Events conducted by Alumni

Event 1: Alumni Invited as Chief Guest for the **SSN IEEE PES Event** on **September 2, 2024** – **EEE Dept.**

Mr. Avinash Ramanathan, an alumnus of the EEE Dept. (**2011-2015 Batch**), **Vice President** at **Kalaari Capital** in **Bangaluru**, served as the **Chief Guest** for the **SSN IEEE PES event** on '**Sustainability to Venture Capitalism**' held on **September 2, 2024**, at Sri Sivasubramaniya Nadar College of Engineering (SSNCE).

Mr. Avinash is **one of the prestigious Forbes 30 Under 30 honorees** (Link: [Forbes Profile](#)). Mr. Avinash is the **youngest Vice President** at **Bangaluru-based Kalaari Capital** and is part of the committee responsible for making investment decisions at the venture capital firm. During his five years there, he has worked on 15 investments in companies related to SaaS, gaming, deep tech, climate, and Web3. He was **part of the leadership team that raised \$220 million for Kalaari Fund IV, with Reliance Industries serving as an anchor limited partner**. Prior to joining Kalaari, he worked at the data analytics company **Mu Sigma**, where he assisted clients in the banking and pharmaceutical industries."

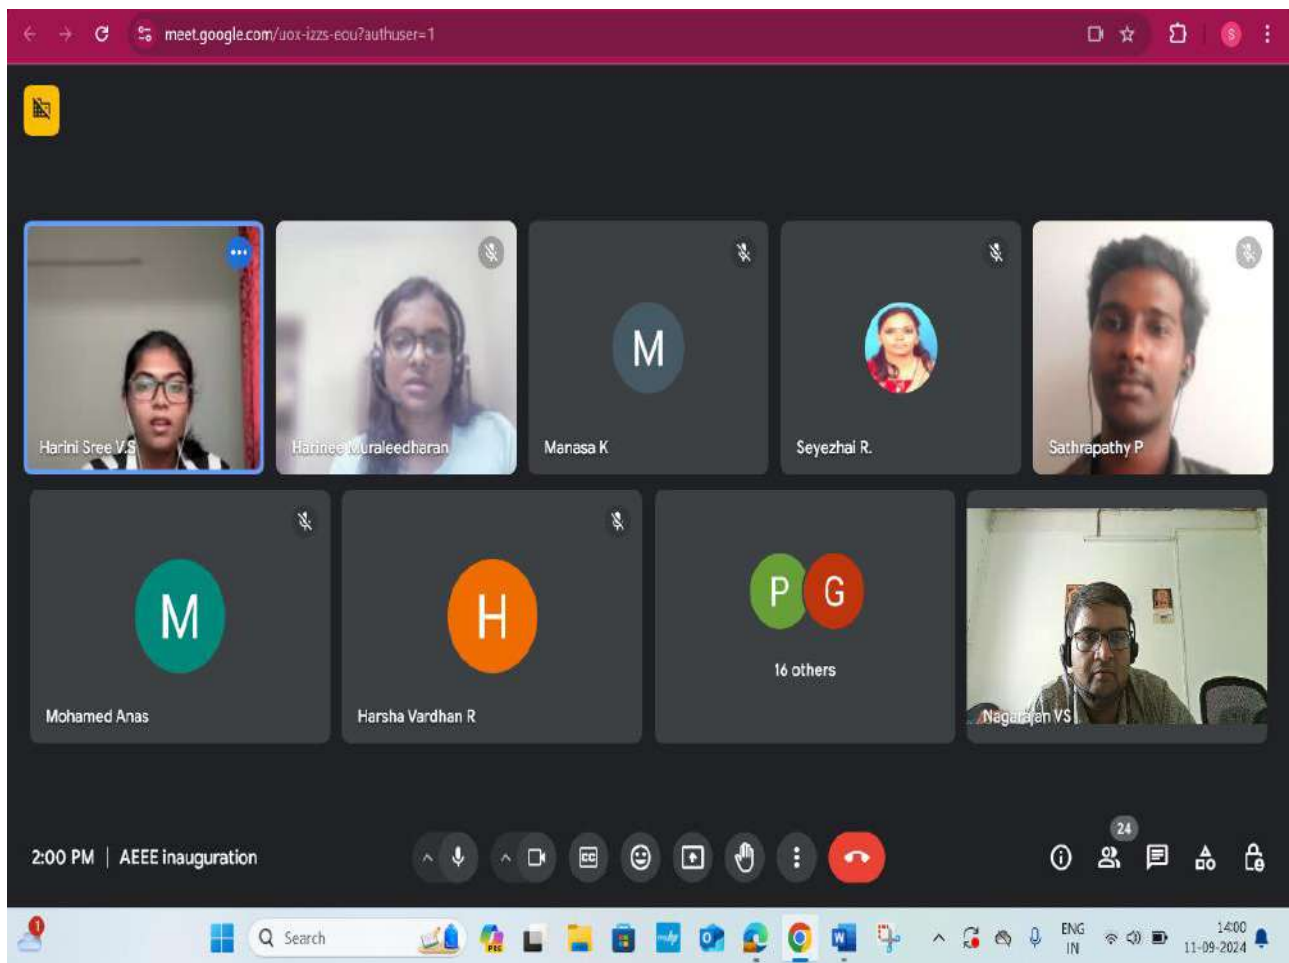

Innovative Leadership: Mr. Avinash Ramanathan as Chief Guest at SSN IEEE PES Event on Venture Capitalism

Inspiring Change: Mr. Avinash Ramanathan, Forbes 30 Under 30 Honoree, Speaks on Sustainability and Investment

Event 2: Alumni Invited as Chief Guest for the Inauguration of AEEE on September 11, 2024 – EEE Dept.

M. Harinee, an alumna of the EEE Dept. (2007-2011 Batch), **Lead Engineer** of **Vehicle Features** at **Ford Motor Private Limited, Chennai**, served as the **Chief Guest** for the inauguration of the **Association of Electrical and Electronics Engineers (AEEE)**, held **online** on **September 11, 2024**, by the Department of Electrical and Electronics Engineering at Sri Sivasubramaniya Nadar College of Engineering (SSNCE).

Celebrating Excellence: M. Harinee, Lead Engineer, Opens AEEE Inauguration

Event 3: Alumni Talk Series – “Cybersecurity” – IT Department on September 18, 2024.

Speaker: Mr. Pankaj Baid (B.Tech. IT - 2007-2011 Batch), Vice President - Responsible AI, Group Chief Data Office, **Standard Chartered** | Cybersecurity Engineer, Societe Generale

Dr. P. Vasuki and **Dr. V. Sivamurugan**, Coordinators, Alumni Council of IT Department have organized the alumni talk.

