COLUMBIA | ENGINEERING
The Fu Foundation School of Engineering and Applied Science

March 3, 2022

Dear Ms. Elakiya Sivakumar:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Biomedical Engineering Master of Science program beginning Fall 2022. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2022 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at https://gradengineering.columbia.edu/welcome for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2022 class, the Office of Graduate Student Affairs must receive your response and $4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. Click here to respond to the offer. This offer is applicable only to the Fall 2022 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: http://isso.columbia.edu/ and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: https://www.gradengineering.columbia.edu/student-life/new-students.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

Gabrielle Gannon, M.S.Ed.
Executive Director of Graduate Admissions

BUSPH Decision Notification

Boston University School of Public Health <donotreply@webadmit.org>   Tue, Mar 8, 2022 at 8:55 PM
Reply-To: BUSPH Admissions Office <accept@bu.edu>
To: Harshini Ramaswamy <harshini.ramarjun@gmail.com>

BU School of Public Health

Dear Harshini Ramaswamy,

BU ID: U37-09-9769

CONGRATULATIONS! I am pleased to inform you that you have been accepted for admission to the Master of Science in Applied Biostatistics program. We look forward to you joining our vibrant community at Boston University School of Public Health. Please be sure to keep a close eye on your email, including your spam folders, for more information regarding your acceptance and upcoming events.

We recognize your achievements and are thrilled to inform you that you have been awarded a scholarship of 25% towards your tuition. This amounts to $15,555. Your scholarship discount will be applied to all 34 credits required for your MS degree.

- **Example:** A 10% tuition discount at current tuition rate reduces the tuition from $1,830 per credit to $1,647 per credit.

For a detailed breakdown of tuition and fees for your program, please visit our Tuition and Fees website. If you would like to be considered for need-based loans, please visit Boston University's Student Financial Services website for more information.

Next Steps:

- You will receive a separate email with a link to make your deposit. Deposits for international students entering BUSPH in Fall 2022 are **due by April 15, 2022**
- After we receive your deposit, you will receive a separate email with a link to submit the required documents for the issuance of an I-20. Required documents are **due May 1, 2022.** This should allow enough time to process your I-20 paperwork. A detailed list of the required documents can be found here
- Other sources of financial aid available to international students can be found here
- Please be sure to carefully review the attachments at the bottom of this email
- Watch our Accepted International Student Webinar
- Use the **I-20 Financial Calculator (attached)** to calculate your finances
- Check the "Accepted International Student" tab on your Personal URL (pURL)
    - The I-20 Financial Calculator can be downloaded from your Accepted Student Checklist in your PURL
    - *If you do not have the link to your pURL, please complete this form.*
- Join our accepted students Facebook Group

Please note, your I-20 documents will not be processed until we receive your non-refundable deposit.

As a top-ten school, BUSPH is filled with thought-leaders advancing and improving lives locally, nationally and globally. Our renowned faculty, and diverse student body contribute to this dynamic community. In addition, our engaged alumni hold top positions in private, non-profit, and government sectors. I know you will find that an investment in BUSPH is one that will pay off for the rest of your life. There is no better time and no better place to be at the forefront of public health.

This email is your official acceptance notification. If you need a hard copy, please print this email. If you have any questions, the admissions team can be reached at accept@bu.edu.

Congratulations and welcome to Boston University!

Sincerely,
Ann Marie Larese, Senior Director of Admissions
715 Albany Street, T2C

Mr. Lokesh Kumar Manivannan
5/843,Manikkavasakar Salai, Mogappair West.
Chennai, Tamil Nadu 600037
India

Dear Lokesh Kumar,

Congratulations! I am pleased to inform you that you have been admitted into the Master of Engineering Program in Medical Technology Design offered by the Pratt School of Engineering at Duke University for the 2023 Fall Term. Admission to this program is very competitive and based on your application materials, we believe you will be a great fit at Duke.

The world-class faculty, resources, and alumni network at Duke will give you the support you need to learn, explore, and reach your goals. Our community of scholars is engaged in ambitious, hands-on work that produces outstanding engineers and is a benefit to society. We are excited for you to be part of it.

In order to accept and secure your position in our class, please respond to the offer of admission by completing the enrollment response form embedded in your Duke Engineering applicant portal. Your deadline to respond is **April 15, 2023**, but we encourage you to respond as soon as possible so you can prepare for enrollment and transition to Duke. We can begin the visa process immediately after you accept the offer, so we encourage you to respond early.

As a newly admitted student, you can refresh your applicant portal in approximately 15 minutes to reveal the Duke Engineering Admitted Portal. The portal will allow you to explore information on next steps, upcoming admitted student events, career services and outcomes, student health and immunization requirements, and the unique student experience and resources at Duke.
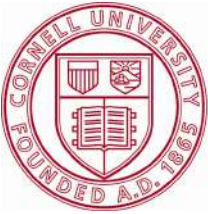

It is my pleasure to congratulate you on this admittance. We look forward to welcoming you to Duke, and your participation in this graduate program. If you have any questions, please do not hesitate to contact us at pratt_masters@duke.edu.

Congratulations again!

Sincerely,

Bradley A. Fox, Ph.D.
Associate Dean, Master's Programs

March 4, 2022
Prasidha Prabhu
24-A, Royal Enclave, Injambakkam   Opposite ECR Food Street, ECR
Chennai Tamil Nadu 600115
Dear Prasidha:

Congratulations! I am delighted to offer you admission to the M.Eng, Engineering Management program at Cornell University in Ithaca, New York, beginning in the Fall 2022 semester. I know that you will be a great fit for our program and look forward to the possibility of having you join the Cornell Community.

Tuition for the upcoming academic year will be published in the coming weeks, however, the current tuition rate is $30,163 per semester. Funding decisions will be made in mid-late March. In the meantime, we encourage you to explore funding opportunities in the event that we are not able to provide you with funding support during your program. Information about student loans can be found at: https://gradschool.cornell.edu/financial-support/.

As an international student, you are required to provide evidence of financial resources sufficient to cover the costs of attendance, including living expenses, for the minimum duration of your program. For your planning purposes, your total expenses will be an estimated $90,000 ($63,000 for two semesters of tuition; $2,600 per month for living expenses; $4,000 for mandatory Student Health Insurance; and $100 for the Student Activity fee). These estimated figures are based on a single student's living expenses without dependents. If you will be accompanied by dependents, your estimated expenses will be recalculated accordingly.

We request that you respond to Cornell's offer of admission online at https://gradschool.cornell.edu/response no later than **April 15, 2022**. A non-refundable deposit in the amount of $500 is required at the time of acceptance of our admission offer. This deposit will reserve a place in the Engineering Management program for you. Please understand that this amount will be credited to your Cornell Bursar account once you register in the M.Eng program and is non-refundable in the event you decide not to enroll in the Engineering Management program at Cornell University.

Our offer of admission is contingent upon you satisfactorily completing any coursework currently in progress and/or required by the Engineering Management program (i.e.
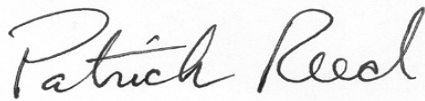

Probability and Statistics), as well as continuing to uphold high standards of character in activities outside the classroom.

Upon your enrollment at Cornell, you will be subject to and expected to adhere to Cornell University's Code of Academic Integrity, among other university policies and procedures. We encourage you to review:

· [Cornell University's Code of Academic Integrity](#)

· [Cornell Student Code of Conduct](#) (Student Code)

· [Cornell University Policy 6.4: Prohibited Bias, Discrimination, Harassment, and Sexual and Related Misconduct](#)

Again, I'd like to congratulate you on being admitted to the program and hope that you choose Cornell for your graduate studies. If there is anything I can do to help make your decision, please do not hesitate to contact me at [engmanagement_grad@cornell.edu.](mailto:engmanagement_grad@cornell.edu) I look forward to hearing from you.
Sincerely,

Prof. Patrick M. Reed
Director, Engineering Management Program

Head of the Department

Date: 19.12.2022
No AM22S049

Dear Ms. Sowmya,

Sub: Admission to M S Programme under HTRA Scheme in IIT Madras – Jan-May 2023 – Reg.
***

Greetings from IIT MADRAS!

We are pleased to inform you that the competent authority has offered you **provisional-admission** to **M.S. by Research programme** in the **Department of Applied Mechanics** at IIT-Madras under the **HTRA Scheme.** Accordingly, you have been allotted the **Roll No. AM22S049. As the admission is provisional, you need to submit scanned copies of the Original certificates as mentioned in the Google Form under the link:**

https://forms.gle/eJAKbUU37wsqMvQB6

1. If you accept the offer of admission, kindly forward the acceptance email to the Department on or before 22.12.2022 and you need to pay the Institute fees **online through Academic Fee Payment Portal -** https://pay.iitm.ac.in/fees/tuitionfee.aspx or http://www.iitm.ac.in/academics **on or before 30.12.2022.** **[After accessing the portal, type the Roll No. assigned to you and Date of Birth and make the payment.]. The details of fee structure are given in the research admission website under** Fee details **and in the fee payment portal as well. For details of Hostel Fee, please visit the link** https://ccw.iitm.ac.in & https://dost.iit.ac.in/iitmdost

   If you decline the offer after making the fee payment, the admission fee will be refunded (deducting Rs.1000/-) subject to receipt of the request of refund within one month from fee payment date along with proof of payment. The request received after this date will not be considered for refund. please visit the link https://forms.gle/5QmrfsedSLwSCL3f9

Institute Fees structure for Jan-May 2023 admission (for first semester)				
Programme	**General/EWS/OBC-NCL (Rs.)**		**SC/ST/PwD* (Rs.)**	
	Hostellers	**Day Scholar**	**Hostellers**	**Day Scholar**
Ph.D./Direct Ph.D.	18,850	11,850	16,350	9,350
M.S by Research	18,350	11,350	15,850	8,850

exempted from paying tuition fee.

If the payment is not made on or before 30.12.2022, it will be construed that you are not interested in joining the research programme and the seat will be forfeited.

2. You should report for admission at 10.30 a.m. on 06.01.2023 (Friday) at **SAC (Student Activity Center)** of this Institute along with the original documents and one set of photocopy of the same as submitted in the google form. If you do not report for admission on this date, you may be liable to lose the seat. Please note that normally extension of date for admission is not possible.
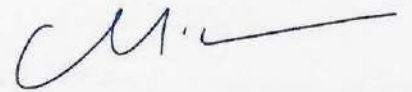

3. After completing the admission process you are required to report at Central Library for Data Entry (E-file creation) and Photoshoot (ID card) on **07.01.2023 (Saturday)** at **9.30 a.m**. Please make sure that softcopy of all the required documents as provided in the google form as consolidated pdf file with your Roll-no as file name (preferably in the google drive) to be available for uploading in your E-file. The schedule of Data entry will be intimated on the day of document verification.

4. This offer being provisional does not confer any right to seek regular admission only upon the institute satisfying itself as to your eligibility under this programme after verification of the original documents, payment of fee and completion of the registration formalities on the date of admission.

5. Once you accept the offer and made the payment, you will be provided smail id and LDAP user ID and Password for accessing **workflow (after 30.12.2022)**. You need to update / verify the data in the workflow including your contact and account details during data entry time. The guidelines related to course registration, submitting personal data form, medical history form and other required documents is available in the link.

   https://drive.google.com/file/d/1WzbtW7nmN8KcnOpgRgbkZ4bv94McCxdL/view?usp=sharing

   Please bring with you the above forms duly filled at the time of document verification **on 06.01.2023 (Friday)**.

6. It is mandatory to have SBI account for HTRA Fellowship.

7. During the period of study when you are resident in the campus, the use of power vehicle inside the campus is strictly not allowed. This is with a view to keep our campus clean.

- Opening Savings bank account at SBI IIT Madras branch is a must to all scholars for payment of fellowship and handling fees matters. **Those who already have SBI Savings Bank account anywhere in India can use their same account.**

  For opening new Savings Bank Account online, the following steps may be followed:

  ➢ A link is available for 'Online SB Account Application'
  ➢ https://www.onlinesbi.com
  ➢ Please fill all the details in the application and take a print out.
  ➢ Please note the reference No. generated (starts with: TCRN/TARN), in case print out is not taken immediately.
  ➢ Affix the photograph and submit to SBI counter in the admission venue at the time of admission along with ID and address proof. (Original to be verified by the SBI Officials)
  ➢ Immediately a Welcome Kit containing Account No., ATM Card, PIN Number and Internet Banking Kit will be provided.
  ➢ The account will be operational on the next day.

---

8. **Please communicate your acceptance, mentioning your provisional roll number, on or before 22.12.2022 to the Department.**

9. Do not hesitate to contact the **Department** or Research Admission Unit if you need any clarifications. Looking forward to you being part of the IIT-Madras family.

Srija Vaidyanathan
New No-6,Old No-144
M.K.Amman Koil Street
Chennai, Tamil Nadu 600004
India

Ms. Vaidyanathan,

Congratulations on being accepted into the prestigious Masters in Biomedical Innovation & Development program at Georgia Tech! We are pleased to offer you admission for the Fall 2022 semester on the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

Located in the Midtown Atlanta, Georgia Tech is in the heart of a diverse and vibrant metropolitan neighborhood. Our urban environment is ranked as a top city for internship opportunities, STEM professionals, and tech diversity. A dynamic, young city with world class museums, eclectic neighborhoods, and cosmopolitan restaurants and shops, Atlanta offers students a wealth of opportunities, not only for education and entertainment, but also for professional experience as well.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of official transcripts from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. You must have **at least** a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's proof of English Proficiency requirement.
4. Compliance with the University System of Georgia's requirement that students who are residing in the United States are Lawfully Present.

If additional documents are needed prior to your enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your Application Status Portal at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate community and wish you every success.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

January 31, 2022

Ms. Vaidyanathan,

Please carefully review the following details of your admission to Georgia Tech.

- This offer of admission is only valid for the Masters in Biomedical Innovation & Development program beginning in the Fall 2022 semester for the Atlanta campus.

- Please indicate your enrollment intentions by logging into your Application Status Portal and completing the Reply to Offer of Admission **as soon as possible**.

- This offer of admission is contingent upon the Office of Graduate Studies completing the application verification and evaluation process which can take between 6-8 weeks from the date that we receive all your required documents. In some cases, it can take up to 12 weeks depending on our volume. Please be patient as we are diligently working on your application. **Once your application has been verified, you will receive an email containing information on next steps and how you can continue with the enrollment process as a new Georgia Tech graduate student.**

- If you have not yet submitted your official/final academic documents, information on what we require and how you can submit them can be found on our Application Documents page. **Please Note:** You must have at least a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent earned from an institution authorized to award degrees by the appropriate government agency.

- If you have any questions regarding courses, financial assistance, or orientation, please contact the graduate coordinator of your admitting program.

Once again, congratulations on your admission to Georgia Tech.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

Subject: Application for courses in the Master Program in Biomedical Engineering

Dear Ms Swathika Subramanian ,

It is a great pleasure to inform you that the Admission Committee of the Master of Science program in Biomedical Engineering examined your application carefully, and concluded that you have been accepted for the program, starting **September 2022** for the period of two years.
The Admission Committee believes that you will be able to successfully complete our challenging programme.

Your final admission to the programme will be arranged after you have proven to meet the formal (administrative) and financial requirements. Completion of your Bachelor's degree is a hard requirement. Regarding the financial point you have taken in account that you need also your own (private) financial sources to cover your living expenses, the tuition fee and other study costs for the two years of your study as mentioned in your Financial Statement.

In order to make further arrangements for your arrival and registration at our University we would like to draw your attention to the following issues:
1. The Admission Office will send you an e-mail 'Before arrival in the Netherlands' with all kinds of information. Other details can be found at www.utwente.nl/internationalstudents/preparing .
2. For housing information please visit our Roomspot website.
3. Your tutor group will be in the Biorobotics (BR) track of the MSc program Biomedical Engineering: research group Biomedical Engineering (BE) or another group of your choice. For more information see: https://www.utwente.nl/et/be.
4. The education programme will start September, 2022. Our introduction period will start in the week before. We advise strongly to join this introduction week.

We are looking forward to meeting you in August/September next year. Should you have any questions, please do not hesitate to contact us.

Sincerely yours,

Drs. K. Haijkens,
Director of Education BME

If you disagree with this decision you can appeal to the Examination Appeals Board within 4 weeks after date of this letter. Send your appeal to University of Twente, Examination Appeals Board, P.O. Box 217, 7500 AE Enschede, The Netherlands. Please note that the decision of the admission committee will not be revised unless there are grounds for appeal (additional proof of admissibility).

Duke | ENGINEERING MASTER'S PROGRAMS

February 4, 2022

Ms. Varsha Seshadri
No.9, B Block, First Floor, Panna Oasis Apartments
Mundakanniamman Koil Street
Chennai, Tamil Nadu 600004
India

Dear Varsha,

Congratulations! I am pleased to inform you that you have been admitted into the Master of Engineering Program in Medical Technology Design offered by the Pratt School of Engineering at Duke University for the 2022 Fall Term. Admission to the program was very competitive this year, and you were viewed to be an excellent candidate.

