Preplacement Session

Bounteous Accolite Presents at SSN CDC

Pre-placement talk conducted by Bounteous Accolite at SSN CDC. The session was very informative and engaging. The Accolite team did a great job of introducing themselves and their company.

They spoke about the different career paths available at Accolite and highlighted the skills and qualities they look for in potential candidates. They also shared insights into their recruitment process, which was helpful for students to understand what to expect.

Event Date: 11 November 2024

Accolite Preplacement

New CDC Manager- Training

Dr. Nizamudeen

Dr. Nizamudeen A B as the new Manager of the Training and Career Development Centre at SSN, effective December 14, 2024. With a PhD background in Management and extensive experience in career services, he is poised to enhance student employability and professional growth.

● SSN Students Get a Glimpse into company

We particularly appreciated their emphasis on employee growth and development within the company. Overall, the presentation was a valuable experience for the students, giving them a better understanding of Accolite and their career opportunities.

Bounteous and Accolite merged in 2023, creating a leading digital transformation company. They offer end-to-end solutions, from strategy and design to technology and marketing, with a focus on co-innovation and delivering impactful results for their clients.

Career Sessions for freshers

A career session for first-year students focused on LinkedIn networking, essential skills, and the significance of soft skills in launching their careers. Participants learned how to build a professional online presence and connect with industry professionals.

The session emphasized the importance of soft skills such as communication and problem-solving, which are crucial for success in any field. By equipping students with these tools, the session aimed to kick-start their career paths and prepare them for future opportunities.

Dr. Vijay Sekar, Dr. Arun Luiz, Dr. Satheesh Kumar, Dr. Leo, and Dr. Sundareswaran have volunteered their time to mentor students

Yamaha Placement Drive

Yamaha recently conducted a successful placement drive at SSN CDC for Graduate Engineer Trainees (GETs), featuring a pre-placement presentation to introduce the company and its culture. Following this, students participated in an online aptitude test to assess their skills. The selection process included multiple interview rounds, allowing candidates to engage directly with Yamaha representatives. This initiative significantly enhanced student employability and provided valuable industry exposure. Six Mechanical Engineering Students Placed for 2025.
