ABOUT INSTITUTE

Sri Sivasubramaniya Nadar (SSN) College of Engineering (Autonomous) is the outcome of the vision and initiative of Padma Bhushan Dr. Shiv Nadar, Chairman of HCL Technologies Ltd., Established in 1996 on a sprawling campus of 250 acres on the Rajiv Gandhi Salai (OMR). The Institution offers eight B.E./B. Tech. degree programs and eleven M.E./M.Tech. degree programs in addition to MBA program. This ISO 9001:2008 certified Institution has been accredited by NAAC with an 'A++' Grade and all eligible programs have been accredited by NBA for 5 years. SSN College of Engineering has been granted the status of Autonomous Institution by the University Grants Commission, MHRD. The college is ranked 37th in Engineering Category in India Rankings 2019 listed by NIRF, MHRD. The institution has consistently stood top among engineering colleges affiliated to Anna University, Chennai. SSN ranked 7th among best private engineering colleges in India in Edu Rand Awards, 2015. In DQ-CMR survey, SSN ranks 24th among all engineering colleges in India. SSN received the "Asia's Best Private Education Institute Award" for the year 2012-13 from World Consulting and Research Corporation (WCRC) processed and evaluated by KPMG, "Top Institute of India Award" for the years 2010 & 2012 instituted by Competition Success Review (CSR), New Delhi and "Bharatiya Vidya Bhavan National Award" for an Engineering College having the Best Overall Performance for the year 2006 from ISTE. The management awards over 600 scholarships worth Rs.4 crore every year to meritorious and deserving students. The college has Wi-Fi connectivity, e-learning enabled classrooms and state of the art laboratories with softwares. The Institution through its dedicated management and members of staff is committed to promote research and provide quality education. It offers a complete academic, social and cultural experience of the finest quality.

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering was started in the academic year 2011-2012 with an aim of promoting high quality education in the field of Civil Engineering. The department has well equipped laboratories and highly qualified faculty members having rich experience in teaching and industrial background. The department is strengthened by its motivated faculty and all our faculties are doctorates in major fields of Civil Engineering. The management supports the student from first year to undergo student funded research project in undergraduate level. The undergraduate students are encouraged their findings to publish in reputed journals.

CALLFOR PAPERS

Papers are invited from all prospective authors including Engineers, Academicians, Industrialists, Research scholars and students.

Main themes for the conference

- o Advancement in green building technology
- o Special and nanomaterials in civil engineering
- o Climate change-adaptation, mitigation & modeling