In order to accept and secure your position in our class, please complete the following items:

1. Respond to the offer of admission by completing the response form on your applicant status page. Your deadline to respond is April 15, 2022, but we encourage you to respond as soon as possible so you can prepare for enrollment and transition to Duke. We can begin the visa process immediately after you accept the offer, so we encourage you to respond early.
2. Your application was reviewed and a decision was made using unofficial, scanned copies of your transcript(s). If you intend to accept our offer, official copies of your transcript(s) are required; see official transcript guidance for information on how to submit official transcripts.
3. Visit our Admitted Students Resources page to learn more about your program of interest, career outcomes, virtual events, the unique student experience and resources at Duke, and how Duke is leading the way in keeping students safe during the pandemic.

It is my pleasure to congratulate you on this admittance. We look forward to your participation in this program and we hope that you will be able to join us. If you have any questions, please do not hesitate to contact us at pratt_masters@duke.edu.

Congratulations again!

Sincerely,

Bradley A. Fox, Ph.D.

9 May 2022

Dear Cibi Chezhian

Thank you for your application to study at the University of Leeds. I am pleased to offer you a place. The details of your offer are as follows:

Course:	**MSc Medical Engineering**
Start date:	**28/09/2022**
End date:	**27/09/2023**
Period of study:	**12 Month(s) on a full-time basis**
Tuition fee:	**The tuition fee for 2022/23 is £25750.00**
	Your tuition fee is based on the information provided in your application. This fee may change after further assessment of your UK/international status.
Additional costs:	**Any additional costs relating to this course, and how to pay them will be listed on the relevant Coursefinder page at https://courses.leeds.ac.uk**

This offer is subject to you meeting the following conditions:

- Providing evidence of completion of your degree with 60% or an equivalent CGPA from Anna University, Chennai

- Providing evidence of English language proficiency equivalent to an IELTS (Academic) score of 6.5 with at least 6.0 in all components. You may be able to meet this requirement by studying a pre-sessional at the University of Leeds Language Centre. Please visit www.leeds.ac.uk/presessional for details about our summer pre-sessionals.

TPOff

Accepting your offer
In order to accept this offer of a place you should visit your applicant portal at
https://application.leeds.ac.uk. There is no deadline to accept your place, unless explicitly
stated in the offer confirmation email sent to you.

Criminal convictions
If you have any relevant unspent criminal convictions, you will need to inform us within 14
days of accepting your offer by sending the following details to declaration@leeds.ac.uk:
your name, your application ID number, the programme applied for and the title of the
offence for which you were convicted, including the date and sentence imposed. Full details
of the criminal conviction policy, the process followed and the list of relevant convictions can
be found at www.leeds.ac.uk/declaration. You do not need to email us if you do not have a
criminal conviction.

Important information
We know that choosing to pursue a postgraduate degree is a big step. To help you through
the process please see our detailed guide *Your Offer* which you can view at
www.leeds.ac.uk/postgraduate/offerguide. In *Your Offer* you will find lots of useful
information, including details of accommodation, facilities and support available for you.

We hope that by the time you're ready to start your studies with us the situation with
COVID-19 will have eased and we hope to be able to deliver more face-to-face teaching on
campus. However, please be aware that we will continue to review our courses and other
elements of the student experience in response to COVID-19 and we may need to adapt
our provision to ensure students remain safe. For the most up-to-date information on
COVID-19, regularly visit our website, which we will continue to update as the situation
changes: www.leeds.ac.uk/covid19faqs

Course information
Important up-to-date information about your course can be found at
https://courses.leeds.ac.uk. This includes course content, outline module information
(including which modules are compulsory or optional), methods of teaching and
assessment, and whether your course is professionally accredited. You will also be able to
see the circumstances where changes may be made to your course.

The University reviews all our courses on a regular basis. The exact details of the modules
available, including methods of teaching and assessment and specific content, are usually
published in the University's Module and Programme Catalogue updated annually. To view
details please visit www.leeds.ac.uk/PGTprogramme-catalogue. In the unlikely event that
there are any significant changes since you submitted your application you will be notified.

Paying your fees
If you are self-funding, you must either pay your fee in full before you register or pay 50% before you register and set up an instalment plan to pay the remaining balance. **Please do not use third-party agents to transfer payments to the University of Leeds, as this can significantly increase your risk of being exposed to financial crime.**

If you are receiving a postgraduate student loan from Student Finance you can set up an alternative instalment plan of three payments by direct debit in line with your loan payments. This will only be available if we have received confirmation from Student Finance that your postgraduate student loan has been approved. The postgraduate loan is to help with the cost of study and may not cover your tuition fees in full. For more information about postgraduate loans and eligibility, please see www.gov.uk/masters-loan

If you are from a Channel Island or the Isle of Man, you should seek guidance from your island education office.

If you are sponsored by a third-party organisation, you must provide an official sponsor letter before you register. Please visit www.leeds.ac.uk/sponsoredstudents for more information.

Further information on fees, student loans and payment arrangements can be found at www.leeds.ac.uk/mastersfees

Scholarships
Postgraduate students at Leeds benefit from a wide range of full and partial tuition fee scholarships and maintenance awards from the University and external organisations. Due to the diversity of awards available, our scholarship application forms are customised and the criteria for eligibility vary between schemes. For more information, please visit our scholarships website at https://masters-scholarships.leeds.ac.uk

Student visas
If you need a Student visa to study in the UK, you will require a Confirmation of Acceptance for Studies (CAS) from the University. The earliest that a CAS can be issued is six months before the course start date and after you have met the conditions of your offer, supplied all the necessary information, such as your passport details, and paid a tuition fee deposit of £1,500, if applicable. You do not need to contact us to request a CAS. You must obtain your visa before travelling to the UK. More information about the deposit and how to pay will be sent to you once you have accepted an unconditional place in the application portal.

If you are already in the UK and have a Student visa (previously known as Tier 4) for a different institution, and you are not planning to return home to get your visa for Leeds, you will not be able to register or start your studies unless you can provide evidence that you have used your Leeds CAS to apply for a Student visa to study with us.

You should make your visa application as soon as you have the required supporting documents (academic and financial). This offer of study does not guarantee that the University will be able to sponsor you for a Student visa. For more information, please see www.leeds.ac.uk/studentvisa

Membership and alumni
As a Leeds student you will automatically become a member of the University. This membership usually continues beyond your time of study as you will join a community of over 270,000 Leeds alumni, representing the University's lifetime commitment to you. You will have access to certain University services and a vast support network and will have opportunities to attend events and reunions, learn about volunteering and fundraising, stay connected and create new connections that can help your career.

Contract, withdrawal and disclaimer
This letter together with the student contract make up the agreement between you and the University. A copy of the student contract can be found at www.leeds.ac.uk/studentcontract

You may cancel your agreement with the University and withdraw from your course, without reason, up to 14 days after the start date of your course (as stated on this letter) by emailing registration@leeds.ac.uk.You can also cancel this agreement and withdraw from the University if there is a material change to your course or fees that you do not agree to.

The University may terminate our agreement with you, not permit you to re-register next year and require you to withdraw from the University, if you become unfit to study or otherwise fail to meet your commitments to the University, for example, by the non-payment of fees, inappropriate conduct or making unsatisfactory academic progress.

The University's disclaimer can be found within the student contract. We recommend you read the student contract as it includes more details on the above points together with other important information concerning your rights and commitments.

Privacy notice
The University will process your personal data for the administration of your position as a student, including the use of University services, such as residential services, lecture capture, attendance monitoring, the Library and sports facilities. We will on limited occasions share your personal data with third parties, including HESA and other relevant educational providers. Please see www.leeds.ac.uk/privacynotice

Important notes
- This offer of a place does not constitute an offer of funding.
- Confirmation of any bursaries, awards, or scholarships will be notified to you separately.
- Please refer to the email accompanying your offer for details of any deadlines.
- Let us know if any information in this letter is incorrect or if your correspondence address has changed.
- If the names on your offer letter, national ID card or passport do not match those on your transcripts and certificates, an official confirmation of change of name must be provided and accepted.
- If it is necessary to make any material changes to arrangements, we will notify you as soon as possible.
- If you have a concern with regard to your treatment during the admissions process, please, in the first instance, raise this using the School contact details below. If you remain dissatisfied, you may address your concerns to the University Complaints Officer who can be contacted via www.leeds.ac.uk/studentcomplaints

If you require any further information, please do not hesitate to contact:

MSc IN INTERNATIONAL MANAGEMENT & BUSINESS
(1 YEAR) - 2023

ATTESTATION D'INSCRIPTION
REGISTRATION LETTER

Ms Arthi VENGATASALAM
Born on 20/09/2000 in Puducherry, Puducherry, India

Je certifie que l'étudiante ci-dessus est inscrite au programme MSc in International Management & Business (1 year) - 2023 pour l'année académique 2023-2024. La date de rentrée prévisionnelle est le 25/08/2023 et la durée maximale du programme est de 12 mois. Le programme est entièrement enseigné en anglais et l'étudiante a le niveau requis pour suivre des cours avancés dans cette langue.

Audencia Business School a validé l'admission de l'étudiante à un programme de master court, au vu de ses qualifications académiques et professionnelles. Audencia Business School garantit l'adéquation de la candidature avec le diplôme visé.

Les frais de scolarité pour ce programme sont de 14000 EUR, à régler en plusieurs échéances. L'étudiante s'est acquittée des 3000 EUR d'acompte confirmant son inscription.

I certify that the student above is registered into the programme MSc in International Management & Business (1 year) - 2023 for the 2023-2024 academic year starting provisionally on 25/08/2023 and with a maximum duration of 12 months. The programme is entirely taught in English, and the student has the required level to follow advanced courses in this language.

Audencia Business School has issued a decision to admit the student directly in a short masters programme, in the light of his/her academic and professional qualifications submitted during the admissions process. Audencia Business School takes full responsibility regarding that particular admission.

The total tuition for this programme is 14000 EUR, to be paid in several installments. The student has paid 3000 EUR confirming registration.

Chetana Krishnan
No.1 Bharathidasan Street
Nilamangai Nagar
Adambakkam Chennai, Tamil Nadu
600088, India
Chetanakrish20@gmail.com

Dear Chetana:

Congratulations! We have identified you as an applicant who best meets the criteria for admission, and we believe that you have the potential to bring real strength to the department as you work toward your graduate degree. Therefore, we are pleased to offer you admission to the Biomedical Engineering Master's Program at UAB for the Fall 2022 term.

This offer is contingent upon official acceptance into the UAB Graduate School. The department will recommend your admission to the Graduate School Dean. The official decision of acceptance will come from the Graduate School.

Your appointment is for the period of August 22, 2022 to August 21, 2023. To continue in this appointment, you must remain in good academic standing, make satisfactory progress toward your degree, and meet the requirements for MS students as described in the BME Graduate Student Handbook. Your effort during the term of this appointment should be devoted to carrying out those activities required by the Biomedical Engineering Graduate Program, including completing the original research necessary to fulfill your thesis requirements.

You can access the guidelines for graduate students at https://www.uab.edu/graduate/. Additional departmental guidelines can be found at https://www.uab.edu/engineering/bme/graduate. Please note that the MS program is self-funded. Information about graduate tuition costs can be found at https://www.uab.edu/graduate/admissions/financing-your-degree. Information about possible funding opportunities can be found in the 2020-2021 Student Handbook.

I hope that you will accept this offer by signing this letter in the space below and returning it to me as soon as possible, but no later than April 15, 2022. Please let me know if you have any questions.

January 26, 2023

Divya Rajesh Kannan
E8g Regal Palm Apts 383, Velachery Tambaram Road
Chennai,   600042
INDIA

Dear Divya,

Congratulations on your admission to the Master of Science in Business Analytics at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2023 semester! We share your excitement as you begin this next stage in your educational career. Your program director and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program. You may also contact your program through msbuan@utdallas.edu.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page, and on the Academic Calendar. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.

- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.

- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.

For information on accepting your offer of admission and next steps toward enrollment, visit jindal. utdallas.edu/advising/new-students. Please note that all required supporting documents must be received by the University before you will be able to register for classes. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or admission@utdallas.edu.

We look forward to welcoming you to UT Dallas.

Sincerely,

Monica S. Powell, Ph.D.

15 March 2023

Congratulations Harsha Balakrishnan,

Nottingham ID Number	-	20594789
Application Number	-	10775785
Course Details	-	MSc Mechanical Engineering

Your application to study at the University of Nottingham has been successful.

What now?

- Check the full details of your offer below
- Go to NottinghamHub to upload any required documents
- Have original copies of these documents ready in case we need to see them at registration
- If you have not previously done so please make sure to accept your offer within 6 weeks of this letter's date or your offer may be lapsed.
- Find out more about fees and financial support

About your offer

We'll issue a Confirmation of Acceptance of Studies (CAS) letter to support your visa application four months before your start date, but you'll need to accept your offer and pay any required deposit first.

This offer is for your academic course only, with no funding attached. If you have applied for funding, this information will be sent to you separately. You can also find out more about postgraduate funding options and financial support on our website.

Any questions?

We're really looking forward to welcoming you here soon. If you have any problems

or questions, [contact us](#) with your full name, course title and application ID, and we'll be happy to help.

Yours sincerely,

Dave Feeley

	DLI:	O19358946722

Dear Sockalingam,

Congratulations! We are pleased to offer you admission to the University of Windsor in the following graduate program:

Academic Program/Plan:	MEng-Electrical Computer Engg
Program/Plan Start Date:	Winter 2023
Duration of Program:	4 Terms equivalent to 2 years
Enrollment Status:	Full Time

In accepting this offer, you will be joining a welcoming community of exceptional students, award-winning faculty and researchers and dedicated staff who are working together to explore and address the problems of the world. Our rich academic programs and exciting opportunities for experiential learning produce graduates who enjoy challenging and rewarding careers.

HOW TO RESPOND TO YOUR OFFER

You must accept (or decline) your offer of admission through eGAS:

- Log into eGAS
- Click the **Offer Acceptance** tab
- From the **Details** drop-down menu, select an option (accept, decline or defer if applicable for your program)
- Click **Save**

Conditions and Provisions:

Transcript(s):

Confirmation of degree completion must be received by the Office of the Registrar-Graduate Division by the stipulated deadline. Documents must be received directly from your institution or delivered in a sealed envelope issued by your institution.
Date Due: April 1, 2023

Final transcripts indicating all courses & grades must be submitted prior to the end of the first academic semester. Documents must be received directly from your institution or delivered in a sealed envelope issued

Faculty of Graduate Studies & Office of Quality Assurance
401 Sunset Avenue
Windsor, Ontario, Canada N9B 3P4
www.uwindsor.ca/graduate

from your institution to the Office of the Registrar-Graduate Division.
Date Due: April 1, 2023

Other Requirements:

Scholarships, graduate/teaching assistantships or research assistantships are not available for students accepted to this program.

Must present your valid student study permit to the International Student Centre (isc@uwindsor.ca) by the last day to add courses within the first term of registration.

As a reminder: to reserve your place in this program you need to accept this offer of admission by August 04, 2022.

International students please note: This is your official, final letter of acceptance. Please present this letter to apply for your study permit. This letter has been issued electronically.

Additional Information:
Please ensure that you have sufficient funds to meet all of your needs before accepting this offer.
Program fees and Term Start Dates: This information can be found at https://www.uwindsor.ca/gradprogfee while a tuition fee estimator is also provided at https://www.uwindsor.ca/finance/fee-estimator.
Living Expenses: A reasonable minimum estimate for a graduate student with no dependents is $10,000 per year ($14,000 per year if have one dependent). These expenses are in addition to tuition (does not include compulsory incidentals), books, and health insurance.
Housing and Accommodation: The University of Windsor offers on-campus housing and meal plans; additional information is provided at https://www.uwindsor.ca/residence.
Do you have a question: Please visit https://ask.uwindsor.ca.

Let me be the first to welcome you to the Lancer family. You are about to embark on an important journey. We could not be happier that you have chosen the University of Windsor as your partner in learning.

All the best,

Dr. Debbie Kane
Acting Dean, Faculty of Graduate Studies
University of Windsor

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **$4000.00 CAD.** The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. The VISA refusal letter for the term in which your offer is valid will need to be provided to the Cashier's Office to receive a refund. See the University of Windsor website for the refund policy.

- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.

- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.

- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

- Transcripts: Please forward an official copy of all post-secondary education transcripts to the Office of Graduate Admissions by the indicated due date. Transcripts must be received by Graduate Admissions in the original sealed envelope from the granting institution(s) to be considered official. Documents need to be submitted in official capacity.

    o You can have your University send the official documents to the University of Windsor directly at transcripts@uwindsor.ca.
    o Alternatively, you can mail the documents at:

    University of Windsor
    Office of the Registrar - Graduate Studies Division
    401 Sunset Ave.
    Windsor, Ontario, N9B 3P4 Canada

    If you have English Language Conditions on your offer:

- English Proficiency Test Score: Please request the testing centre to send your results directly to the University of Windsor. Our institution code is 0904. Please note that the language requirements of the program must be met prior to attendance in any courses at the University of Windsor.

- English Language Improvement Program (ELIP): If you do not meet the language requirements of your academic program, you can register for language training at the Centre for English Language Development at the University of Windsor. You will not be able to begin any coursework until all language requirements of the program are met.

    You must register for ELIP at uwindsor.ca/englishlanguagedevelopment.ca. Direct inquiries can be directed to applyesl@uwindsor.ca.

