**Testimonies from Alumni**

**V.Sasikumar**  
 Senior Software Engineer  
 Walmart Labs, Bengaluru  
 Choosing SSN is my best decision in life. CSE department provides the best ecosystem to experiment and learn emerging technologies.

**Dr.Latha Karthigaa**  
 (Ph.D from University of Auckland, NZ)  
 Founder & CEO  
 Brandupwise Limited, New Zealand  
 Grateful for full scholarship. The course was completely practical. I loved time spent in labs and hanging around with friends.

**B.Geetha Manjusha**  
 Data Science Manager  
 PayPal, Chennai  
 CSE department and the faculty are the real game changers of my life and made me stand where I am now

**Dr.A.Arun**  
 (Ph.D from City University of New York)  
 General motors R&D, USA  
 The myriad of experiences in SSN has equipped me with the confidence to work on research problems.

**State-of-the-art Infrastructure**

Two labs dedicated for M.E. CSE program.  
 Three research labs with modern high-end GPU servers.
