[ece.faculty:15991] Renewal of annual license for Turnitin

1 message

Shashikant Albal <svalbal@ssn.edu.in>

Dear Sir/Madam,

I am happy to inform you that the annual subscription of the Turnitin has been renewed.

Please use Turnitin only to check your papers and papers of your research scholars. Do not use Turnitin to check papers received for the conferences which you might conduct in this year.

Please do not save the papers to the Standard Paper Repository, if the same paper needs to be checked multiple times to avoid "Duplication Error" as you cannot delete the paper from the "Standard Paper Repository". Choose "No Repository Option".

However, you can save the papers to "Standard Paper Repository" only once the papers are approved by the authorities (Internally or Externally) to guard the ethical work. Additionally, you can make use of Institutional Repository to understand Student Collision for Class Assignments or Internal Assessments, here the duplication error will not occur if there are multiple submissions for similar papers.

We are arranging an online training program on 1st March 2023 at 2 pm to discuss and resolve any problems you might have faced while using Turnitin. Please let us know if you have faced any problems/issues in

- Saving and uploading papers
- Creating assignments for classes

Your earlier communication will help the Turnitin SME to offer the online training. Awaiting your response.

with regards,
Shashikant Albal

CIRCULAR

The recently convened 42nd Research Board has granted approval for the adoption of TURNITIN similarity detection software to elevate the standard of academic research at our University. Consequently, the utilization of TURNITIN similarity detection software is recommended for reviewing research documents submitted by scholars/applicants seeking approval for synopsis, thesis, and supervisor recognition. To benefit scholars/applicants, a maximum acceptable level of the similarity index has been established, with restrictions capped at 25%, excluding own sources, bibliography, and citations.