- ELIP fees can be taken from this deposit; however, students will be required to replenish the deposit to $4000.00 CAD before registering for courses.

- Study Permit: You must submit your study permit to our International Student Centre, located in Laurier Hall on the University of Windsor Campus. You can do this when you arrive in Windsor.

Tuition Information and Program Length

- There is a section at the end of your offer of admission letter with "additional information". This section provides a link to a page that lists your tuition information and program length required for your visa application as well as an approximation of

living expenses. The Offer of Admission letter can be used to apply for a visa/study permit and a bank loan. This page also lists the semester start dates.

Additional Information and Helpful Links

- The International Student Centre provides many great benefits to students through their Soft-landing program, Multi-faith Space, VISA and work permit assistance and social events. Please visit their website for more information at www.uwindsor.ca/isc.
- Residence Services offer many different housing and meal plan options. You need to apply in advance, so you are encouraged to visit their website early www.uwindsor.ca/residence.
- The University of Windsor's Student Alliance (UWSA) maintains links to information about off-campus housing. You can visit their website at www.uwsa.ca.
- Campus Recreation facilities as well as varsity and intramural sports. For more information, please visit their website at www.uwindsor.ca/athletics.

For further information please email your respective department:

-Fees are mandaotry and will vary term to term

Deposit Information

Submission of a $4,000.00 deposit is required within 21 days of your date of admission to secure your place in your program. The deposit is applied to your program fees and is refundable only with adequate proof of a denied Student Visa. Refunds are issued in the student's name and sent by mail to the Applicant address unless paid by electronic transfer in which case the refund will be reversed to the originating source. If you require a receipt of your deposit, please email the request to TUITDEP@uwindsor.ca.

Learn More about fee payment options as www.uwindsor.ca/finance/student-accounts

University of Windsor

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

- A valid English language assessment score determines which ELIP level to take.
- Successful completion of ELIP 3 qualifies for entry to academic study.
- Each ELIP term is 12 weeks.

If you have an overall IELTS and writing band score of:	- 5.0	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	Pre-Academic English	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Five/Four	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

University of Windsor

Welcome to Residence.

CAMPUS LIVING @ UWINDSOR

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE!

- WIFI INCLUDED
- CLOSE COMMUNITY
- SUPPORT SERVICES
- FURNITURE INCLUDED
- RESIDENT ASSISTANTS
- STEPS AWAY FROM CLASSES
- SAFE & SECURE

Immerse yourself in university life by living on campus. UWindsor residence invites you to be part of a dynamic community and offers a memorable university experience.

Steps from classes, on-campus events and additional facilities, residence life supports your personal growth, both academically and socially.

Participate in exclusive events, take a stroll along the riverside or enjoy a diverse selection of food with your meal plan– all at your own convenience.

Beyond your stay as a resident, work as a desk services staff or serve on the residence committee to learn outside the classroom and make lifelong connections.

Staff are on-call 24/7 and resident assistants (RAs) dedicate their time to enhancing your experience and supporting your transition to university.

24/7
Academic and personal help on hand

Living Learning Communities

Live with students who share your academic program or interest. This allows you to connect with your classmates, join them for studying, work on group assignments, or attend social events. Our current offerings include Black Leadership and Excellence, Nursing and Science Communities.

Choice of Roommate

For the Fall, students will be able to select their roommate through the application portal process.

Residence Guarantee

Accommodations are guaranteed for first-year students (coming directly from high school) who apply and submit a $475 deposit by the guarantee date (see website). After that date, you can still apply and room assignments are based on availability.

Special Considerations

A limited number of rooms are available to students who require special accommodations. We make every effort to place students in rooms that best meet their needs. For more information, please visit **uwindsor.ca/residence**

Meal Plans

No need to prepare meals or go grocery shopping. For Fall and Winter, residence students are required to choose a meal plan from a variety of options, with values ranging from $5,100 - $5,800 for Fall/Winter. *You may use the meal plan to pay for food at all outlets on-campus as well as several nearby restaurants. For more information, please visit uwindsor.ca/food
* Meal Plan rates are based on 2021-2022 and are subject to change for 2022-2023.

Bookstore Plan

For greater convenience, you can add a Bookstore Plan to your Student ID Card. The Bookstore Plan is an optional add-on to your Residence fees. For more information, please visit **uwindsor.ca/residence** and select Services.

Gender-Neutral Options

Residence offers different gender identity options and all-gender housing, which can be found on the residence application.

What do you enjoy most about living in residence?

ALYSSA
I love being around people constantly. When I walk out into the hallway I am greeted by so many people and then I also can go to the lobby where I can interact with even more people. I also love the positive environment that we have on our floor, it feels like my home away from home where I can be myself and go to any of my floor mates for help. I love being involved in all the activities that residence puts on. It has truly made my experience so much better. Participating in all of these activities has allowed me to meet new people and further discover myself!

CALEB
I really liked being close to the meal plan food locations along with grocery stores such as Food Basics, Shoppers, etc. Being close to my classes allowed for me to go back to my room to study between classes, take a nap or grab a quick snack. I never worked out before coming to the university so having a close facility to do so was a great bonus and allowed me to go multiple times a week without excuses. Studying by myself got boring at times so being close to other students and resources helped a lot when exam seasons got tough.

University of Windsor

Come back!

After first year, you're welcome to come back to the UWindsor Residence!

You are welcome to live in residence for the duration of your time on campus. For more information, please visit **uwindsor.ca/residence**

About Your *GRE*® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Print Date: December 3, 2021

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)
A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test
You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Senior Director, NTA

1. **A National Merit Ranking (All India Rank) has been arrived based on the NTA Marks Obtained.**
2. **In case scores are same for more than one candidate, the ranking has been done on the basis of sectional scores, considered in the order of Quantitative Techniques & Data Interpretation, Logical Reasoning, Language Comprehension, General Awareness and Innovation & Entrepreneurship.**
3. Candidates having same Score are listed in a chronological (ascending) order as per their date of birth.
4. Candidates having same score have been given the same Merit, and the next Merit rank has been increased by the same number i.e. if there are two candidates at Merit2, Merit 3 would not be awarded to the next candidate but Merit 4 would be given.
5. The admission authorities are advised to use NTA score awarded to the students for allotment of seat in the AICTE approved programs along with the other criteria that may exist, as applicable.
6. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online Application Form.
7. Instances of incorrect information provided by the candidates, if detected at any stage, would make the candidate liable for disqualification.
8. The responsibility of verifying the category of the candidate for ascertaining eligibility of admission and award of scholarship if any lies with the admitting institute.
9. **Qualifying in CMAT 2022 does not guarantee any automatic entitlement for admission to PG programme nor AICTE assistance under PG programmes.**
10. **Any dispute concerning CMAT 2022 would be subject to jurisdiction of the competent courts within the territorial jurisdiction of New Delhi only.**

Dear Abhishek:

Thank you for informing us of your plans to defer your arrival as a Full-time student in the Master of Science degree program in Computer Science until the Spring 2023 semester.

Please note that you will need to request an I-20. Instructions will be mailed to you 8-10 weeks prior to the start of the Spring 2023 term. If you have questions regarding the I-20 process, please contact our office at khoury-gradschool@northeastern.edu.

Below you will find the details of your admission.

Thank you for your interest in our program. We look forward to your arrival.

Sincerely,

Amal Ahmed
Associate Dean and Director of Graduate Studies
College of Computer and Information Science
Northeastern University

Carnegie Mellon University

Computational Biology Department

Pittsburgh, PA 15213

January 26, 2022

Akash Kishore
G8, Triumph Apartments
Chennai,
Tamil Nadu 600106

Dear Akash Kishore:

When you applied to Carnegie Mellon's School of Computer Science, you indicated that you were willing to be considered for additional M.S. programs beyond those that you selected at application time.   We have therefore evaluated your application materials and are very pleased to offer you acceptance for **Fall 2022** into the **Master of Science in Automated Science: Biological Experimentation (MSAS)** at Carnegie Mellon University. Congratulations on being accepted into our exciting program, the first of its kind in the world. The first graduates from our program this past May were in high demand for positions both in industry and in PhD programs. We think that you are well suited for the program and sincerely hope that you will join us!

You may be wondering about the differences between MSAS and the M.S. in Computational Biology program. As you may already know, MSCB focuses on purely computational algorithms and methods for analyzing and modeling of biomedical systems. The MSAS curriculum also covers many of these methods, since constructing predictive models is critical to the fundamental task of Automated Science. However, the MSAS curriculum spends less time on specific models in order to add advanced training in Artificial Intelligence for driving experiments and fundamental training on the robotics that is used to execute AI-selected experiments. The goal of the program is to enable students to become leaders in this emerging field of automated science. Results for the first graduates from the program demonstrate that this goal is being achieved!

Details about the program, including the standard curriculum and the student handbook, are available on the program curriculum page (http://msas.cbd.cmu.edu/curriculum/). Please note that the program requires you to be registered full-time for coursework each semester while at Carnegie Mellon University.

We recognize that students coming into our program will have some differences in their background, and have taken that into account in creating the curriculum. We provide placement tests that allow some required courses to be replaced with electives in order to provide some tailoring to individual backgrounds. These replacement courses can be selected from a wide range of machine learning and computational biology courses. We also provide advising personalized to your needs and goals.

So that you can learn more about our program, we have scheduled a virtual Q&A with the MSAS directors at 6 am EST on February 2nd and at 7 pm EST on February 2nd via zoom (these sessions will be similar and are provided to accommodate students in different time zones; attending both is not necessary). We will present more information about the program and answer any questions that you may have. Additional information and registration instructions for the Q&A will be sent in the next few days.

Congratulations again on being accepted into our cutting edge program. Please let us know your decision concerning our offer as soon as possible, but not later than **April 15, 2022**. To accept our offer, please email jgarrand@andrew.cmu.edu. Please note that if you choose to accept, you will be required to provide official transcripts no later than August 1st, 2022.

Send transcripts to:

      Janet Garrand
      MSAS Graduate Program
      Computational Biology Department
      5000 Forbes Avenue
      Pittsburgh, PA 15213 USA

If you need additional information or have any other questions, please feel free to contact us. Note that information about living in Pittsburgh is available at http://www.cbd.cmu.edu/join-us/life-in-pittsburgh/.We look forward to hearing from you soon and sincerely hope that you will join our program.

Sincerely,

Robert F. Murphy, Ph.D.   Joshua D. Kangas
Director, MSAS   Associate Director, MSAS

Manning College of Information
& Computer Sciences

March 10, 2022

Akshaya Mohan
3/1, Swati Court
No. 43, Vijayaraghava Road,T.Nagar
Chennai,   600017

Dear Akshaya,

I am delighted to inform you that you have been recommended for admission to the Master of Science in Computer Science program in the Manning College of Information and Computer Sciences at the University of Massachusetts Amherst beginning in Fall 2022.

Our graduate program is among the highest ranked and highest impact research programs in the world. We have a faculty of 59 tenure-track professors engaged in cutting-edge research. The Manning College of Information and Computer Sciences is distinguished by its unique culture of collaboration within the college and across other departments on campus. Students have opportunities to take courses in other departments to complement their computer science coursework in order to prepare for industry or academia.

The University of Massachusetts is the Commonwealth of Massachusetts' flagship campus and is located in a beautiful and bustling college town ranked as one of the top 10 College Towns in America by U.S. News. UMass Amherst sits in the scenic Pioneer Valley and is located 90 miles from Boston and 175 miles from New York City.

You will receive an official admission letter of acceptance from the Graduate School. We ask that students reply to the offer of admission via SPIRE by April 15th in order to allow time for enrollment in our fall semester courses. Please be aware that teaching and research assistantships are not available to master's students. however, other on-campus employment is available. Tuition and fees for the master's degree for out-of-state students in 2021-2022 was approximately $53,859.50. The most recent tuition information can be found here: https://www. umass.edu/bursar/tuition/graduate-tuition-rates.

We look forward to your response!

Taylor Cannon

March 7, 2022

Dear Bhavya Jha,

Congratulations! It is my honor to offer you admission into Carnegie Mellon University's Master of Human-Computer Interaction program (MHCI) starting fall 2022. Each year, the MHCI program receives an increasing number of applications from an impressive collection of students and professionals. After reviewing your academic and supporting material, we feel strongly that you will thrive in the engaging CMU community.

The MHCI program within the Human-Computer Interaction Institute is the first program in the country dedicated to preparing students to lead the user experience journey in companies across the globe. You are a member of a highly qualified and diverse cohort of accepted students with outstanding academic and professional achievements. Your acceptance is a testament to the hard work and effort you have put forth to get here.

I hope you will join us virtually for the MHCI Open House, March 24-25, 2022. This is an opportunity for you to envision life at Carnegie Mellon, meet current students and faculty, and ask plenty of questions. MHCI alumni and current students tell us that attending the open house provided them with critical insight into our program and ultimately guided their final decision to attend Carnegie Mellon University. I sincerely hope you can join us. In the coming weeks, you will receive more information regarding the enrollment process and Open House logistics via email.

On behalf of our faculty, staff, alumni and current students, I congratulate you on your acceptance into Carnegie Mellon University and welcome you to the Master of Human-Computer Interaction Program.

Sincerely,

Skip Shelly

Programme Title: MSc Mathematical Finance FT
Academic Year: 2022/23
Duration: 12 Months
Mode: Full-time Taught
Start Date: 26 September 2022
Fee Status: Overseas   Tuition Fee: £23040

Dear Mr Shakespeare

I am pleased to be able to offer you admission to the programme shown above. Your offer is CONDITIONAL on you meeting the requirements detailed below. Please submit the requested document(s) as soon as you are able to do so. Conditions need to be met before the start of the programme. If original or certified copies of your documents are required, please send to the address stated at the top of this letter.

If you require a visa to study here all conditions must be met at least six weeks before the programme start date.

The start date of your programme is shown above.

If your offer is conditional upon providing evidence of academic achievement, please refer to the following link for details of acceptable means of verifying your qualifications:
http://www.birmingham.ac.uk/university/colleges/professional/external/admissions/verification.aspx
(http://www.birmingham.ac.uk/university/colleges/professional/external/admissions/verification.aspx)

- Provide evidence of obtaining your degree with a final grade average of at least 60%.

- Please provide an original or certified copy of your transcript and certificate (or letter) from your university to confirm your degree result.

- You are required to pay a non refundable deposit of GBP2000 to confirm acceptance of your place, by the deadline date shown in your applicant portal. This amount will be deducted from your tuition fee. Details on how to pay the deposit can also be found in your applicant portal.

In order to secure your place, you must respond to this offer by 08 February 2022. This deadline refers to your acceptance of the offer, not the fulfilment of the conditions. To respond to the offer, please log into your Applicant portal. If you think you will be unable to respond by this date, please contact us and we will be able to extend the time available. However, if you fail to respond by this deadline your offer may be declined on your behalf.

You are currently classified as overseas for fee purposes. If you believe this to be incorrect, please review the information at https://www.birmingham.ac.uk/university/colleges/professional/external/admissions/Fee-Assessment-Questionnaire.aspx

Please note; all non-English Language documents must be accompanied by an official certified translation.

Once you have fulfilled this/these condition(s); and you have accepted your offer of a place; we will send you a CAS (Confirmation of Acceptance for Study) to help with your visa application. Please note that it is not possible to issue you with a CAS more than six months before the start date of your programme. Study in the UK is subject to time limits and regulations on academic progression set by UK Visas & Immigration (UKVI). If you have not already provided us with details of any study that you have undertaken in the UK (including study you have completed, are currently undertaking or have failed to complete) in the Qualifications section of your application then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

The proposed annual tuition fee for 2022/23 is shown above. Please note that this fee is provisional and therefore subject to confirmation.

If you accept this offer you are required to disclose to the University any unspent, relevant criminal convictions within 14 days of your acceptance reply. Information about this requirement is provided in the document 'Important Information About Your Offer' provided with this offer. Further information, including how to disclose this information and the University's policy on Criminal convictions is available in the online Offer Guide. We advise you not to accept an offer until you have read this information. If your offer conditions require you to provide a DBS disclosure you do not need to make a separate self-disclosure when accepting your offer. Information on how your data is processed can be found here:
https://www.birmingham.ac.uk/privacy/index.aspx (https://www.birmingham.ac.uk/privacy/index.aspx).

Please note that you need to have sufficient funds available for your living costs and tuition fees for the duration of your programme. You will only become responsible for the payment of your tuition fees when you formally register for your programme, not when you accept your offer of a place. Information regarding the registration process will be sent to you before your programme commences.

Should you have any queries please go to www.birmingham.ac.uk/pg-faqs or submit a query through our online enquiry form at www.birmingham.ac.uk/pg-enquiry or contact us at 0121 415 8900 (option 2) Monday to Friday, 10pm - 4pm. In any communication, please quote your Application ID number.

