* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Dear MALOLAN,

IELTS TEST REPORT FORM

Please find enclosed your IELTS Test Report Form (TRF) for the test taken by you at our centre.

Given below is some information on post-result services that you can avail of:

1. **On-line verification service by receiving institutions:**

Most organisations that accept IELTS (universities and immigration authorities) have direct access to the global online IELTS verification service. If registered for this service with Cambridge ESOL they can verify the authenticity of your scores on https://ielts.ucles.org.uk/ielts-trf/index.jsp free of cost by quoting your valid TRF number.

2. **Additional copies of TRF**

Any additional copies may only be sent directly by British Council to the receiving institutions within two years of the test date. A copy of the requisition form is available at
https://www.britishcouncil.in/sites/default/files/additional_test_report_form_12.7.2018.pdf

The fee for this service is payable through a demand draft in favour of 'British Council' payable at New Delhi. Please ensure you send us the following documents along with your completed requisition form:

- A photocopy of your TRF
- A photocopy of your passport (front page and back page)
- A copy of communication, if any, from the relevant institution with your reference number
- The appropriate fee in favour of 'British Council' payable at New Delhi.
  (FEE INR 250/- per TRF, INR. 250/- electronically (STED) or INR 1250/- per TRF by courier)

3. **Re-evaluation (Enquiry on Results)**

Please note that our examiner ratings are monitored both within India and in Cambridge. However if you would like your papers re-marked by a senior examiner in the UK, then you must complete an EOR form available at https://www.britishcouncil.in/sites/default/files/application_form_for_enquiry_on_results.pdf and return to us along with the copy of a cancelled cheque within 6 weeks of the test date. The fee for this service is Rs. 8000/- payable through a Demand Draft in favour of 'British Council' payable at New Delhi. The full fee will be returned if the score is changed to a higher band score.

For further information please do not hesitate to contact us at ExamsCustomerCare@britishcouncil.org

PS: Please quote your candidate ID number and date of your test in all your correspondence with us.

Dear Aashish,

Congratulations!

On behalf of the College of Information Sciences and Technology (IST), I am pleased to offer you admission to our Ph.D. program beginning in Fall 2021.

To support your doctoral studies, you will be awarded a Graduate Teaching Assistantship for the Fall 2021 and Spring 2022 semesters. The stipend for this 10-month assistantship will be **$21,780**. You may also be eligible to receive a Summer 2022 stipend which will be approximately **$7,284**, subject to the availability of funds.

As a complement to your assistantship, your Penn State tuition will be paid in full (currently **$39,720**). Furthermore, you will be enrolled automatically in the **Graduate Student Health Insurance** plan. This extra benefit insures against medical, dental and vision issues you may have while serving as a graduate assistant; the coverage is for an entire year, including summer. The health benefit provided by Penn State is at the "Platinum" level, in terms of coverage, and the university subsidizes the cost by paying 80% of the annual premium.

Assistantships are temporary; their renewal each year depends on the availability of funds, the teaching or research needs of the College, and your achievement of good academic standing and steady progress toward your degree. While we cannot guarantee funding beyond this first year, historically students have been funded either by the college or individual faculty members for at least four years, as long as they are making acceptable academic progress.

Please accept or decline the offer of admission and a graduate assistantship with the included benefits as soon as possible, but no later than **April 15, 2021**. To accept or decline this offer, please visit your Graduate School application status page. Note that after you accept the offer, the University requires that all transcripts and supporting documents be verified by the Graduate School. If any questions arise during that process, we will work with you and the Graduate School to resolve any concerns.

After you accept our offer of admission, please sign the enclosed *Terms of Offer and General Conditions of a Graduate Assistantship* and return it by email to istgradprograms@psu.edu. This will serve as an official acceptance of your graduate assistantship. This offer of a graduate assistantship is contingent upon successful completion of a University-required background check, which verifies that you have no criminal or other record that would preclude appointment to an assistantship in the University's judgment.

Graduate Programs in the College of IST holds a **mandatory orientation** for all new incoming IST graduate students. Please plan to arrive in State College no later than early August so that you do not miss important information covered during orientation. Fall semester classes begin **August 23, 2021**. Information regarding the IST orientation will be sent at a later date.

Penn State's Human Resources team requires additional documentation to be completed in order to process your assistantship. These documents will be completed during orientation. Depending on the timing of these processes, you may not receive a stipend for August, but rather receive both the August and September stipends at the end of September. Please plan your finances accordingly.

My colleagues and I hope that you will join our College by accepting our admission offer. We look forward to working with you at Penn State.

Sincerely,

Mary Beth Rosson

Nos données indiquent que vous êtes un étudiant étranger, c'est-à-dire ni citoyen canadien, ni résident permanent du Canada. Voici quelques informations utiles pour votre séjour d'études dans notre établissement.

Estimation des droits de scolarité de base pour les programmes d'études aux cycles supérieurs*
Sujette à changement sans préavis. Consultez le registraire.umontreal.ca/droits-de-scolarite/couts-des-etudes pour obtenir les informations à jour. Les étudiants en programme d'échanges bénéficient d'une exonération complète des droits de scolarité. Seuls des frais d'assurance médicale ou de matériel scolaire peuvent s'appliquer.

