Dear Sir,

I hope this email finds you in good health and high spirits. I am writing to express my heartfelt gratitude to you and the entire Civil Engineering Department for the invaluable support and guidance you provided during my academic journey.

I undoubtedly say that my current position as a Graduate Engineer Trainee at L&T Construction - a milestone, would not have been possible without the solid foundation and rigorous training I received at our department. The knowledge, skills, and practical experience gained through the curriculum and various extracurricular activities have played a pivotal role in shaping my career and securing this opportunity.

I am especially grateful for the mentorship and encouragement I received from you and the faculty members. Your dedication to fostering excellence and your unwavering support have instilled in me the confidence to pursue my goals relentlessly. Additionally, the exposure to industry-oriented projects, workshops, and seminars organized by the department has equipped me with the requisite expertise and prepared me for the challenges of the real-world engineering landscape.

As I embark on this new chapter of my career, I carry with me the invaluable lessons and principles instilled in me by the Civil Engineering Department. I am proud to be an alumnus of our esteemed institution and remain committed to upholding its legacy of excellence.

Once again, I extend my sincerest gratitude to you and the entire department for your continuous guidance and support. I look forward to making significant contributions to the field of civil engineering and representing our alma mater with distinction.

Thanks and warm regards,  
Sathya Shree T R.  
Alumnus Batch: 2019 – 23