Yours sincerely

Nick Hull
Director of Admissions

Ms. Dharu Piraba Muguntharaman
E 97,Anna Salai, Block 20
Kurinjipadi Tk,Cuddalore
Neyveli, Tamil Nadu 607803
India

Dear Dharu Piraba,

Congratulations! It is with great pleasure that I offer you admission to the Computer Science, MS program for the Fall 2022 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2022, which can be found on your Application Status page at join.rit.edu/account/login. After accepting our offer of admission, please pay the $500.00 Advance Tuition Deposit by May 1, 2022. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

Sincerely,

Diane Ellison

OFFICE OF GRADUATE AND PROFESSIONAL ADMISSIONS

June 7, 2022

Jashwaanth Sumithra Balu
Plot No 326, Door No 16, 4th Main Road, Kamaraj Nagar, Thiruvanmiyur
Chennai, Tamil Nadu 600041
India

Applicant ID (UIN): 660010338

Dear Jashwaanth,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Supply Chain and Operations Management MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2022 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley

Punganur, 517247
INDIA

Dear Gunadeep,

Congratulations on your admission to the Master of Science in Information Technology and Management at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2022 semester! We share your excitement as you begin this next stage in your educational career. Your program director, Mark Thouin, and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the Graduate Catalog, JSOM Policies page, and on the Academic Calendar. Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the Jindal School of Management page.

- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.

- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.

For information on accepting your offer of admission and next steps toward enrollment, visit jindal. utdallas.edu/advising/new-students. Please note that all required supporting documents must be received by the University before you will be able to register for classes. At UT Dallas, we promise you a welcoming environment, intellectual challenges, excellent faculty and a diverse University family.

Your out-of-state non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270 or residency@utdallas.edu.

Our faculty and staff look forward to welcoming you to UT Dallas.

Sincerely,

Monica S. Powell, Ph.D.
Associate Dean, Graduate Programs, Naveen Jindal School of Management

April 1, 2022

Niel Jitesh Parekh
New No:6, Old No: 23/1
Yogambal Street, T.Nagar
Chennai   600017 India

Dear Niel Jitesh Parekh:

I am pleased to inform you that you have been accepted for graduate study at the University of Massachusetts Amherst. This acceptance is in the Master of Science program in the College of Information and Computer Sciences. Congratulations!
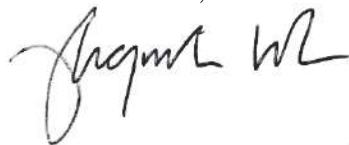

You have been accepted for the Fall 2022 semester. Unless your academic department agrees to postpone your enrollment, admission for any other semester would require a new application.

This admission is contingent on the completion of your baccalaureate degree. An official copy of your final undergraduate transcript indicating receipt of your degree should be sent to this office as soon as your undergraduate work is complete. If your transcript does not clearly indicate the awarding of your degree, with the degree title and date awarded, we need the diploma and/or degree certificate in addition to the official final transcripts. You must submit these materials before the University of Massachusetts Amherst will allow you to formally begin your graduate studies.

We encourage you to log in to SPIRE to accept this offer of admission or withdraw your application. After entering SPIRE, click on the 'Main Menu' item on the upper left hand side of the screen and select the 'Admissions' item. Then select the 'Student Center for New Graduate Students'. There is a confirmation status section that will allow you to inform the Graduate School of your enrollment plans. It is important that you log in and select one of these options to inform us of your decision.

Questions concerning assistantships and other program related matters should be addressed to the College of Information and Computer Sciences; other questions may be referred to the Graduate Student Service Center. For further information about the University of Massachusetts Amherst please visit our website at **www.umass.edu/graduate**.

With best wishes,

Jacqueline Urla
Dean of the Graduate School

Dear Prasannakumaran Dhanasekaran,

We have received your decision to accept admission to the Master of Science program in Computer Science and Engineering at UC San Diego for 2022 Fall. We are thrilled by your decision and look forward to you joining us as a valued member of the UC San Diego community.

Please review the information on the admitted student checklist at http://grad.ucsd.edu/admissions/admitted-students/do-immediately.html to learn about requirements you must complete prior to the start of your program. The site also contains helpful tips for a smooth transition to your new graduate program at UC San Diego. Please wait at least 48 hours after accepting admission to complete any of the checklist items. This will allow the campus system to update appropriately.

You will also need to return to your student portal at https://connect.grad.ucsd.edu/status to review the "Pending Admission Documents" section that lists the official documents needed by Graduate Division to finalize your admission. Please submit any pending documents and information to Graduate Admissions as soon as possible.

It is expected that all in-progress degrees and/or coursework will be completed before you begin studies at UC San Diego. Please submit official academic records once all coursework has been completed and your degree has been conferred. Failure to submit required documents by Friday of the fourth week of your admitted quarter will result in a hold on future registration until the documents are provided. If for any reason you anticipate that your in-progress degrees and/or coursework will not be completed before you begin your studies at UC San Diego in 2022 Fall, please contact gradadmissions@ucsd.edu immediately.

For questions regarding your graduate program, registration, funding, or other inquiries, please contact your department directly.

The Graduate Division looks forward to working with you throughout your graduate program.

Kind regards,

Graduate Admissions

Rutgers MSCS Admission Decision
2 messages

csmasteradmissions <csmasteradmissions@cs.rutgers.edu>   Tue, Apr 19, 2022 at 1:39 AM
To: "raghavr2601@gmail.com" <raghavr2601@gmail.com>

Dear Raghav Ramkumar,

Thank you very much for your interest in our Master in Computer Science program. This year we received an unusually large number of qualified applicants, and we were forced to conduct several rounds of review following a strict waiting list.

We are happy to inform you that we are offering you admission into our MSCS program for the incoming Fall 2022 semester.

Once all of your materials have been processed, you will see an updated status in the application portal and will receive correspondence from Graduate Admissions. Your offer of admission will not include financial aid from the Department of Computer Science.

Due to our limited resources, class sizes, and a substantial waiting list, **we do need your confirmation by April 25th** of your acceptance of this offer indicating you will be joining our program this incoming Fall 2022.

You need to reply to this email with your formatted answer below:

1. YES, I will be joining the MSCS program this incoming Fall 2022.
2. NO, I will not be able to join the MSCS program this incoming Fall 2022.

Then, you need to officially accept the offer of admission through the application portal.

If you are accepting this admission's offer, please be on the lookout for information about your personalized study plan that will be completed by the end of May. Please be aware that **there will be a mandatory MSCS student orientation on Tuesday, August 30th .**

To ensure success in this program, students should have either previously completed or may be required to take coursework in the following areas upon enrollment: Mathematical Foundations of Data Science, Probability, Statistics, and Linear Algebra.

Again, congratulations on this milestone in your professional career and we hope to meet you soon.

With best wishes,

Andrew Chun
Administrative Assistant to the MS Program
on behalf of
The MSCS Admissions Office
csmasteradmissions@cs.rutgers.edu
Rutgers, The State University of New Jersey

Dear Rishivardhan Krishnamoorthy,

Your UC Irvine student identification number is 81365838.

Congratulations! We are delighted to inform you that our admissions committee has recommended you for admission to the Master of Computer Science program at UC Irvine. We look forward to helping you to achieve your academic goals at UC Irvine and to prepare you for a fulfilling career after graduation.

The MCS program at UC Irvine is a professionally oriented program and prides itself on supporting students' career and professional goals. Some of our program highlights include project-based courses, a dedicated career development team, assistance securing internships and jobs, invitations to various social and networking events throughout the year, weekly professional-oriented workshops, and ongoing opportunities to connect with local and national tech companies.

Please note that your admission is provisional, pending two items:
• You must forward official copies of your final transcripts from all degree-granting institutions to officially verify the completion of your degree(s). Please clear this provision at your earliest convenience, if you have not already done so, to prevent interference with your enrollment for the Fall 2022 academic term.
• UC Irvine Graduate Division must conduct an official review of your application packet to confirm that you have successfully met all admissions criteria, including, but not limited to minimum GPA, application materials, exams, etc.

After UC Irvine Graduate Division completes the review of your application and confirms your admissions eligibility, you should expect to receive an email from them within the next two weeks regarding how to accept our admissions offer. The deadline to submit this online Statement of Intent to Register (SIR) is April 15, 2022.

If you are an international student, in order to receive your I-20 you must complete the New Graduate Student Request form. More information about this will be sent to you via email around April. Upon receiving this information, please carefully follow the instructions. Your completed packet must be sent to MCS at mcs@ics.uci.edu. In the meanwhile, for additional I-20 and international student-related information, please visit the UCI International Center website at https://ic.uci.edu.

Should you have any questions related to enrollment, documentation, paperwork, etc., please contact our MCS Graduate Counselor, Vanessa Tafreshi at mcs@ics.uci.edu. For information about the MCS degree requirements, including course descriptions and curriculum, please refer to our website https://mcs.ics.uci.edu/.

Lastly, please note you will receive information in the summer about three orientation events for new students. These are held in September. Exact dates, times, and locations are forthcoming.
• MCS New Student Orientation (mandatory for all MCS students)
• Graduate Student Orientation (mandatory for all students)
• International Student Orientation (mandatory for all international students)

Again, congratulations on your admission to the Master of Computer Science program at UC Irvine. We look forward to having you join our department and community, and eventually our great family of alumni.

Sincerely,

Madhu Reddy
Associate Dean for Graduate Student Affairs
Donald Bren School of Information and Computer Sciences

Please note that all information in this admission letter is subject to approval of the UCI Graduate Division. For complete policies and procedures, please visit
https://grad.uci.edu/forms/academics/Graduate-Policies-and-Procedures.pdf.

Dear Sachin Krishan Thyaharajan,

I am delighted that you have chosen to accept our admission offer, and I am confident that you will be pleased with your decision and the educational experience at UCI. We look forward to your joining the UCI graduate community and wish you much success in your academic endeavors.

If you have not already arranged for official transcripts to be sent to UCI, please do so as soon as possible. If you are currently enrolled in another institution, please arrange to have your final/official transcripts sent after degree conferral. Please allow 2-3 weeks after sending your official transcripts for your transcript status to be updated.

If you have any questions at this time, please contact your academic department.

Sincerely,

Gillian R. Hayes
Vice Provost for Graduate Education and
Dean of the Graduate Division
Robert A. and Barbara L. Kleist Professor of Informatics

Graduate Division
120 Aldrich Hall
Irvine, CA 92697-3180
(949) 824-4611
www.grad.uci.edu

Dear Sai Charan Bandaru,

Congratulations on your provisional admission for the Fall 2022 program in Master of Computer Science at the University of California, Irvine! As Graduate Dean, it is my pleasure to welcome you to UCI and to commend you on your academic accomplishments. You will also receive an admission offer letter from the program to which you applied. My colleagues and I are convinced that you will be an outstanding graduate student, and we hope you will join us at UCI.

Your UC Irvine Student ID# is: 86044353

Now that you have been offered admission, the most important first step is for you to let us know, as soon as you have made your decision, whether you will accept or decline our admission offer. This should be done by completing the Statement of Intent to Register (SIR). The Graduate Division cannot initiate the admissions process until we have received your completed SIR.

After you submit your SIR, if you have indicated acceptance of our admission offer, you can review additional information and a checklist for newly admitted graduate students at https://grad.uci.edu/current-students/admitted-student-checklists/. The checklist will include a link with instructions to complete the Statement of Legal Residence (SLR).

After you complete your SIR accepting our offer of admission, you will receive information from your department about the I-20/DS-2019 Request for New Graduate Students form. You will need to complete this form and return it to your department in order to get your visa eligibility documents, the I-20 for the F-1 visa or the DS-2019 for the J-1 visa. Please allow 3-4 weeks after submission of the form for your visa documents to be issued by the International Center.

After you submit your SIR accepting our offer of admission, the Graduate Division and your academic program will prepare administratively for your arrival. Please note that only those Ph.D. or M.F.A. student who are admitted, have filed an SIR, and responded to the Housing Office on or before 4:30pm PST May 1, 2022, are eligible for guaranteed on-campus housing. For more information on housing, please visit https://www.housing.uci.edu.

UC Irvine Extension offers English as a Second Language classes for students who would like to improve their English language skills prior to enrolling as graduate students. Information is available at https://ip.ce.uci.edu/programs/english-language-programs/.

If you would like more information about the application process, please contact the program at uciesl@uci.edu 949-824-5991. Please note, that if you take an ESL program before your graduate program, you will be issued an I-20 from UC Irvine Extension. Your I-20 will need to be transferred out to UCI, Main Campus after your ESL program has ended. You will still need to complete the I-20/DS-2019 Request for New Graduate Students form in order to get your second I-20, issued by the International Center.

Please note that your admission is provisional. In order to clear your provisional admission, you will need to submit additional items as listed on your application status page.

We do hope you will accept admission to UCI; however, if you choose to decline our offer, we would appreciate some information on your reasons for declining when you complete the SIR. It is important to us to know which factors may influence admitted applicants to choose another institution.

Again, congratulations on your admission to UCI. We hope to see you at our Campuswide New Graduate Student Orientation in September. This event provides essential information for those new to UCI, and those familiar with UCI but new to graduate education. The campuswide orientation also presents a unique opportunity to meet your fellow incoming students from academic disciplines outside of your own. We will email you detailed information about this event in the weeks to come.

Sincerely,

Gillian R. Hayes
Vice Provost for Graduate Education and
Dean of the Graduate Division
Robert A. and Barbara L. Kleist Professor of Informatics

Dear Satya Bharathi,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Science program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of $6,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2022 class before your deadline of February 28, 2022. To find instructions on how to accept your offer, visit **engineering.nyu.edu/grad/accept-offer**. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering for courses at NYU.

You also have access to your personalized dashboard at **gradadmit.engineering.nyu.edu**. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Satya Bharathi, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Ensweiler

Shriya Baskaran
Flat 102, Mansarovar Apartments,   Plot 43B, Velachery main road, Velachery
Chennai Tamil Nadu 600042
Dear Shriya:

Congratulations! On behalf of Engineering Management, I am delighted to offer you admission to the Master of Engineering program beginning Fall 2023. The program is normally a two-semester program, with the ability to petition for a three-semester program by the end of your first semester of coursework. We are pleased to welcome you to Cornell University and hope you will accept this offer.

Tuition costs and information about student loans can be found at https://gradschool.cornell.edu/financial-support/. You may also find the costs of attendance website helpful.

We request that you respond to Cornell's offer of admission online at https://gradschool.cornell.edu/response. Because Cornell University abides by the Council of Graduate Schools' *Resolution Regarding Graduate Scholars, Fellows, Trainees, and Assistants*, you are not obligated to notify us of your response to this offer until **April 15, 2023**. A non-refundable deposit of $500 is required at the time of acceptance. This deposit will reserve a place in the Engineering Management program for you and will be applied to your bursar bill once you register. If you know your decision before then, earlier notification would be appreciated.
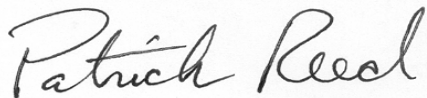

We will reserve a place in the MEng program for you when we receive your response. Our offer of admission is contingent upon you satisfactorily completing any coursework currently in progress, if applicable, and continuing to uphold high standards of character in activities outside the classroom. Upon your enrollment at Cornell, you will be subject to, and expected to, adhere to Cornell University's Code of Academic Integrity, among other university policies and procedures. Before accepting this offer, please review:

· Cornell University's Code of Academic Integrity ,

· The Cornell Student Code of Conduct (Student Code),

· Cornell University Policy 6.4: Prohibited Bias, Discrimination, Harassment, and Sexual and Related Misconduct, and

· Engineering Management Graduate Student Handbook.

If you are an international student, you are conditionally admitted, with full admissions contingent upon certification of adequate financial resources sufficient to cover the costs of attendance, including living expenses, for the minimum duration of your program. For your planning purposes, your total expenses will be an estimated $94,160 per year ($65,204 per year for tuition; $24,371 per 9 months living expenses & mandatory student activity fee; and $4,585 per year for mandatory Student Health Insurance). These estimated figures are based on a single student's living expenses without dependents. If you will be accompanied by dependents, you will need to certify additional funds. Upon receipt of your acceptance, deposit, and your financial certification documents, the Graduate School will notify you that your admission has been finalized.

If there is anything we can do to help you make your decision, please do not hesitate to contact Diana Peppin, Program Coordinator at dlw259@cornell.edu, (607) 255-3553, or at engmanagement_grad@cornell.edu. We look forward to hearing from you and hope that you will choose Cornell for your graduate studies.

Sincerely,

Prof. Patrick M. Reed
Director, Engineering Management Program

Dear Sideshwar Jappeswaran Balasubramanian,

Congratulations on your provisional admission for the Fall 2022 program in Master of Computer Science at the University of California, Irvine! As Graduate Dean, it is my pleasure to welcome you to UCI and to commend you on your academic accomplishments. You will also receive an admission offer letter from the program to which you applied. My colleagues and I are convinced that you will be an outstanding graduate student, and we hope you will join us at UCI.

Your UC Irvine Student ID# is: 18162878

Now that you have been offered admission, the most important first step is for you to let us know, as soon as you have made your decision, whether you will accept or decline our admission offer. This should be done by completing the Statement of Intent to Register (SIR). The Graduate Division cannot initiate the admissions process until we have received your completed SIR. Please contact your program for more information regarding the SIR deadline.

After you submit your SIR, if you have indicated acceptance of our admission offer, you can review additional information and a checklist for newly admitted graduate students at https://grad.uci.edu/current-students/admitted-student-checklists/. The checklist will include a link with instructions to complete the Statement of Legal Residence (SLR).

After you complete your SIR accepting our offer of admission, you will receive information from your department about the I-20/DS-2019 Request for New Graduate Students form. You will need to complete this form and return it to your department in order to get your visa eligibility documents, the I-20 for the F-1 visa or the DS-2019 for the J-1 visa. Please allow 3-4 weeks after submission of the form for your visa documents to be issued by the International Center.