Cybersecurity Strategies: Lessons from an IT Alumni Leader - Mr. Pankaj Baid

Cybersecurity Strategies: Lessons from an IT Alumni Leader - Mr. Pankaj Baid

Event 4: Induction Programme - A Kickoff to the Student-Alumni Committee – SSN School of Management on September 14, 2024.

The induction program for the student-Alumni Committee, batch 2024-2026, was conducted by **Mr. Ravi Shankar Shanmugam (MBA 2007-2009)**, Vice President and Executive Member of the SSN Alumni Association, alongside the School of Management's alumni relations team, including **Ms. Akshaya Sona Sri (MBA 2017-2019)** and **Mr. Gowsik (MBA 2021-2023)** on **September 14, 2024**.

The session provided an **overview of the SSN Alumni Association's organizational structure, initiatives, and support model**. Key highlights for the School of Management's academic year 2023-2024 were shared, including the Alumni Talk Series, Mentorship Program, Mock Interviews, the Annual Alumni Engagement Program—Tribute, and various career development initiatives.

Ms. Akshaya kicked off the session by engaging with students to understand their motivations for pursuing a B-school education and encouraged them to set ambitious goals. **Mr. Gowsik introduced the current student committee and facilitated interactions between them and the incoming batch, while also outlining the nomination process for new committee members.**

Mr. Ravi Shankar emphasized the association's journey and offered insights into the expectations of today's corporate world, motivating students to seize opportunities and cultivate strong networks. The session wrapped up with an interactive Q&A, during which students provided feedback and shared their thoughts.

Empowering Futures: Induction of the Student-Alumni Committee @ SSN School of Management

Event 5: Alumni Interactive Session on “Evolving landscape of Agile Technology” – SSN School of Management on September 26, 2024.

An insightful alumni interaction session was recently organized by Mr. Natrajan, Adjunct Faculty at SSN School of Management for the Operations students of MBA batch 2023-2025. The session

featured esteemed alumni **Mr. Anirudh** (MBA 2018-2020), **Project Manager** at **HCLTech** and **Ms. Azhagu Annamalai** (MBA 2018-2020), **Associate Consultant** at **KPMG**, who provided valuable insights into the **evolving landscape of Agile Technology** on **September 26, 2024**.

