

Sri Sivasubramaniya Nadar College of Engineering
Kalavakkam - 603110

Tentative Calendar of Events

2021 - 2022

Issued on June 05, 2021

Additional Measures taken during Covid 19 Pandemic situation

During pandemic situation / lock down period, the following measures are taken by the management of SSN for the student's benefit.

1. Theory courses are handled through online mode using licensed tool "**Microsoft Teams**". In addition, problematic courses are better handled by using "pen tablet" which has been distributed to all the faculty members. Pen tablet is an alternative solution to the black board.
2. Individual faculty's lectures are prepared by using licensed video recording platform "**Panopto**" and linked to the "Learning Management System **LMS**".
3. Lab courses are explained to the students using "**virtual mode**" which will run through online platform.
4. Campus licensed software like **MATLAB** can be accessed remotely by any SSN student from anywhere using his/her institute mail ID.
5. Students are motivated to study online courses using 'Coursera' and 'NPTEL' platforms. Based on their online course grades and relevance, for Autonomous stream students, their final semester electives (Professional Core and open electives) can be replaced with these online courses.
6. Students and faculty members can access the online journals (ASME, ASTM, IEEE, Science Direct) and e-books remotely using "**Knimbus**" licensed online platform.
7. Students and faculties can access the **KOHA** - Library Management software and OPAC (Online Public Access Catalogue) to verify the availability of text books.