After you submit your SIR accepting our offer of admission, the Graduate Division and your academic program will prepare administratively for your arrival. Please note that only those Ph.D. or M.F.A. student who are admitted, have filed an SIR, and responded to the Housing Office on or before 4:30pm PST May 1, 2022, are eligible for guaranteed on-campus housing. For more information on housing, please visit https://www.housing.uci.edu.

UC Irvine Extension offers English as a Second Language classes for students who would like to improve their English language skills prior to enrolling as graduate students. Information is available at https://ip.ce.uci.edu/programs/english-language-programs/.

If you would like more information about the application process, please contact the program at uciesl@uci.edu 949-824-5991. Please note, that if you take an ESL program before your graduate program, you will be issued an I-20 from UC Irvine Extension. Your I-20 will need to be transferred out to UCI, Main Campus after your ESL program has ended. You will still need to complete the I-20/DS-2019 Request for New Graduate Students form in order to get your second I-20, issued by the International Center.

Please note that your admission is provisional. In order to clear your provisional admission, you will need to submit additional items as listed on your application status page.

We do hope you will accept admission to UCI; however, if you choose to decline our offer, we would appreciate some information on your reasons for declining when you complete the SIR. It is important to us to know which

factors may influence admitted applicants to choose another institution.

Again, congratulations on your admission to UCI. We hope to see you at our Campuswide New Graduate Student Orientation in September. This event provides essential information for those new to UCI, and those familiar with UCI but new to graduate education. The campuswide orientation also presents a unique opportunity to meet your fellow incoming students from academic disciplines outside of your own. We will email you detailed information about this event in the weeks to come.

Sincerely,

Gillian R. Hayes
Vice Provost for Graduate Education and
Dean of the Graduate Division
Robert A. and Barbara L. Kleist Professor of Informatics

Provisional Admission to LIBA FULL-TIME 2022-24

Admissions Office

Provisional Admission Letter – PGDM (Full-Time) Programme 2022 -2024

 Dear Sneha M

 LIBA ID: LIBA22FT000203

Congratulations! You are provisionally selected for the two-year Full-Time Flagship Post Graduate Diploma in Management (PGDM) programme 2022.

Kindly check the fee structure mentioned below.

   1. Kindly confirm your official acceptance by emailing to admissions@liba.edu<mailto:admissions@liba.edu> by 06.05.2022 (before 05.00 pm). The candidate must send the soft copy of documents below for verification. After the verification, a Virtual Account Number will be generated for the fee payment.

2.   Kindly pay the one-year fee of Rs.8,87,750/- (Revised fee structure) through NEFT/RTGS/IMPS on or before 11.05.2022 (9.30 am – 5.00pm), failing to do so will lead to cancellation of your admission. (LIBA has tied-up with State Bank of India for the Scholar loan, find more details in the attached document)

Documents to be sent for verification:

1. Attested copies of 10th, 12th & UG mark sheets (both semester-wise and consolidated- scanned)
2. Attested Provisional/Degree certificate, if you have already completed the degree (The original degree/provisional certificate & mark sheets must be submitted when you join the programme – by courier).

3. Proof of identity: Attach the photocopy of the PAN card (by courier)

4. Community certificate (by courier)

5. Parish priest letter (for Catholic Christians by courier)

6. Affidavits enclosed with this email duly signed by the concerned (by courier)

7. Student and parent undertaking form etc (by courier)

8. Fill the ID card and attach 2 passport size photographs.

If you are still awaiting results, kindly produce the Provisional/Degree certificate and the mark sheets of all the exams taken during the degree course, to prevent cancellation of admission and forfeiture of fees paid.

LIBA has separate hostels for boys and girls. Students are recommended to stay on campus. The hostel admission will begin after getting admitted into the program. Admitted students should make a separate request for hostel accommodation after receiving the fee receipt. Educational loans at concessional rates are available from leading nationalized banks (Ex:SBI and other public sector banks). LIBA will follow the directives from AICTE/MHRD/State Govt relating to commencement of classes. Absence on the first day will risk cancellation of your admission.

I wish to say how lucky you are to join an institution that has a long-standing reputation for discipline and academic excellence. LIBA requires you to contribute optimally to the enrichment of its programmes with your full participation. Your self-discipline, decorum, studious application to academic work and regularity in attendance cannot be compromised on any account.

Date: 05.05.2022

Director, LIBA

Letter of Admission

Vlerick Business School <admissions@vlerick.com>   24 March 2022 at 15:45
Reply-To: admissions@vlerick.com
To: sparshgupta318@gmail.com

Welcome to Vlerick Business School!

Dear Sparsh,

We are pleased to announce that you have been admitted to our Masters in Innovation and Entrepreneurship - Leuven campus. We would like to congratulate you and welcome you to Vlerick Business School!

Our dean, alumna of the school, Marion Debruyne would like to wish you all the best on this Vlerick Journey to come: Watch her video message.

The programme starts on 1 September 2022.
We would like to remind you that the programme will require your full effort. We therefore count on your best intentions and determination to make a success out of it.

Enrolment Procedure:

The tuition fee for the Masters in Innovation and Entrepreneurship - Leuven campus is EUR 17900.

Please register by completing the enrolment form and paying a commitment fee of EUR 1500.

Your deadline to register is 10 April 2022.

Once you have registered online you will receive your commitment fee invoice a few weeks later.

Kindly pay the commitment fee of EUR 1500 before the due date (30 days) mentioned on the invoice. The remaining fee should be paid before 30 June 2022.
Alternatively you can opt to pay in three instalments (due 1 Nov, 1 Feb and 1 April). For this you'll need to sign a payment contract and pay an additional administrative fee of 250 EUR.

Your scholarship application will be discussed at our next Board of Directors' meeting on 25 March 2022. We will let you know the outcome after this date.

We look forward to welcoming you as one of our students next year.

Yours sincerely,

The Masters Admissions Team

Suraj Jain
9/5 Venkat Narayana Road, T.Nagar
Next To Lions Eye Hospital
Chennai,   600017

Dear Suraj,

I am delighted to inform you that you have been recommended for admission to the Master of Science in Computer Science program in the Manning College of Information and Computer Sciences at the University of Massachusetts Amherst beginning in Fall 2022!

Our graduate program is among the highest ranked and highest impact research programs in the world. We have a faculty of 59 tenure-track professors engaged in cutting-edge research. The Manning College of Information and Computer Sciences is distinguished by its unique culture of collaboration within the college and across other departments on campus. Students have opportunities to take courses in other departments to complement their computer science coursework in order to prepare for industry or academia.

The University of Massachusetts is the Commonwealth of Massachusetts' flagship campus and is located in a beautiful and bustling college town ranked as one of the top 10 College Towns in America by U.S. News. UMass Amherst sits in the scenic Pioneer Valley and is located 90 miles from Boston and 175 miles from New York City.

You will receive an official admission letter of acceptance from the Graduate School. We ask that students reply to the offer of admission via SPIRE by April 15th in order to allow time for enrollment in our fall semester courses. Please be aware that teaching and research assistantships are not available to master's students. however, other on-campus employment is available. The most recent tuition information can be found here: https://www.umass.edu/bursar/tuition/graduate-tuition-rates.

We look forward to your response!

INDIA, 600102

May 26, 2022
Dalhousie ID Number: B00936916

Dear Vikram:

Congratulations! On behalf of Dalhousie University I am pleased to inform you of your admission to the Full Time Master of Applied Computer Science program for the session beginning January 1, 2023. For your information, the Master of Applied Computer Science program is program fee Based.

As a program fee student you are responsible for 1 year of full program fees. Once you have met this requirement you will become a continuing student and you will be responsible for paying continuing fees (in place of program fees). While the time to completion may vary, the standard duration of this program is 16 months or longer when completed on a full time basis.

Please be advised that you are not automatically enrolled in the Dalhousie Health and Dental Insurance Plan. If you wish to opt into this health plan please contact dsuhealth@dal.ca or 902-494-2850 before you begin your studies at Dalhousie University.

Please confirm by email, to your department, if you will be accepting this offer. Questions concerning your program should also be directed to the Graduate Co-ordinator of your department.

Please be advised that you are required to submit official and final transcripts. Please ensure that the university sends your final transcript with degree conferral, or degree certificate by email to graduate.studies@dal.ca.

Please visit https://www.dal.ca/faculty/gradstudies/apply-graduate-studies/how-to-apply/whats-next.html for further information on paying your deposit, as well as other important next steps.

If there is pre-requisite work to complete before you begin your graduate program, you will be notified by your department.

If you are presently enrolled in a degree program, you must complete your current degree with a minimum B average prior to the start of the new program, and submit your final transcript to the Faculty of Graduate Studies within 90 days of beginning your studies at Dalhousie.

It is a condition of your admission that you will not be enrolled in any additional program at Dalhousie, or elsewhere, during the course of the program for which you have been admitted, unless special arrangements have been made and approved.

In order that a place in your program may be reserved for you a non-refundable deposit of $200.00, which will be credited towards your fees, is required by Thursday, June 9, 2022. If you decide not to attend this program, or if you have been accepted to another Dalhousie program and choose to decline that offer, please notify your school or department in writing of your decision.

Mr. Krishnan,

Congratulations on being accepted into the prestigious Masters in Computer Science - On Campus program at Georgia Tech! We are pleased to offer you admission for the Fall 2022 semester on the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

Located in the Midtown Atlanta, Georgia Tech is in the heart of a diverse and vibrant metropolitan neighborhood. Our urban environment is ranked as a top city for internship opportunities, STEM professionals, and tech diversity. A dynamic, young city with world class museums, eclectic neighborhoods, and cosmopolitan restaurants and shops, Atlanta offers students a wealth of opportunities, not only for education and entertainment, but also for professional experience as well.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of official transcripts from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. You must have **at least** a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's proof of English Proficiency requirement.
4. Compliance with the University System of Georgia's requirement that students who are residing in the United States are Lawfully Present.

If additional documents are needed prior to your enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your Application Status Portal at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate community and wish you every success.

Sincerely,

David R. White
Associate Dean for Academic Affairs
College of Computing, Georgia Institute of Technology

April 01, 2022

Mr. Krishnan,

Please carefully review the following details of your admission to Georgia Tech.

- This offer of admission is only valid for the Masters in Computer Science - On Campus program beginning in the Fall 2022 semester for the Atlanta campus.

- Please indicate your enrollment intentions by logging into your [Application Status Portal](#) and completing the Reply to Offer of Admission **as soon as possible**.

- This offer of admission is contingent upon the Office of Graduate Studies completing the application verification and evaluation process which can take between 6-8 weeks from the date that we receive all your required documents. In some cases, it can take up to 12 weeks depending on our volume. Please be patient as we are diligently working on your application. **Once your application has been verified, you will receive an email containing information on next steps and how you can continue with the enrollment process as a new Georgia Tech graduate student.**

- If you have not yet submitted your official/final academic documents, information on what we require and how you can submit them can be found on our [Application Documents](#) page. **Please Note:** You must have at least a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent earned from an institution authorized to award degrees by the appropriate government agency.

- If you have any questions regarding courses, financial assistance, or orientation, please contact the graduate coordinator of your admitting program.

Once again, congratulations on your admission to Georgia Tech.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Aakash Murugan

Most Recent Test Date: July 29, 2021

Date of Birth: November 11, 2000

Registration Number: 9505788
Print Date: August 7, 2021

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2021) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2021. You will not receive the score card by email or by post.

2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.

3. Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.

4. IIMs and Non-IIM member institutions independently decide how to use CAT 2021 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Doctoral (Fellow) Programme(s) in Management.

5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.

6. All queries regarding post-CAT 2021 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.

7. CAT 2021 score is valid only until 31st December 2022 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31st December 2022 to download.

8. Webmail support cat2021@iima.ac.in & cathelpdesk@iimcat.co.in will be available till 31st March 2022.

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Print Date: December 3, 2021

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)
A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test
You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Print Date: September 24, 2021

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

GRE

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Nimisha Pabbichetty

Most Recent Test Date: November 2, 2021

Date of Birth: November 26, 2000

Registration Number: 0089031
Print Date: March 4, 2022

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
22.41	80.09	8.71	56.88	3.01	48.55	34.12	68.11

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2021) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2021. You will not receive the score card by email or by post.

2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.

3. Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.

4. IIMs and Non-IIM member institutions independently decide how to use CAT 2021 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Doctoral (Fellow) Programme(s) in Management.

5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualication of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.

6. All queries regarding post-CAT 2021 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.

7. CAT 2021 score is valid only until 31st December 2022 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31st December 2022 to download.

8. Webmail support cat2021@iima.ac.in & cathelpdesk@iimcat.co.in will be available till 31st March 2022.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Ritika Mugundan

Date of Birth: September 15, 2000

Most Recent Test Date: August 6, 2021

Registration Number: 9612541
Print Date: March 3, 2022

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Graduate Aptitude Test in Engineering (GATE)

अभियांत्रिकी स्नातक अभिक्षमता परीक्षा

Name of Candidate	ROHIT SRINIVAS R G
Parent's/Guardian's Name	RAAMAN M V
Registration Number	EC22S37404215
Date of Birth	01-Jan-2001
Examination Paper	Electronics and Communication Engineering (EC)

GATE Score:	425	Marks out of 100:		31	
All India Rank in this paper:	3995	Qualifying Marks*	General	EWS/OBC (NCL)	SC/ST/PwD
Number of Candidates Appeared in this paper:	54292		25.0	22.5	16.6

Valid up to 31st March 2025

Prof. Ranjan Bhattacharyya
Organising Chairman, GATE 2022
on behalf of NCB-GATE, for MoE

1f7fa1e472c5dd30ca5d5f74ebf63e01

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)
A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test
You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

---

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
$S_q = 350$, is the score assigned to M_q
$S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) − GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. Mr. Ravi,

Congratulations on being accepted into the prestigious Masters in Electrical & Computer Engineering program at Georgia Tech! We are pleased to offer you admission for the Fall 2022 semester on the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

Located in the Midtown Atlanta, Georgia Tech is in the heart of a diverse and vibrant metropolitan neighborhood. Our urban environment is ranked as a top city for internship opportunities, STEM professionals, and tech diversity. A dynamic, young city with world class museums, eclectic neighborhoods, and cosmopolitan restaurants and shops, Atlanta offers students a wealth of opportunities, not only for education and entertainment, but also for professional experience as well.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of official transcripts from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. You must have **at least** a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's proof of English Proficiency requirement.
4. Compliance with the University System of Georgia's requirement that students who are residing in the United States are Lawfully Present.

If additional documents are needed prior to your enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your Application Status Portal at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate community and wish you every success.

Sincerely,

Dr. Matthieu Bloch
Associate Professor
Georgia Institute of Technology

Georgia Tech | Graduate Studies

March 21, 2022

Ms. Ananthanarayanan,

Please carefully review the following details of your admission to Georgia Tech.

- This offer of admission is only valid for the Masters in Electrical & Computer Engineering program beginning in the Fall 2022 semester for the Atlanta campus.

- Please indicate your enrollment intentions by logging into your [Application Status Portal](#) and completing the Reply to Offer of Admission **as soon as possible**.

- This offer of admission is contingent upon the Office of Graduate Studies completing the application verification and evaluation process which can take between 6-8 weeks from the date that we receive all your required documents. In some cases, it can take up to 12 weeks depending on our volume. Please be patient as we are diligently working on your application. **Once your application has been verified, you will receive an email containing information on next steps and how you can continue with the enrollment process as a new Georgia Tech graduate student.**

- If you have not yet submitted your official/final academic documents, information on what we require and how you can submit them can be found on our [Application Documents](#) page. **Please Note:** You must have at least a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent earned from an institution authorized to award degrees by the appropriate government agency.

- If you have any questions regarding courses, financial assistance, or orientation, please contact the graduate coordinator of your admitting program.

Once again, congratulations on your admission to Georgia Tech.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

March 08, 2022

Vasanth Anand
Plot No 1039 73rd Street
12th Sector K.K.Nagar
Chennai 600078
India

UIN: 233004957

Dear Vasanth Anand,

Congratulations! It is my pleasure to inform you of your admission to Texas A&M University for the Fall 2022 semester to pursue a Master of Science in Industrial Engineering. Texas A&M's more than 3400 graduate faculty include winners of the Nobel, Wolf, Pulitzer, and National Medal of Science prizes, as well as members of the National Academy of Sciences, Engineering, and Medicine. Classified by The Carnegie Foundation as a "Doctoral/Research University-Extensive," Texas A&M ranks #1 in Texas and among the top tier of national universities in research expenditures, with more than $1 billion annually.

While this is your official admission letter, you *may* receive a separate letter directly from your program. With approval from the admitting program, admission to graduate studies remains valid for one year from the term of acceptance; however, if it is necessary to defer your admission, we ask that you make this request before the start of the Fall semester. For answers to any questions concerning your course of study, please contact the graduate advisor in your program.

Please check the Applicant Information System (AIS) via howdy.tamu.edu for any items needed to complete your application for admission. The Office of Admissions must receive all official transcripts (including those needed to replace uploaded transcripts) **before** you will be allowed to register for any classes for your first semester. Please review the information in AIS carefully, especially under the My Next Steps page. Academic Records from China must be verified by CHESICC and CDGDC.

