

Association of Civil Engineers

Association of Civil Engineers (ACE) was inaugurated by Dr.S.Sundaramoorthy, FRSH (London), Former Engineering Director - CMWSS Board, First International Professional Engineer in Environmental Engineering of The Institution of Engineers, India and Invited Member of American Chemical Society. From then it had actively taken part in conducting International and National conferences, symposiums, workshops, seminars and guest lectures. This association comprises faculties and students of the Civil Department, SSN College of Engineering as key persons. The association has a President, Vice- President, Secretary, Treasurer, Joint Secretary and Assistant Treasures along with 10 office bearers; they are elected by democratically conducting election.

Functions of ACE

The Memebres of ACE, **President, Vice-President, Secretary, Treasurer, Joint Secretary and Asst. Treasurers** are selected democratically by the students of the department. President, Vice-President, Secretary and Treasure are from then 3rd-year students and Joint Secretary and Asst. Treasurers from 2nd year from the previous academic year are selected.

ACE events start with the **inauguration of the Association** followed by a guest lecturer from an eminent person from the Industries or Academic domain. The flagship of the event is the introduction of selected ACE members by the HoD.

Throughout the academic year, ACE will conduct various seminars, webinars, events etc. **INVENTE** a National level technical Symposium is conducted every year. The department hosts a maximum of 8 technical events and 2 non-technical events.

Apart from this, ACE actively organises National/ International conferences.

The closing section of ACE for that academic year involves selecting the next academic committee members through the election.