They discussed key roles such as **Scrum Master**, **Project Manager**, and **Product Owner**, offering a clear understanding of the opportunities available for freshers in this field. Their conversation highlighted the importance of Agile methodologies in today's dynamic work environment, emphasizing adaptability and teamwork.

The interaction was highly engaging, with students actively participating, making it a memorable and enriching experience. This heartfelt session left students with a deeper understanding of Agile and the various career paths it offers.

Agile Insights: A Dynamic Interaction with Industry Alumni

Event 6: Alumni as Resource Persons – SSN School of Management on September 28, 2024.

Mr. Karthik V, **MBA Batch 2008-2010**, currently **Vice President** at a large manufacturing company served as a resource person for the **Executive Development Program (EDP)** on the **Maynard Operation Sequence Technique (MOST)** for **Numeric UPS**, held on **September 28, 2024**, at the SSN School of Management. The objective of the session was to enhance managers'

understanding of the Maynard Operation Sequence Technique (MOST) and prepare them for its implementation at Numeric's new facility in Chennai. The training aimed to introduce structured work measurement methods by providing hands-on experience with MOST templates and examples to improve operational efficiency. The participants included operations head, plant managers, operations managers, as well as managers from plant finance and the quality.

Enhancing Operational Efficiency: EDP on MOST with Karthik V

Event 7: Alumni Talk Series on “**What is an MBA?**” and “**Why pursue one?**” – **SSN School of Management** on **September 28, 2024**.

Ms. Harshini, **Assistant Manager** at **Federal Bank (MBA 2019-2021)** led an engaging session for incoming MBA batch (2024-2026), initiating a thought-provoking discussion with questions

such as **"What is an MBA?"** and **"Why pursue one?"** on **September 28, 2024**. This encouraged lively participation and set the stage for a deeper exploration of the key motivations for pursuing an MBA.

She outlined several compelling reasons to embark on this journey, including career advancement, skill enhancement, and networking opportunities. Ms. Harshini elaborated on what students can expect during their MBA experience: **a robust business education, real-world application, personal development, exposure to diverse perspectives, leadership opportunities, global insights, and improved public speaking skills.**

Emphasizing the importance of balancing smart work with consistency, she also reminded students to prioritize their mental well-being and maintain a healthy social life. The session concluded with a productive Q&A, leaving students with valuable insights into the true essence of the MBA program and setting an inspiring tone for their journey ahead.

Charting the MBA Path: Ms. Harshini's Guidance for New Students

Alumni Visits and Interactions

Alumni Visits and Interactions from the Civil Department

Alumni Interaction 1:

Mr. Vignesh M and **Mr. Amith Krishna** - Civil department alumni from the **Batch 2020-2024** visited the college on **September 26, 2024** representing Civil department for the **NAAC expert team visit** and interacted with the committee chairman and also with the **HoD Dr. N. Sivakumar** and **Dr. Aswin Sriram G – Alumni Coordinator**.

Alumni Engagement: Mr. Vignesh M and Mr. Amith Krishna's Visit for NAAC Expert Team Evaluation

Alumni Interaction 2:

Mr. Rajarajan (Batch 2017-2021) and **Mr. Dhanush (Batch 2019-2023)** visited the **Civil department** on **September 27, 2024** as alumni expert judges in various events organized during **Invente'24**. Subsequently, **Mr. Rajarajan** interacted with Civil Department **HoD Dr. N. Sivakumar** and shared his work experience in **UAE** and **how our present students can get a prospective job offer in the Gulf regions**. The video link of his interaction is shared here. (<https://www.youtube.com/watch?v=3HrugHkh8p0>)

Civil Alumni Connect: Mr. Rajarajan's Insights on Gulf Opportunities

Inspiring Futures: Alumni Engagement at Invente'24 in the Civil Department

Alumni Visits and Interactions from the ECE Department

Mr. H. C. Aditya, an alumnus of the **2019-2023 ECE Batch** currently working at **Toyota Connected**, interacted with faculty members on **September 26, 2024**.

Alumni Visits and Interactions from the Chemical Department

Alumni Interaction 1:

Ms. Anitha Meegal, an alumna of the **2016-2020 Chemical Batch**, currently working at **Pickyourtrail**, visited the **Chemical Engineering Department** on **September 12, 2024**, and interacted with the Head of the Department **Dr. K. Sathish Kumar** and faculty members.