International Student Services (ISS) issues the I-20 or DS-2019s for international students at Texas A&M University. Important information about applying for the I-20 or DS-2019, applying for a visa, and/or completing the ISS Check-In is located at http://iss.tamu.edu/Prospective-Students. All international students, anyone who is not a US citizen or permanent resident, should complete the ISS Check-In before the first class day. After reviewing the website, please direct questions regarding the I-20/DS-2019 process, applying for a visa, or completing the Check-In to ISS by email iss@tamu.edu or by phone at (979) 845-1824.

Within 24 hours after receiving the offer of admission, your TAMU Email box will be created. It is important that you monitor this new email box for important information from various campus offices. Please visit email.tamu.edu (or google.tamu.edu) to log into your TAMU Email account, and contact Help Desk Central at 979.845.8300 or helpdesk@tamu.edu for assistance if you encounter any problems.

On behalf of the faculty and administration, I am delighted to offer you this opportunity to share in the many rewarding educational and leadership opportunities offered by Texas A&M University. We look forward to seeing you on campus.

Sincerely,

Chris Reed
Executive Director of Admissions

March 31, 2022

Akash Sundar

Dear Akash,

Congratulations! I am delighted to inform you that you have been admitted to the Robotics, MSE Program at the University of Pennsylvania for the Fall 2022 term. As you know, this program is very competitive, and I congratulate you on your academic accomplishments.

In order to reserve your place, we ask that you complete the Admission Decision Form online and submit the non-refundable $300 acceptance deposit by April 15; we will continue to accept decisions through June 1. The acceptance fee will be credited to your student account when you matriculate. The Admission Decision form must be received no later than the end of the day on June 1.

Please note that we have not received some of your official application documents. After receipt of the Decision Form we will provide a list of these documents. Your offer of admission is contingent on our receipt and verification of these documents.

To prepare for your first semester, review this helpful checklist from our Graduate Student Center - https://gsc.upenn.edu/resources/new-students/new-student-checklist-faq. If you have questions about your program's requirements or opportunities, please see the contact information below for the Graduate Program Coordinators:

- Bioengineering - ereavy@seas.upenn.edu
- Biotechnology - biotech@seas.upenn.edu
- Chemical and Biomolecular Engineering - kenlam@seas.upenn.edu
- Computer and Information Science - redian@seas.upenn.edu

Executive Director of Admissions

March 23, 2022

Dear Ashwinkumaran,

Congratulations! Based on your excellent academic record, we are pleased to offer you admission to the Master of Science program in Mechanical Engineering for the Autumn 2022-23 quarter. The Admissions Committee members are favorably impressed with your credentials and hope that you will join Stanford for your graduate studies in the fall.

If you accept our offer, you must respond electronically. To do so, you will need to establish a Stanford University ID (SUNet ID) at https://gradadmissions.stanford.edu/admitted-students. You will be asked for your student ID, a unique number assigned to your academic record. Your student ID is ⬛⬛⬛⬛⬛⬛⬛ Your SUNet ID will also enable you to apply for on campus housing online, if you so desire. We would appreciate hearing your decision as soon as possible, but no later than May 1st, 2022.

All offers are contingent on the verification of the fulfillment of admission requirements by Graduate Admissions, Student and Academic Services. If you accept our offer of admission, your application including official transcripts/academic records will be forwarded to Graduate Admissions for review. They will notify you of any final credentials not yet received and, if applicable, approve the I-20/DS-2019 request upon completion of review. Graduate Admissions will authorize your enrollment only after verifying the fulfillment of University admission requirements.
Unfortunately, the number of applicants for financial assistance has far exceeded the support available, and therefore we are not able to offer you funding. Please keep in mind that you have been enthusiastically admitted, and we sincerely hope that you will be able to join us this fall.

We will host a **virtual MS Admit Day** for our admitted MS students to connect with ME faculty, staff, and current students on **Wednesday, April 6, 2022**. You will receive a detailed invitation via email early next week.

We believe you and Stanford have a great deal to offer each other. We can provide you with a rewarding scholarly environment, excellent faculty, world-class research facilities, and arguably the very best graduate student peers in the world. We hope that you will choose to pursue your

graduate work at Stanford University. If you have any questions, please contact us at levenston@stanford.edu or jessicareeves@stanford.edu.

Sincerely,

Marc Levenston, Ph.D.

Penn State IME Graduate Admission Decision
1 message

imegradoffice@psu.edu <imegradoffice@psu.edu>   Thu, Feb 24, 2022 at 2:03 AM
To: DBALAJIADITHYA2820@gmail.com

Congratulations!

I am pleased to inform you of your admission to the Graduate Program in the Department of Industrial and
Manufacturing Engineering at The Pennsylvania State University for the Fall 2022 semester. Admission is being
granted without financial aid, pending verification of your academic and financial credentials.

It is unfortunate that we do not have the ability to fund every outstanding applicant, and we hope that you will find a
financial means to attend our program. If you accept this offer of admission, you will be expected to finance your
entire program of study, and you will be required to provide a financial guarantee of $57,600.00. Further details on
the required financial guarantee can be found at https://global.psu.edu/node/292.

If you intend to join our graduate program and are able to satisfy the financial guarantee requirements, please accept
the admission by clicking the Accept button on your Penn State application status page. The deadline to accept
admission is April 15, 2022. Once an acceptance is indicated, Pre-Arrival Advising, a unit within the Directorate of
International Student and Scholar Advising (DISSA), will contact you via email with instructions to complete the visa
documentation process.

As an international student, you will be expected to arrive at Penn State, in State College (University Park),
Pennsylvania in time to attend the International Student Orientation. Further details for the international orientation
will be communicated through the Graduate School. Orientation and other helpful information can also be found at
https://global.psu.edu/category/international-student-orientation-iso.

We will be contacting you at a later date with information on the mandatory departmental orientation. You can contact
the IME Graduate Office via phone at +1-814-863-1269 or via email at imegradoffice@psu.edu.

Sincerely,
Dr. Jose Ventura
Distinguished Professor of Industrial Engineering
Interim Graduate Program Coordinator

CHANDRASEKAR MURALIBABU BHARATH BABU

600096 CHENNAI
INDIA

POLITECNICO
MILANO 1863

Pers. Code 10888473

Milano, 01/03/2022

Dear/*Gentile* CHANDRASEKAR MURALIBABU BHARATH BABU,

It is my pleasure to inform you that on 01/03/2022 you have been admitted to the Politecnico di Milano as a graduate student at the MILANO BOVISA Campus in our Laurea Magistrale (equivalent to a Master of Science) in MECHANICAL ENGINEERING taught in English.

The programme lasts for two years and classes start in September 2022. For courses taught entirely in English, the knowledge of Italian language is not required.

Politecnico di Milano will assist you in finding accommodation and in taking out a health insurance after your arrival in Italy if necessary. The cost of this insurance is about 150 € per year. For any information regarding enrolment procedures, health insurance, tuition fees and general information about your arrival in Italy you can WRITE TO US
No hard copy of the admission letter will be sent, this electronic copy (PDF file) is an official document and it is valid until October 2022 for any purpose permitted by law.

Please, check the next steps to be taken, and the list of documents required in order to complete the enrolment on our website. We remind you that NON-EEA students residing abroad must complete their pre-enrolment/visa application on www.universitaly.it according to the deadlines available online.

IMPORTANT: In case the documents requested, including the original copy of the language certificate, are not provided upon enrolment, your admission will be considered null and void.

Sono lieto di informarLa che in data 01/03/2022 è stato/a ammesso/a al Politecnico di Milano come studente/ssa del corso di Laurea Magistrale in MECHANICAL ENGINEERING presso il campus di MILANO BOVISA insegnato in lingua inglese.

Il corso ha durata biennale e le lezioni inizieranno nel mese di Settembre 2022. Per i corsi tenuti in lingua Inglese non è richiesta alcuna conoscenza della lingua italiana.

Al momento del Suo arrivo in Italia, se necessario, il Politecnico di Milano La assisterà nel trovare un alloggio e a stipulare un'assicurazione sanitaria del costo di circa 150 € l'anno. Per tutte le informazioni relative a procedure di immatricolazione, assicurazione sanitaria, tasse e arrivo in Italia può SCRIVERCI
Non sarà inviata alcuna copia cartacea della lettera di ammissione, questa copia elettronica (PDF) è un documento ufficiale valido fino a Ottobre 2022 per ogni fine consentito dalla legge.

La preghiamo di verificare sul nostro sito i successivi passaggi e la lista dei documenti richiesti per completare l'immatricolazione. Le ricordiamo che gli studenti NON-EEA residenti all'estero devono completare la loro pre-iscrizione/richiesta di visto sul sito www.universitaly.it in base alle scadenze indicate sul sito.

IMPORTANTE: In caso di mancata presentazione dei documenti richiesti al momento dell'immatricolazione, incluso copia del certificato di lingua in originale, l'ammissione sarà invalidata.

Kind Regards/*Cordiali saluti*

30 May 2022

Congratulations Dharshan M,

Nottingham ID Number	-	20504098
Application Number	-	10672961
Course Details	-	MSc Sustainable Energy Engineering

Your application to study at the University of Nottingham has been successful.

This is the day it all begins, and we can't wait for you to join us. All you need to do now is make it official.

[Accept your offer now]

Remember, your offer will expire 6 weeks after the date on this letter, so don't leave it too late.

What now?

- Check the full details of your offer below
- Go to [NottinghamHub] to upload any required documents
- Have original copies of these documents ready in case we need to see them at registration
- Make sure to [accept your offer] within 6 weeks of this letter's date
- Find out more about [fees] and financial support

About your offer

We'll issue a Confirmation of Acceptance of Studies (CAS) letter to support your visa application four months before your start date, but you'll need to [accept your offer] and pay any required deposit first.

This offer is for your academic course only, with no funding attached. If you have applied for funding, this information will be sent to you separately. You can also find out more about postgraduate funding options and financial support on our website.

Any questions?

We're really looking forward to welcoming you here soon. If you have any problems or questions, contact us with your full name, course title and application ID, and we'll be happy to help.

Yours sincerely,

Dave Feeley
Head of Direct Admissions, External Relations

Offer	:	Unconditional Offer
Offer Made to	:	Dharshan M
Course	:	MSc Sustainable Energy Engineering
Mode of Study	:	Full Time
Start Date	:	26-Sep-22
Expected End Date	:	26-Sep-23
Fee Status	:	International
Tuition Fee	:	26,500.00 GBP**
Assumed Credits (for tuition fee)	:	180***

Please note that the University may request to see originals or certified copies of any your declared qualifications at any point during your study. Should you be required to show documents at registration, this requirement will be added to NottinghamHub in advance of the registration event.

Other Requirements: You are being awarded a high achievers offer due to the high grades already achieved in your degree. We require all applicants to successfully complete all qualifications currently being undertaken. If you require a CAS (Confirmation of Acceptance of Studies) you will be required to send us scanned proof of successful completion of your bachelor degree before we will be able to issue your CAS.

Deposit Requirements: CAS deposit of £2000 GBP payable a minimum of 15 days before your start date. More details are available on our [visa webpage](.).

All deposit fees paid will be offset against the tuition fee when you register on your course.

The terms and conditions relating to our offer are set out in the attached document.

March 14, 2022

gtID: 903808345
Gautam Ramesh
No.4, Balaji Manor, 9th Cross Avenue, Dhandeeswaram Nagar, Velachery
Chennai, Tamil Nadu 600042
India

Mr. Ramesh,

Congratulations on being accepted into the prestigious Masters in Robotics (Electrical & Computer Engineering) program at Georgia Tech! We are pleased to offer you admission for the Fall 2022 semester on the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

Located in the Midtown Atlanta, Georgia Tech is in the heart of a diverse and vibrant metropolitan neighborhood. Our urban environment is ranked as a top city for internship opportunities, STEM professionals, and tech diversity. A dynamic, young city with world class museums, eclectic neighborhoods, and cosmopolitan restaurants and shops, Atlanta offers students a wealth of opportunities, not only for education and entertainment, but also for professional experience as well.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of official transcripts from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. You must have **at least** a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's proof of English Proficiency requirement.
4. Compliance with the University System of Georgia's requirement that students who are residing in the United States are Lawfully Present.

If additional documents are needed prior to your enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your Application Status Portal at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate

community and wish you every success.

Sincerely,

Dr. Matthieu Bloch
Associate Professor
Georgia Institute of Technology

March 14, 2022

Mr. Ramesh,

Please carefully review the following details of your admission to Georgia Tech.

- This offer of admission is only valid for the Masters in Robotics (Electrical & Computer Engineering) program beginning in the Fall 2022 semester for the Atlanta campus.

- Please indicate your enrollment intentions by logging into your Application Status Portal and completing the Reply to Offer of Admission **as soon as possible**.

- This offer of admission is contingent upon the Office of Graduate Studies completing the application verification and evaluation process which can take between 6-8 weeks from the date that we receive all your required documents. In some cases, it can take up to 12 weeks depending on our volume. Please be patient as we are diligently working on your application. **Once your application has been verified, you will receive an email containing information on next steps and how you can continue with the enrollment process as a new Georgia Tech graduate student.**

- If you have not yet submitted your official/final academic documents, information on what we require and how you can submit them can be found on our Application Documents page. **Please Note:** You must have at least a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent earned from an institution authorized to award degrees by the appropriate government agency.

- If you have any questions regarding courses, financial assistance, or orientation, please contact the graduate coordinator of your admitting program.

Once again, congratulations on your admission to Georgia Tech.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

Subject :   Confirmation of registration

Dear Sir,

Following the receipt of your registration form and the down payment on tuition fees, we are pleased to confirm your enrollment for the academic years 2022-2023 and 2023-2024 in the **Master in Aerospace Engineering (ISAE-SUPAERO) at ISAE-SUPAERO.**

The registration day will take place on: **September 9th, 2022 at 10:30 am**
at ISAE-SUPAERO Campus, in Lectures Building 3 (Henri Fabre), upper floor, room 11.114.

In case of withdrawal, we would like to inform you that the 1000 Euros down payment on tuition fees will not be reimbursed. In addition, you will not be allowed to postpone your studies. Should you wish to apply again for this Master next year, you will have to submit a new application form which will be examined by next year admission committee.

Please, read carefully the attached documents which will help you on your arrival in Toulouse.

Yours sincerely,

Dear Mr. Albin,

I am delighted to inform you that your application to study at Durham University as a postgraduate student has been successful. This letter contains very important information concerning your offer; please read it carefully. You must also read the additional information relating to your offer and preparing to study at Durham University which can be found on our website at www.durham.ac.uk/postgraduate/offerinformation

The summary details of your offer are as follows:

Programme	MSC Management (Supply Chain Logistics) N2P909
Department / School	Management and Marketing
Plan Of Study	Full Time
ATAS Statement	Not Applicable
Start Date	26 September 2022
Duration	1 year(s)
End Date	30 September 2023
Conditions	• Successfully complete your Bachelor degree with a final overall result of 60% or more. Overseas applicants must send a certified translated copy.
Fee Status	Overseas
Fees	£27000 for academic year 2022/23.
Deposit	£2000 for academic year 2022/23. All self-financed PGT students are required to pay a tuition fee deposit. The deposit will be offset against the cost of your tuition fees. Should you change your mind, you can request a refund within 7 days of payment. After this time, the deposit is non-refundable unless you fail to meet the academic conditions of your offer or are unable to obtain a visa. Please note that failure to pay the deposit by the date indicated may result in your offer being withdrawn.
Deposit due date	02 January 2022

For any conditions detailed above, please supply us with documentary evidence (original or certified copies) that you have met these conditions, as soon as it is available. This information can be uploaded via the applicant portal.

This offer letter only confirms your academic place on a programme. Full terms and conditions can be found at www.dur.ac.uk/termsandconditions/. Students who have applied for, or are in receipt of, financial awards from Durham University will receive a separate communication confirming the terms and conditions of the award.

Please note that the personal information provided by you to Durham University will be used only for the purposes of processing your application. Following acceptance of your offer, the University will add further data at registration and then during the course of your education at Durham University, in line with the business purposes outlined in our Data Protection Notification and Data Protection Policy, available at www.durham.ac.uk/data.protection/policy

Overseas applicants will receive a separate communication regarding the information that will be required for their visa application. Please do not try to use this offer letter to apply for a visa as it will result in your visa application being refused.

Kind Regards,

Jill Howarth
Postgraduate Admissions Manager, Durham University

TEXAS A&M
UNIVERSITY

India

UIN: 532008864

Dear Prasana Kannan,

Congratulations! It is my pleasure to inform you of your admission to Texas A&M University for the Fall 2022 semester to pursue a Master of Science in Mechanical Engineering. Texas A&M's more than 3400 graduate faculty include winners of the Nobel, Wolf, Pulitzer, and National Medal of Science prizes, as well as members of the National Academy of Sciences, Engineering, and Medicine. Classified by The Carnegie Foundation as a "Doctoral/Research University-Extensive," Texas A&M ranks #1 in Texas and among the top tier of national universities in research expenditures, with more than $1 billion annually.

While this is your official admission letter, you *may* receive a separate letter directly from your program. With approval from the admitting program, admission to graduate studies remains valid for one year from the term of acceptance; however, if it is necessary to defer your admission, we ask that you make this request before the start of the Fall semester. For answers to any questions concerning your course of study, please contact the graduate advisor in your program.

