhan reddy, Director of DMRL, Hyderabad, in presence of Dr.V.E Annamalai, Principal/SSN CE and Dr. N. Nallusamy, HOD –Mechanical / SSN CE .The conference featured the following renowned speakers from India and abroad who delivered the Keynote address of the conference

*Dr. G. Madhusudhan Reddy,
Director DMRL – Hyderabad*

*Dr. Pan Jisheng
Senior Scientist – ACI- Singapore*

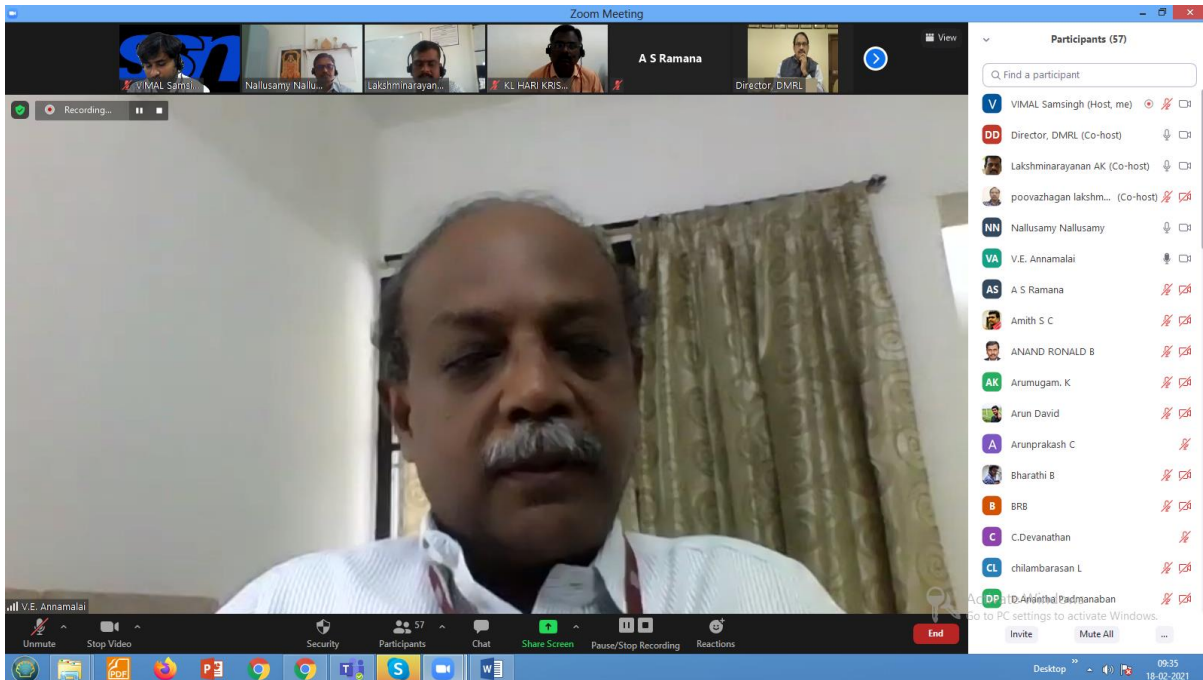

*Dr. G. Manoj Gupta
National University of Singapore*

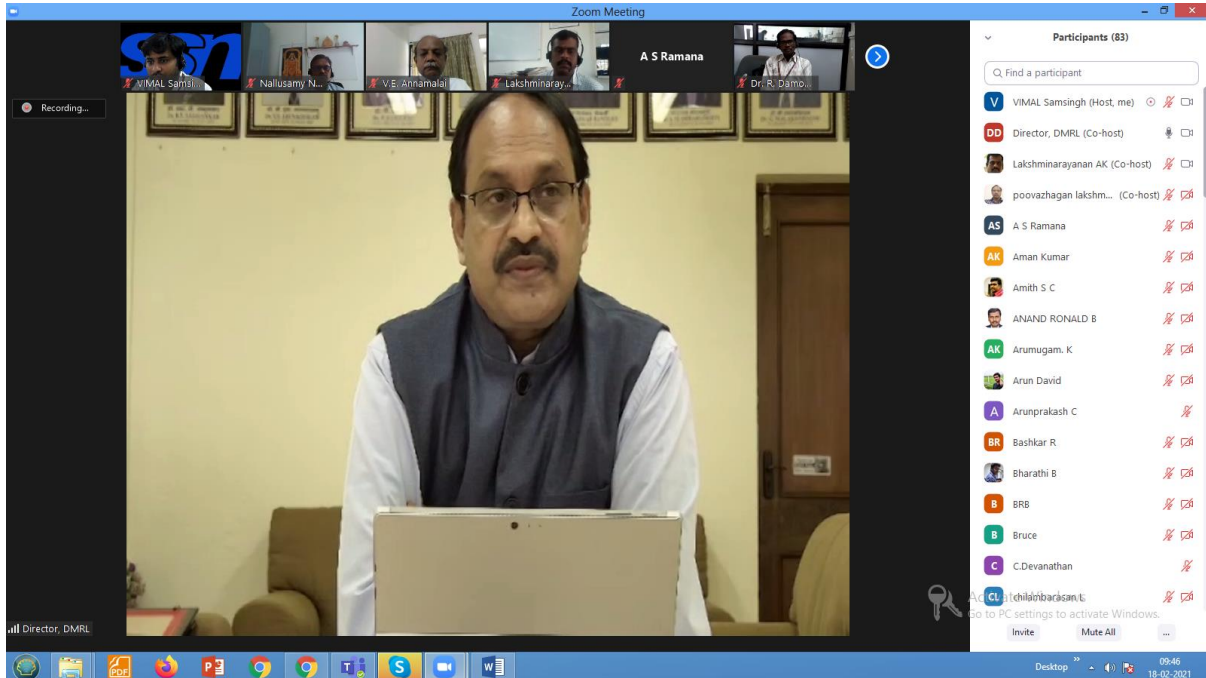

*Dr. A. Rajadurai
Emeritus Professor, Anna University*

The conference received warm receptions from audience who supported the conference by submitting research articles and participating in the keynote lectures organized as a part of the conference. The Keynote lectures were hosted in virtual platform and participants were given opportunity to interact with speakers and get

their questions clarified. Around 150 abstracts were received from various prestigious institutions and research labs. The abstracts received were subjected to carefully

**Inaugural Session of ICAMM2021 – Principal Address
Dr. V.E. Annamalai**

**Inaugural Session of ICAMM2021 – Address by Chief Guest
Dr. G. Madhusudhan Reddy**

Scrutiny by the technical committee members of the conference team. The conference committee invited the selected abstracts to present their research work in this conference by virtual mode. The conference had about 6 tracks of Paper presentation

where the authors of the technical paper got opportunity to present their research work and get valuable feedback from session chairs to improve the quality of their research work .The authors have submitted the final paper for consideration for publication in IOP Conference series: Material Science and Engineering. **(Indexed in Web of Science)** after incorporating the suggestions proposed by the blind reviewer's .Atlast the convenors and co convenors of the conference would like to thank the management, principal and Heads for supporting the organizing team in conducting the International conference. The Organizing team would like to thank the participant's, faculty members, Non –Teaching staff, research scholars and students for their continuous support in conduct of the conference ICAMM-2021.