Alumni Interaction 2:

Mr. Pradeep Kumar Tamilmani, an alumnus of the **2012-2016 Batch** and founder of the start-up '**Strategy Fox**', which provides D2C services, visited the Department of Chemical Engineering on **September 28, 2024**. During his visit, **Mr. Pradeep** discussed the **possibility of signing a Memorandum of Understanding (MOU)** with the department's faculty and Head of Department

Alumni Collaboration: Mr. Pradeep Kumar Tamilmani Explores MOU Opportunities with the Chemical Engineering Department

Alumni Interaction 3:

Ms. Thirthaa, a Process Engineer at **Technip Energies** (**2019-2023 Batch**); **Mr. Jagadheesh H. C.**, an Associate Analyst at **Zifo R&D** (**2019-2023 Batch**); **Mr. M. Matheswaran**, a Process Engineer at **WOOD** (**2018-2022 Batch**); **Mr. Prithiviraj S.**, a Team Lead at **ACL Digital** (**2011-2015 Batch**); **Mr. Elavarasan C.**, a Senior Executive at **Axplora Pvt. Ltd.** (**2011-2015 Batch**); and **Mrs. N. Kalaiarasi**, an Assistant Professor at **Rajalakshmi Engineering College** (**2006-2010 Batch**) visited the **Chemical Engineering Department** and attended a meeting with **NAAC Expert Committee members** in the CDC Block on **September 26, 2024**.

Alumni Visit to the Chemical Engineering Department for NAAC Expert Committee Meeting

Alumni Visits and Interactions from the **IT Department**

Alumni Interaction 1:

Seven alumni from the **IT department** participated in the **NAAC meeting** held on **September 26, 2024**: **Ms. A Supriya Abirami**, **Mr. Karthik Raja T P**, and **Mr. Nithin B K**, **Graduate Technology Developer** at **Barclays** from the **2020-2024 UG Batch**, **Ms. Priyashree**, **Service Management Analyst** at **Accenture**, Chennai, **Ms. Swetha L**, **Product Manager**, **Dell** from the **2013-2017 UG Batch**, **Dr. S. Vidhusha**, **Assistant Professor** at **SNU** from the **2009-2011 PG Batch**, and **Dr. K.B. Sundhara Kumar**, **Assistant Professor** at **SNU** from the **2009-2013 PG Batch**.

IT Department Alumni at NAAC Meeting, September 26, 2024: A Gathering of Accomplished Graduates from Barclays, Accenture, and Dell

Alumni Interaction 2:

Mr. Pankaj Baid, an alumnus from the B.Tech. IT (2007-2011 Batch), [visited the IT Department as part of the Alumni Invited Talk series on "Cybersecurity."](#) Currently serving as **Vice President of Responsible AI** at the Group Chief Data Office, Standard Chartered, and as a Cybersecurity Engineer at Societe Generale, Mr. Baid engaged in insightful discussions with **Dr. P. Vasuki**, Faculty Alumni Coordinator, **Dr. I. Joe Louis Paul**, and **Dr. N. Radha**, Associate Professors of the department, sharing valuable experiences and perspectives from his professional journey on **September 18, 2024**.

In Dialogue: Mr. Pankaj Baid Shares Cybersecurity Insights with Faculty Members of IT

Alumni Interaction 3:

Ms. Priyashree, Service Management Analyst at **Accenture**, Chennai, and **Ms. Swetha L**, Product Manager, **Dell** from the 2013-2017 UG Batch engaged in insightful discussions with **Dr. P. Vasuki**, Faculty Alumni Coordinator of IT Department on September 26, 2024.

Alumni Interaction 4:

Mr. Jaikishore R, Associate Software Engineer, **Kaleris** from the **2019-2023 UG Batch** and **Mr. Naveen Raj A**, **Full Stack Developer** from the **2020-2024 Batch** engaged in insightful discussions with **Dr. P. Vasuki**, Faculty Alumni Coordinator of IT Department on **September 27, 2024** during **Invente'24**.

Alumni Interaction 5:

Mr. Vasudhevan S, an alumnus from the **2019-2023 UG Batch**, currently working as the **Software Engineer** at **Fidelity Investments** engaged in insightful discussions with **Dr. I. Joe Louis Paul**, Faculty of the IT Department, about his plans for pursuing higher studies abroad on **September 14, 2024**.