Please check the Applicant Information System (AIS) via howdy.tamu.edu for any items needed to complete your application for admission. The Office of Admissions must receive all official transcripts (including those needed to replace uploaded transcripts) **before** you will be allowed to register for any classes for your first semester. Please review the information in AIS carefully, especially under the My Next Steps page. Academic Records from China must be verified by CHESICC and CDGDC.

International Student Services (ISS) issues the I-20 or DS-2019s for international students at Texas A&M University. Important information about applying for the I-20 or DS-2019, applying for a visa, and/or completing the ISS Check-In is located at http://iss.tamu.edu/Prospective-Students. All international students, anyone who is not a US citizen or permanent resident, should complete the ISS Check-In before the first class day. After reviewing the website, please direct questions regarding the I-20/DS-2019 process, applying for a visa, or completing the Check-In to ISS by email iss@tamu.edu or by phone at (979) 845-1824.

Within 24 hours after receiving the offer of admission, your TAMU Email box will be created. It is important that you monitor this new email box for important information from various campus offices. Please visit email.tamu.edu (or google.tamu.edu) to log into your TAMU Email account, and contact Help Desk Central at 979.845.8300 or helpdesk@tamu.edu for assistance if you encounter any problems.

On behalf of the faculty and administration, I am delighted to offer you this opportunity to share in the many rewarding educational and leadership opportunities offered by Texas A&M University. We look forward to seeing you on campus.

Sincerely,

Chris Reed
Executive Director of Admissions

INDIEN

Stuttgart, 28. April 2022

Ihre Bewerbung zum Wintersemester 2022/23, Antragsnummer 1-00385926

ZULASSUNGSBESCHEID

Sehr geehrter Herr Kishore Muthunarayanan Gopinath,

wir freuen uns, dass wir Sie zum Wintersemester 2022/23 im Studiengang
Computational Mechanics of Materials and Structures (COMMAS), Master of Science, im 1. Fachsemester
zulassen können. Herzlich willkommen!

Für diese Zulassung gelten folgende Einschreibevoraussetzungen bzw. Auflagen:

* Vorlage des "Bachelorzeugnis"

Wenn Sie vor dieser Bewerbung bereits studiert haben, steht die Zulassung unter dem Vorbehalt, dass Sie den Prüfungsanspruch in obigem oder einem verwandten Studiengang nicht verloren haben, was durch den Prüfungsausschuss im Rahmen der Einschreibung festgestellt wird.

Sie können sich ab dem 01. März in das Sommersemester und ab dem 01. September in das Wintersemester einschreiben.
Wenn Sie sich im Wintersemester 2022/23 einschreiben wollen, muss der **Antrag auf Einschreibung** in C@MPUS heruntergeladen, vollständig ausgefüllt, unterschrieben und mit den geforderten Unterlagen (siehe Dokumentenliste in C@MPUS) bis zum **15. November 2022** bei der Universität Stuttgart eingereicht werden.
Zur Einschreibung muss eine amtlich beglaubigte Kopie des Bachelorzeugnisses vorgelegt werden. Die Einschreibung erfolgt erst, wenn

zudem die fälligen Beiträge und Gebühren (siehe C@MPUS) bei der Universität Stuttgart eingegangen sind.

Wenn Ihr Bachelorabschluss noch nicht vorliegt, können Sie auch ohne Bachelorabschluss die Einschreibung in das Wintersemester 2022/23 beantragen und damit unter Vorbehalt in das Masterstudium eingeschrieben werden. Das Bachelor-Studium muss jedoch spätestens bis Semesterende abgeschlossen sein und das Bachelorzeugnis bis 31. März 2023 nachgereicht werden, ansonsten werden Sie rückwirkend exmatrikuliert.

Starten Sie an der Universität Stuttgart durch!
Über die Webseite zum Studienbeginn finden Sie alle Informationen, die Sie für einen gelungenen Start benötigen: Einführungsveranstaltungen, Ansprechpersonen, Anleitungen zu digitalen Angeboten, Hinweise zu Gebühren und vieles mehr:
https://www.student.uni-stuttgart.de/studienbeginn/

Für Ihr Studium an der Universität Stuttgart wünschen wir Ihnen viel Erfolg!

Mit freundlichen Grüßen
Ihr Team im Dezernat Studium

Stuttgart, 28. April 2022

Your application for Winter semester 2022/23, Application number 1-00385926

LETTER OF ADMISSION

Dear Kishore Muthunarayanan Gopinath,

We are pleased to inform you that you have been accepted to the Master's study program **Computational Mechanics of Materials and Structures (COMMAS), Master of Science** starting Winter semester 2022/23. Welcome!

You have received a letter of conditional admission. For this particular admission, the following requirements must be fulfilled/the following documents must be submitted:
* Submission of 'Bachelor's Degree Certificate'

If you already pursued university studies before your application, you can only be admitted to the study program provided you have not lost the right to admission to examinations in the Master's study program mentioned above.

Enrollment for study programs beginning in the summer semester is possible from March onwards, for study programs beginning in the winter semester from September onwards.
In order to enroll, you need to download and complete the application for enrollment in C@MPUS, sign it and then submit it to the Admissions Office (Division Students' Affairs) including all required documents (see list of

documents) by the end of the enrollment deadline **15. November 2022**.
Additionally your semester fee need to have arrived by at the University of
Stuttgart upon enrollment. Otherwise, enrollment will not be possible and you
will not receive your certificate of enrollment.
Please do not forget to attach a certified copy of your Bachelor's degree (in
German or English).

You may request for a conditional enrollment for the Winter semester 2022/23
provided you complete your Bachelor's study and provide proof of your
Bachelor's degree to the Division Students' Affairs by 31. March 2023 the latest.
If you fail to do so, you will be de-registered with retroactive effect to the date of
your conditional enrollment.

Get started at the University of Stuttgart!
The website "Get your studies off to a perfect start" guides you through the
first steps after arriving at the University of Stuttgart: https://www.student.uni-
stuttgart.de/en/startingout/international/perfect-start/

Success with your studies at the University of Stuttgart!

With kind regards
Your team of Division 3 – Students' Affairs

Notice:
This Letter of Admission is considered as a valid certificate for official and legal
authorities.
The Master's program Computational Mechanics of Materials and Structures
(COMMAS) is designed for a period of four semesters and will be offered as an
on-site-program.
The language of instruction is English.
For further regulations, please refer to the Study and Examination
Regulations, which can be found on the website of your Master's study
program: https://www.uni-stuttgart.de/studium/studienangebot/studiengang/
Computational_Mechanics_of_Materials_and_Structures_xCOMMASx_M.Sc./

According to § 37 Section 5 LVwVfG BW/State Administration Act, this
computer generated notification is valid without a signature or seal/stamp.

Rechtsverbindlich ist der Bescheid in der deutschen Fassung!
The German version of the notification will be mandatory!

Information on rights of appeal

An appeal may be filed against this decision withing one month of its announcement at Verwaltungsgericht Stuttgart.

India

UCLA ID: 605930221

Dear Monish Raahul Gowrishankar

Congratulations! As the Dean of the Graduate Division, I am pleased to extend your official offer of admission
to the Mechanical Engineering MS program at UCLA for the Fall of the 2022-2023 academic year. You have
been selected from a pool of exceptionally qualified applicants based on your academic achievements and
potential for advanced scholarship.

If you applied or are being considered for a fellowship, teaching assistantship or research assistantship, your
graduate program will inform you of the status of any award or appointment.

Action Items

- The **Graduate Admission Checklist** will tell what you need to do to matriculate as a student at UCLA.

- The deadline to accept this offer of admission was indicated in the letter you received from the
  department to which you applied. Please be sure to complete the **Statement of Intention to Register
  (SIR)** and **Statement of Legal Residence (SLR)** on the **MyUCLA** web page by that date. All students
  who intend to enroll at UCLA must complete the SLR.

- To finalize your admission, you must submit your final, official documentation from your baccalaureate
  institution showing that you have met admissions requirements. Your official documents must be
  received by your graduate program before the start of the term. More information can be found on your
  Graduate Admissions portal.
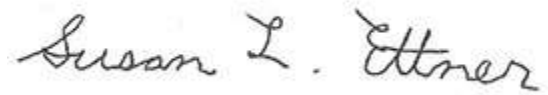

UCLA is one of the nation's most outstanding public universities, a hub that links our dynamic metropolis to the
Pacific Rim and the global community of scholars in every field. Our students and faculty address broad
societal questions, pioneer new technologies, advance medical knowledge and public health, excel in the arts,
create new fields of interdisciplinary scholarship, and enrich our community. We hope that UCLA will be the
place where you choose to continue your education and follow your path of discovery.

I encourage you to learn more about the program to which you have been admitted, our campus, and the Los Angeles area by visiting UCLA either through our online resources or in person. If you accept this offer of admission, we will do our best to help you feel at home. The Graduate Division staff have prepared **orientation information** for new students, and the staff in your department and at the Graduate Student Association fall orientation event will introduce you to a wide range of academic, professional, social and cultural resources. Please accept my best wishes for success in your graduate studies. I look forward to welcoming you to UCLA.

Go Bruins!

With best wishes,

Susan L. Ettner
Dean, Graduate Division

Texas A&M's more than 3400 graduate faculty include winners of the Nobel, Wolf, Pulitzer, and National Medal of Science prizes, as well as members of the National Academy of Sciences, Engineering, and Medicine. Classified by The Carnegie Foundation as a "Doctoral/Research University-Extensive," Texas A&M ranks #1 in Texas and among the top tier of national universities in research expenditures, with more than $1 billion annually.

While this is your official admission letter, you *may* receive a separate letter directly from your program. With approval from the admitting program, admission to graduate studies remains valid for one year from the term of acceptance; however, if it is necessary to defer your admission, we ask that you make this request before the start of the Fall semester. For answers to any questions concerning your course of study, please contact the graduate advisor in your program.

Please check the Applicant Information System (AIS) via howdy.tamu.edu for any items needed to complete your application for admission. The Office of Admissions must receive all official transcripts (including those needed to replace uploaded transcripts) **before** you will be allowed to register for any classes for your first semester. Please review the information in AIS carefully, especially under the My Next Steps page. Academic Records from China must be verified by CHESICC and CDGDC.

International Student Services (ISS) issues the I-20 or DS-2019s for international students at Texas A&M University. Important information about applying for the I-20 or DS-2019, applying for a visa, and/or completing the ISS Check-In is located at http://iss.tamu.edu/Prospective-Students. All international students, anyone who is not a US citizen or permanent resident, should complete the ISS Check-In before the first class day. After reviewing the website, please direct questions regarding the I-20/DS-2019 process, applying for a visa, or completing the Check-In to ISS by email iss@tamu.edu or by phone at (979) 845-1824.

Within 24 hours after receiving the offer of admission, your TAMU Email box will be created. It is important that you monitor this new email box for important information from various campus offices. Please visit email.tamu.edu (or google.tamu.edu) to log into your TAMU Email account, and contact Help Desk Central at 979.845.8300 or helpdesk@tamu.edu for assistance if you encounter any problems.

On behalf of the faculty and administration, I am delighted to offer you this opportunity to share in the many rewarding educational and leadership opportunities offered by Texas A&M University. We look forward to seeing you on campus.

Sincerely,

Chris Reed

Nationality:	Indian

Dear **NAZIR HUSSAIN A**

Congratulations!

We are pleased to offer you admission to our **Post Graduate Programme in Management (PGP)**, for the session 2022-24. The academic year commences on June 25, 2022. This offer is conditional, subject to your fulfilling the eligibility conditions stipulated in the CAT 2021 website. Your result has been processed based on the information provided by you in the (i) CAT 2021 Application Form and (ii) supporting documents. However, your admission shall be cancelled, in case, at any stage, your bonafide documents are found to be false.

Please note the following points:

1. Acceptance: Your acceptance in the prescribed form along with the proof of payment of ₹1,00,000 should be uploaded on the portal of IIM Lucknow, latest by the last date of acceptance. Failure to do so shall result in withdrawal of this offer. This amount will be adjusted against the fee payable by you for Term-I of PGP.

2. Accomodation: IIM Lucknow provides only a single seater accommodation during the duration of the programme.

3. Fees: The yearly expenses on tuition, computer use, room rent, teaching material, and other fees would be approximately ₹10,95,000, for the 1st year of the programme. This fee does not cover personal expenses on food, travel, clothing, laundry, among others. The fee component is payable in three equal instalments during the academic year, and refundable deposites fee is to be paid once along with Term-I fees.

4. Registration, and the Preparatory course in Mathematics : The candidates must report latest by 2:00 P.M. on June 24, 2022 at the Students Affairs Office, IIM Lucknow Campus. The registration will take place on June 28-29, 2022. Failure to register by the stipulated time will be construed as withdrawal of the candidature, and the right of admission will be forfeited. IIML offers a two-week Preparatory Course in Mathematics. The details of this course are available in the Guidelines to candidates on the IIML admission status portal. In case it is mandatory for you to attend the Preparatory Course, you must report latest by 2:00 P.M. on June 11, 2022 at the Students Affairs Office, IIM Lucknow Campus.

5. Withdrawal : In case you decide to withdraw from the programme of IIM Lucknow after remitting the acceptance fee of ₹1,00,000, you must submit your request online after login into your account on the portal of IIM Lucknow, latest by June 27, 2022. The initial deposit will be refunded after deducting a processing fee of ₹ 1,000. Failure to submit your withdrawal request online within the stipulated date will not be considered and no further refund request shall be entertained.

6. Loan Facility : IIML has made arrangements with some banks to provide education loan to all needy candidates to meet their educational expenses, subject to meeting the stipulated conditions. Please refer to the Important Contact Details document available in the guidelines.

7. Legal Issues : All disputes arising out of, or in respect of admission to the Post Graduate Programmes shall be referred for the arbitration to the Director of IIM Lucknow, or the person nominated by the director, whose decision shall be final and binding on the parties. All matters shall be subject to Lucknow Jurisdiction only.

8. Documents : Bring the original transcripts, work experience certificate(s) and caste certificate along with their photocopies as and when you come to the campus for the verification to be done at IIM Lucknow campus.

Important : This is a provisional offer, subject to your fulfilling the eligibility criteria including the completion of all the relevant examinations by June 30, 2022.

With best wishes,

Yours sincerely,

(Sanjeet Singh)

Pratulya Ramprasad
D1 Ceebros Sumana,4th Floor Bishop Garden Extn.
R.A. Puram Chennai, Tamil Nadu, India 600028
pratulya.ramprasad@gmail.com

Dear Pratulya,

Congratulations! Texas A&M's Department of Materials Science & Engineering (MSEN) is delighted to admit you to the Master's program; your anticipated start date is August 24th for the upcoming Fall 2022 semester. Your admission offer is recognition of your accomplishments and your promise as a future research leader and will remain in effect until 5 PM central time on **April 15th, 2022**. We ask that you please inform us before then of your intention to accept or decline the admission offer by completing the MSEN Intent Notification Google Form.

Texas A&M University (TAMU) is a top-tier research institution of higher education with more than 70,000 students, hosting world-class research programs and award-winning faculty. The MSEN Department is home to over 200 graduate students, 25 full-time and joint faculty members, and over affiliated faculty members performing cutting-edge materials research.

It is at your discretion to pursue the **Master of Science (M.S) Thesis, M.S. Non-Thesis,** or **Master of Engineering (M.Eng) Non-Thesis**. It will be determined when you submit your degree plan upon the completion of your first semester. Both non-thesis and thesis students are required to submit a degree plan during the second semester. The degree plan submission is a milestone in earning your degree and cannot be completed until you have obtained a faculty advisor. This information will be reviewed further during the Graduate New Student Orientation— Spring admits attend orientation in Fall 2022 (August).

- *If you intend to be a **thesis student**, you will need a faculty advisor to supervise your research regardless of whether you are looking for a Graduate Research Assistantship (GAR). To enroll in research credit, you must have a faculty advisor—thesis students are strongly advised to find one before the end of their first semester. Thesis students will conduct research, submit a thesis proposal, written thesis, and have an oral defense under a faculty advisor and committee's supervision.*

- *If you intend to be a **non-thesis** student, you will not take research credit, submit a written thesis, or have an oral defense. You will not have a committee; however, you will still need a faculty advisor.*

The majority of students seeking an M.S. or M.Eng degree at MSEN are **self-supported**. However, there are several opportunities for financial support admitted students are welcome to explore. This letter serves to inform you of these opportunities but does not constitute a guarantee of support. It is highly recommended that students visit the **financial support** webpage to learn how to finance their graduate degree and find a faculty advisor.

Students who intend to pursue **thesis option** must contact the faculty directly to inquire about opportunities to join their research group. Students are encouraged to begin with faculty in their area(s) of interest and then expand beyond to allow the greatest probability of placement. The hyperlinks will provide a list of core faculty by expertise areas with descriptions of their research interests, and you may also explore our affiliated faculty.

Finding a mentor whose qualities match your learning and work style and ambition or funding needs is of the utmost importance— choosing a faculty advisor is a **mutual agreement** between both the faculty and the student. MSEN is happy to help connect students with faculty and assists the process by sharing all newly admitted applicant files with faculty and making recommendations to faculty— ultimately, it is the <u>student's responsibility to obtain a faculty advisor</u>. It is the first milestone requirement to complete the degree— ideally, students are expected to find a faculty advisor before classes begin but no later than the end of the first semester to <u>maintain satisfactory degree completion progress</u>

- *The M.S. Thesis degree plan is 30 credit hours (including research)— average completion of 2.5- 3 years.*
- *The M.S. or M.Eng Non-Thesis degree plans are 30 credit hours (no research)— average completion of 2- 2.5 years.*

We are eager for you to join the Aggie family and look forward to your positive response. If you have any questions or need additional information, please contact our Graduate Program Advisor, Ms. Erin Bandza, at <u>msen-advising@tamu.edu</u>.

Universität Stuttgart

Universität Stuttgart • Dez. 3 • 70550 Stuttgart • Deutschland

Herrn
Ragul Devrajan
45, Springfield Valley, Kovaipudur
641042 Coimbatore
INDIEN

Stuttgart, 28. April 2022

Ihre Bewerbung zum Wintersemester 2022/23, Antragsnummer 1-00386199

ZULASSUNGSBESCHEID

Sehr geehrter Herr Ragul Devrajan,

wir freuen uns, dass wir Sie zum Wintersemester 2022/23 im Studiengang
**Computational Mechanics of Materials and Structures (COMMAS), Master
of Science, im 1. Fachsemester**
zulassen können. Herzlich willkommen!

Für diese Zulassung gelten folgende Einschreibevoraussetzungen bzw.
Auflagen:

* Vorlage des "Bachelorzeugnis"

Wenn Sie vor dieser Bewerbung bereits studiert haben, steht die Zulassung
unter dem Vorbehalt, dass Sie den Prüfungsanspruch in obigem oder
einem verwandten Studiengang nicht verloren haben, was durch den
Prüfungsausschuss im Rahmen der Einschreibung festgestellt wird.

Sie können sich ab dem 01. März in das Sommersemester und ab dem 01.
September in das Wintersemester einschreiben.
Wenn Sie sich im Wintersemester 2022/23 einschreiben wollen, muss der
Antrag auf Einschreibung in C@MPUS heruntergeladen, vollständig
ausgefüllt, unterschrieben und mit den geforderten Unterlagen (siehe
Dokumentenliste in C@MPUS) bis zum **15. November 2022** bei der Universität
Stuttgart eingereicht werden.
Zur Einschreibung muss eine amtlich beglaubigte Kopie des
Bachelorzeugnisses vorgelegt werden. Die Einschreibung erfolgt erst, wenn

zudem die fälligen Beiträge und Gebühren (siehe C@MPUS) bei der Universität Stuttgart eingegangen sind.

Wenn Ihr Bachelorabschluss noch nicht vorliegt, können Sie auch ohne Bachelorabschluss die Einschreibung in das Wintersemester 2022/23 beantragen und damit unter Vorbehalt in das Masterstudium eingeschrieben werden. Das Bachelor-Studium muss jedoch spätestens bis Semesterende abgeschlossen sein und das Bachelorzeugnis bis 31. März 2023 nachgereicht werden, ansonsten werden Sie rückwirkend exmatrikuliert.

Starten Sie an der Universität Stuttgart durch!
Über die Webseite zum Studienbeginn finden Sie alle Informationen, die Sie für einen gelungenen Start benötigen: Einführungsveranstaltungen, Ansprechpersonen, Anleitungen zu digitalen Angeboten, Hinweise zu Gebühren und vieles mehr:
https://www.student.uni-stuttgart.de/studienbeginn/

Für Ihr Studium an der Universität Stuttgart wünschen wir Ihnen viel Erfolg!

Mit freundlichen Grüßen
Ihr Team im Dezernat Studium

Stuttgart, 28. April 2022

Your application for Winter semester 2022/23, Application number 1-00386199

LETTER OF ADMISSION

Dear Ragul Devrajan,

We are pleased to inform you that you have been accepted to the Master's study program **Computational Mechanics of Materials and Structures (COMMAS), Master of Science** starting Winter semester 2022/23. Welcome!

You have received a letter of conditional admission. For this particular admission, the following requirements must be fulfilled/the following documents must be submitted:
* Submission of 'Bachelor's Degree Certificate'

If you already pursued university studies before your application, you can only be admitted to the study program provided you have not lost the right to admission to examinations in the Master's study program mentioned above.

Enrollment for study programs beginning in the summer semester is possible from March onwards, for study programs beginning in the winter semester from September onwards.
In order to enroll, you need to download and complete the application for enrollment in C@MPUS, sign it and then submit it to the Admissions Office (Division Students' Affairs) including all required documents (see list of

documents) by the end of the enrollment deadline **15. November 2022**.
Additionally your semester fee need to have arrived by at the University of
Stuttgart upon enrollment. Otherwise, enrollment will not be possible and you
will not receive your certificate of enrollment.
Please do not forget to attach a certified copy of your Bachelor's degree (in
German or English).

You may request for a conditional enrollment for the Winter semester 2022/23
provided you complete your Bachelor's study and provide proof of your
Bachelor's degree to the Division Students' Affairs by 31. March 2023 the latest.
If you fail to do so, you will be de-registered with retroactive effect to the date of
your conditional enrollment.

Get started at the University of Stuttgart!
The website "Get your studies off to a perfect start" guides you through the
first steps after arriving at the University of Stuttgart: https://www.student.uni-
stuttgart.de/en/startingout/international/perfect-start/

Success with your studies at the University of Stuttgart!

With kind regards
Your team of Division 3 – Students' Affairs

Notice:
This Letter of Admission is considered as a valid certificate for official and legal
authorities.
The Master's program Computational Mechanics of Materials and Structures
(COMMAS) is designed for a period of four semesters and will be offered as an
on-site-program.
The language of instruction is English.
For further regulations, please refer to the Study and Examination
Regulations, which can be found on the website of your Master's study
program: https://www.uni-stuttgart.de/studium/studienangebot/studiengang/
Computational_Mechanics_of_Materials_and_Structures_xCOMMASx_M.Sc./

According to § 37 Section 5 LVwVfG BW/State Administration Act, this
computer generated notification is valid without a signature or seal/stamp.

Rechtsverbindlich ist der Bescheid in der deutschen Fassung!
The German version of the notification will be mandatory!

Information on rights of appeal

An appeal may be filed against this decision withing one month of its announcement at Verwaltungsgericht Stuttgart.

भारतीय प्रबंध संस्थान इंदौर
Indian Institute of Management Indore

Dear ROHIT K,

CAT 2021 ID- 21116929

Congratulations!

You have been offered provisional admission to the Post Graduate Programme in Management (PGP) 2022-24 Batch of IIM Indore.The registration for the programme is scheduled on June 24, 2022 (Tentatively). Subsequent to that the academic year will commence.This Admission offer is conditional and based on the information provided by you in the CAT 2021 Application Form, your performance in CAT 2021, and your subsequent performance in the Personal Interview (PI) conducted by IIM Indore. If at any stage of the Admission process, it is found that there is a discrepancy in the information provided by you, IIM Indore reserves the right to cancel your candidature and the decision of IIM Indore will be final and binding in this regard.

Please note the following:

Fees:	The commitment fee of Rs. 1,00,000/- (One Lakh Only) paid by you will be adjusted against the Term-1 fee. The balance fees for Term-1 needs to be deposited before the date of registration to the programme through the Payment gateway transfer or Bank Transfer (if paying through education loan) no other mode of payment is acceptable.
Hostel:	Hostel accommodation will be made available Upon your arrival at IIM Indore Campus.
Withdrawal:	In case you decide to withdraw from the programme of IIM Indore after remitting the acceptance fee of Rs.1,00,000/- (One Lakh Only), You may refer to the withdrawal procedure available on the website/ the instruction sent through email. Please ensure that you are making the withdrawal request through the portal (from where you have downloadedthis provisional offerletter).
Documents:	Please carry all the originals and 1 set of photocopies (self-attested) of the documents listed belowfor verification on the date ofregistration. 1. Photo Identification Proof (PAN/Passport/Driving License/Voter Id/AadharCard). 2. Academic mark sheets for SSC, HSC, and Graduation (all semesters /years). 3. Academic mark sheets for Post-Graduation (all semesters / years- If applicable). 4. Course Completion Certificate (applicable only if you are yet to receive your Graduation degreecertificate). 5. Professional Qualification/ Post Graduation mark sheets (If applicable). 6. Category certificate (If applicable, please ensure the certificate is valid as on the date of registration tothe Programme). 7. PwD certificate (If applicable) 8. Work Experience Documents (If applicable).
Legal Issues:	Any dispute concerning admissions for PGP/ PGP-HRM 2022-24 Batch of IIM Indore would be subject to jurisdiction of the competent courts within the territorial jurisdiction of the city of Indore only.

Regards,

Chairperson, Admissions
IIM INDORE

Carnegie Mellon University
The Robotics Institute

Ms. Sandhya Vidyashankar
11/6, Sivasundar Avenue 1st Street, Thiruvanmiyur   February 11, 2022
Chennai, Tamil Nadu 600041
INDIA

Dear Ms. Vidyashankar:

Congratulations! You have been accepted into the Master of Science in Robotic Systems Development (MRSD) program in The Robotics Institute at Carnegie Mellon University.

If you accept this offer, you will complete the MRSD degree requirements in 21 months, with coursework completed in four full-time semesters and a summer internship between the academic years. If you accept, you will be required to provide official transcripts and score documentation (GRE and possibly TOEFL) prior to enrolling; additional information regarding this, and other onboarding details like visas and registration, will be shared with incoming students after acceptance of admissions offers.

You are expected to secure funds to pay for your educational costs prior to your arrival at Carnegie Mellon University. Tuition for the 2022-23 academic year is $546 per unit, with an expected total tuition of approximately $52,416 if you carry the prescribed unit load of 96 units; you are also responsible for the Technology, Transportation, and Activity Fees, which will be outlined here.

This offer of admission is for an August 2022 start date; the academic calendar can be found here. The MRSD program does not offer admission deferrals, so you must reapply if you wish to attend at a later date.

We look forward to receiving your acceptance via this simple form on or before **March 24, 2022**. Applicants accepting the offer of admission are required to submit a $1,000 (USD) **non-refundable** tuition deposit to secure their seat; the deposit will be credited to the first tuition payment once you start the program. **Both the acceptance form *and* payment are required in order to secure your spot.**

The MRSD program is unique, and we are excited to extend this opportunity to include you in our community. Your hard work has led you this far, and The Robotics Institute can help you take the next big step toward reaching your goals. We would be so glad to have you join us! If you have any questions regarding the MRSD program, or this offer, please contact Sarah Conte at sconte1@andrew.cmu.edu. Again, congratulations! We look forward to hearing from you.

Sincerely,

John M. Dolan
Principal Systems Scientist
Program Director, MRSD

April 22, 2022

gtID: 903809718
Surya Prakash Senthil Kumar
New No: 9, Old No: 22
Kalappa Street, Parktown
Chennai, Tamil Nadu 600003
India

Mr. Senthil Kumar,

Congratulations on being accepted into the prestigious Masters in Robotics (College of Computing) program at Georgia Tech! We are pleased to offer you admission for the Fall 2022 semester on the Atlanta campus. Admission to this program is highly selective and your qualifications and achievements have distinguished you amongst the many exceptional applicants this year.

Located in the Midtown Atlanta, Georgia Tech is in the heart of a diverse and vibrant metropolitan neighborhood. Our urban environment is ranked as a top city for internship opportunities, STEM professionals, and tech diversity. A dynamic, young city with world class museums, eclectic neighborhoods, and cosmopolitan restaurants and shops, Atlanta offers students a wealth of opportunities, not only for education and entertainment, but also for professional experience as well.

Please be advised that this offer of admission is contingent on Georgia Tech's Office of Graduate Studies verifying and evaluating your application documents for the following:

1. Receipt of official transcripts from every college or university you have attended for academic credit.
2. Proof of degree or a degree certificate. You must have **at least** a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent.
3. Satisfaction of the Institute's proof of English Proficiency requirement.
4. Compliance with the University System of Georgia's requirement that students who are residing in the United States are Lawfully Present.

If additional documents are needed prior to your enrolling at Georgia Tech, the Office of Graduate Studies will notify you via email. You can also go to your Application Status Portal at any time to check the status of your application materials.

Georgia Tech reserves the right to rescind this offer of admission if there has been a dramatic decline in academic performance since your application was submitted, if there have been egregious behavior/disciplinary issues, or if in the verification of your documents, your application is deemed ineligible.

We look forward to welcoming you to Georgia Tech's innovative and dynamic graduate community and wish you every success.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

Georgia Tech | Graduate Studies

April 22, 2022

Mr. Senthil Kumar,

Please carefully review the following details of your admission to Georgia Tech.

- This offer of admission is only valid for the Masters in Robotics (College of Computing) program beginning in the Fall 2022 semester for the Atlanta campus.

- Please indicate your enrollment intentions by logging into your Application Status Portal and completing the Reply to Offer of Admission **as soon as possible**.

- This offer of admission is contingent upon the Office of Graduate Studies completing the application verification and evaluation process which can take between 6-8 weeks from the date that we receive all your required documents. In some cases, it can take up to 12 weeks depending on our volume. Please be patient as we are diligently working on your application. **Once your application has been verified, you will receive an email containing information on next steps and how you can continue with the enrollment process as a new Georgia Tech graduate student.**

- If you have not yet submitted your official/final academic documents, information on what we require and how you can submit them can be found on our Application Documents page. **Please Note:** You must have at least a U.S. four-year bachelor's degree earned from a regionally accredited institution, or the international equivalent earned from an institution authorized to award degrees by the appropriate government agency.

- If you have any questions regarding courses, financial assistance, or orientation, please contact the graduate coordinator of your admitting program.

Once again, congratulations on your admission to Georgia Tech.

Best Wishes,

Dr. Marla Bruner
Director of Graduate Studies

FLAT02, OLD18, NEW04, Meenakshi Apartments, Justice Sunderam Road, Mylapore
Chennai, Tamil Nadu 600004
India

Dear Mr. Gundepudi,

I am pleased to notify you of your admission to the Graduate School at NC State. We look forward to having you join us and trust that you will find your experience here a rewarding one. Learn more about graduate education at NC State. Our records on your admission carry the following information:

Admission status:	Full Admission *
Degree Program:	Master of Financial Mathematics (MR)
Intended enrollment term:	Fall 2022
Tuition Classification:	Out-of-state
Unity ID:	svgundep (Click here to learn more about your Unity ID.)

Once you have used your unity ID to login to an NC State system, you may need to sync your password, if you are not able to log here to learn how to sync your password.

Admission Information: Please review the new student checklist for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term.If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: https://studentservices.ncsu.edu/your-classes/registration/.

Enrollment Information: Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a $500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term.** Note that some programs may require an earlier deadline for payment

Immunization Record and Report of Medical History: Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at https://sso.medicatconnect.com. Check your NCSU e-mail for updates.

Transcripts: Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

Questions: For information about University Housing, visit https://housing.dasa.ncsu.edu/. For important information regarding international student orientation, and answers to questions about your visa status, please

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu. I look forward to your joining the graduate community here at NC State.

Sincerely,

Peter Harries, Dean

*Pending receipt of official complete transcript with a statement of Bachelor's degree and date awarded from Anna University. This must be received by the end of the first semester or future registration will not be permitted.

Chennai,   600095, IN

Dear Mr. THARUN VARADARAJAN SARAVANAN:

Congratulations! It is my pleasure to offer you provisional admission to Clemson University's Graduate School for the MS program in Industrial Engineering for Fall 2022.

 Our records indicate that we do not have official documentation confirming that you have received your degree(s). You must provide the Graduate School with final official transcripts for your bachelor's and any subsequent degrees. They must state the degree earned and date awarded. Additionally, for students enrolled at institutions outside of the United States, an official copy of a diploma or a degree certificate issued by the institution and showing receipt of all degrees and dates awarded may be needed, if not stated directly on the final official transcript. Please note that this provisional acceptance does not hinder you from registering for classes. However, your official documentation must be provided to the Graduate School before the end of your first semester of graduate study. A registration hold is placed on students who have not submitted all final-official transcripts.

 We are very much interested in learning whether you plan to accept our offer of admission, so please indicate your decision to accept or decline our offer as soon as possible. You may do this through the application portal by clicking the "Complete Your Decision Form" button.

 Specific questions regarding assistantships or fellowships, registration, and prerequisites should be directed to faculty and staff in the program. Please note that some graduate programs have academic or professional requirements or prerequisites. It is your responsibility to understand the requirements of the degree program as described in the graduate program handbook and to consult with the department if necessary to verify satisfaction of those requirements. Contact information for representatives of all graduate programs is available at: http://www.clemson.edu/graduate/academics/program-contacts.html

 Enrollment at Clemson University is contingent upon verification of your lawful presence in the United States, pursuant to South Carolina Code of Laws, Section 59-101-430.

In addition, please visit: http://www.clemson.edu/graduate/students/new-student-to-do.html. This website contains pertinent information to assist you as you make preparations to begin your graduate studies at Clemson University.

 Again, congratulations on your admission. We look forward to welcoming you as a member of Clemson's community of scholars.

 Sincerely,

John M. Lopes, PhD
Associate Provost and Dean of the Graduate School
C31 (20) MS-INEN-F AAA