Alumni Visits and Interactions from the CSE Department

- ❖ **Dr. Deepanjali S**, Postdoctoral Researcher at IITM and PG ME CSE Alumna of the 2014-2016 Batch, visited the campus for the NAAC evaluation and interacted with the Head of Department and faculty members on September 26, 2024.
- ❖ **Dr. Subin Sahayam M**, Assistant Professor at SNU Chennai and PG ME CSE Alumnus of the 2014-2016 Batch, visited the campus for the NAAC evaluation and interacted with the Head of Department and faculty members on September 26, 2024.
- ❖ **Mr. Sriraghav K**, representing Versa Networks and UG BE CSE Alumnus of the 2013-2017 Batch, visited the campus for the NAAC evaluation and interacted with the Head of Department and faculty members on September 26, 2024.
- ❖ **Mr. Karun Anantharaman**, representing Motorq and UG BE CSE Alumnus of the 2019-2023 Batch, visited the campus for the NAAC evaluation and interacted with the Head of Department and faculty members on September 26, 2024.
- ❖ **Mrs. Mrithula K. L**, Tech Analyst at CITI and UG BE CSE Alumna of the 2020-2024 Batch, visited the campus as a judge for the Invente event and interacted with the Head of Department and faculty members on September 28, 2024.

Alumna Spotlight: Dr. Deepanjali Interacts with CSE Faculty During NAAC Assessment

Alumna Spotlight: Dr. Deepanjali Interacts with CSE Faculty During NAAC Assessment

Alumni Visits and Interactions from the Mechanical Department

Mr. Rahulraj of 2019-2023 batch student visited the Mechanical Department and interacted with HoD and faculty members during September 2024. He is currently working in STMSPA Geardrives, Coimbatore.

Alumni Insights: Mr. Rahulraj's Visit to the Mechanical Department with Dr. K. S. Vijay Sekar, HoD, and Dr. R. Rajeswari, Faculty Alumni Coordinator

Alumni Visits and Interactions from the **Biomedical Department**

The **Biomedical Engineering department** of SSN College of Engineering was happy to welcome **Mr. Muthukrishnan**, an alumnus from **Batch 2010**, who **represented BME alumni** during the **National Assessment and Accreditation Council (NAAC) visit**. Mr. Muthukrishnan's successful career and his entrepreneurial journey was showcased.

After completing his degree at SSN, embarked on a remarkable entrepreneurial path. In 2013, he founded **Shasti Medical Company**, a cutting-edge medical device manufacturing firm specializing in cardiovascular and gastrology device implants. His company has grown into a key player in the healthcare industry, producing life-saving devices and supplying to renowned medical giants such as **Abbott, Teleflex, Arrow**, and many more, serving clients across Tamil Nadu.

Alumni Mr. Muthukrishnan (Batch 2010), Mr. Sivakumar (Batch 2020) and Mr. Deepak Rathinam (Batch 2013) with faculty Dr. R. Nithya and Dr. M. Dhanalakshmi, BME

His visit was not only significant for the NAAC accreditation process but also for inspiring the current students. He emphasized the importance of innovation, precision, and quality in the healthcare industry and shared his experiences of growing Shasti Medical from a startup to a trusted supplier for global brands.

During his interaction with the students, Mr. Muthukrishnan shared valuable insights into the challenges of the medical device industry, particularly in producing high-quality cardiovascular and gastrology implants. He spoke about the regulatory standards, the critical need for reliability in medical devices, and the opportunities for biomedical engineers in the healthcare sector.

He also shared a personal connection to SSN, mentioning that **he hired Sivakumar, a fellow SSN graduate, as an employee at Shasti Medical Company.** This highlights his ongoing commitment to supporting and fostering talent from his alma mater.

Mr. Deepak Rathinam, from the **2013 batch** of BME. He is the **founder of Ionic Medical Company**, a pioneering firm in the field of advanced medical technologies. Both **Mr. Muthukrishnan** and **Mr. Rathinam** share a commitment to innovation in the healthcare sector, and their contributions serve as an inspiration for the current students of SSN. **Their success stories underscore the rich legacy of the BME department in nurturing visionary leaders in the biomedical field.**

Their stories are a source of immense pride for the BME department, serving as an inspiration to students and demonstrating how dedication, vision, and perseverance can lead to success in the dynamic and impactful field of biomedical engineering.

Mr. Deepak Rathinam (Batch 2013) with faculty Dr. R. Nithya and Dr. M. Dhanalakshmi, BME

Empowering Achievers: SSN Alumni Scholarship

As proud alumni of SSN, we recognize the immense value of education in shaping lives and providing opportunities for personal and professional growth.

The core objective of the SSN Alumni Scholarship is to provide financial assistance to deserving college students who face economic challenges.

By offering scholarships to offset their educational expenses, we aim to inspire the next generation of student achievers, who may otherwise be constrained by financial limitations.

Come, Join us to Make their Dreams come True.