Droits en vigueur au trimestre d'automne 2020	2e cycle	3e cycle
Étudiants français et belges francophones	3 934,35$ par année	3 934,35$ par année
Autres étudiants étrangers†	26 941,95$ par année	24 182,55 $ par année

† *Nous profitons de l'occasion pour vous informer que l'Université de Montréal dispose d'un programme de bourses d' exemption pour une partie des frais de scolarité supplémentaires pour les étudiants internationaux inscrits aux études supérieures. Le dossier de tous les étudiants est analysé dès leur admission et les informations relatives aux octrois vous seront communiquées sous peu. Vous n'avez donc aucune démarche à entreprendre à ce stade.*

* *À ces frais s'ajoutent d'autres frais exigibles. Tous les frais sont sujets à changement sans préavis. L'assurance médicale est obligatoire pour les étudiants étrangers. Le montant de cette assurance est porté à la facture de frais de scolarité. Pour plus d'information, consulter le site bei.umontreal.ca.*

Début et fin des études

Consultez le calendrier universitaire (etudes.umontreal.ca/calendrier/) pour connaitre la date de début du trimestre et le Centre étudiant (www.centreetudiant.umontreal.ca) pour celle de vos cours. Il est recommandé d'arriver au moins deux semaines avant le début des cours pour vous installer et compléter les démarches administratives.

Formalités d'immigration

Avant votre arrivée sur le territoire, vous devez obtenir les documents suivants :
1. un certificat d'acceptation du Québec (CAQ)
2. un permis d'études émis par Immigration, Réfugiés et Citoyenneté Canada (IRCC)

Pour ce faire, vous devez vous adresser aux autorités québécoises d'immigration et au bureau canadien des visas couvrant le territoire où vous résidez. Il faut impérativement obtenir ces autorisations d'entrée et de séjour **avant l' arrivée** au Canada. Le présent avis d'admission peut être utilisé pour faire ces démarches puisqu'il répond aux exigences des autorités d'immigration en ce qui concerne la preuve d'admission à un établissement d'enseignement désigné.

Par ailleurs, le CAQ et le permis d'études ne sont pas exigés pour le ressortissant étranger dont le programme d' études est d'une durée totale de six mois ou moins; un visa ou une autorisation de voyage électronique (AVE) peut cependant être exigé. Déterminez ce qu'il vous faut en vous rendant sur le site Internet d'IRCC (www.cic.gc. ca/francais/visiter/visas.asp).

IMPORTANT : Compléter votre dossier au Bureau des étudiants internationaux (BEI)

Vous devrez **téléverser** vos autorisations de séjour (CAQ, permis d'études, etc.) via le Centre étudiant (www. centreetudiant.umontreal.ca) au début du trimestre, à défaut de quoi votre inscription sera annulée définitivement et votre dossier d'admission sera fermé. À moins d'indications contraires, le téléversement est le seul mode de transmission accepté. Les documents envoyés par courriel ne seront pas ajoutés à votre dossier et les documents remis en personne ne seront pas acceptés. Si vous avez des questions au sujet des formalités de séjour et des démarches pour obtenir les documents d'immigration, écrivez à l'adresse du BEI: bei@sae.umontreal.ca.

Annexe sur les exemptions applicables aux droits de scolarité

En raison de votre statut et de votre pays d'origine, vous pourriez bénéficier d'une exemption des droits de scolarité supplémentaires exigés des étudiantes et étudiants internationaux. Conformément aux ententes de coopération et aux accords bilatéraux signés entre le gouvernement du Québec et des gouvernements étrangers ainsi que des organisations internationales, vous pourriez payer les mêmes droits de scolarité que les étudiantes et étudiants québécois ou canadiens non-résidents du Québec. **Les exemptions couvrant les droits de scolarité sont généralement plus avantageuses que la Bourse d'exemption UdeM**.

a) Exemption du MES

L'exemption du MES est généralement plus avantageuse que la Bourse d'exemption UdeM. Vous pourriez bénéficier d'une exemption des droits de scolarité supplémentaires si votre pays ou l'organisation internationale ayant sélectionné votre candidature est signataire d'une entente en matière de mobilité étudiante au niveau universitaire avec le gouvernement du Québec.

La gestion des exemptions est assurée par le ministère de l'Enseignement supérieur du Québec, qui communique aux universités la liste des bénéficiaires des exemptions en vertu des ententes internationales en vigueur.

Clientèle admissible

- Les étudiantes ou étudiants dont le pays de citoyenneté a signé une entente avec le gouvernement du Québec
- Les étudiantes ou étudiants admis dans un programme menant à un grade, soit au baccalauréat, à la maîtrise ou au doctorat. Les études libres et les programmes courts de tous les niveaux ne sont pas admissibles (certificat, microprogramme, diplôme d'études supérieures spécialisées, etc.).

Pour faire une demande ou obtenir de l'information

Vérifiez d'abord que votre pays est signataire d'une entente en consultant le site du ministère de l'Enseignement supérieur. La procédure de demande est indiquée sur cette page.

Notez que votre pays est responsable de la sélection des candidatures. Toute demande d'exemption doit être acheminée par l'intermédiaire d'une représentante ou d'un représentant désigné à titre de responsable de la gestion des exemptions.

b) Autres exemptions

Veuillez vérifier si un des motifs d'exemption suivants s'applique à votre situation.

i. Les étudiantes et étudiants français et belges francophones

En vertu des ententes signées en matière de mobilité étudiante entre le gouvernement du Québec et ceux de la République française (2015) et de la Communauté française de Belgique (2018) :
- Les étudiantes et étudiants français et belges francophones de 1er cycle bénéficient d'une exemption au tarif canadien non-résident du Québec.
- Les étudiantes et étudiants français de 1er cycle pouvant justifier d'une résidence permanente à Saint-Pierre-et-Miquelon depuis plus de cinq ans bénéficient d'une exemption au tarif québécois.
- Les étudiantes et étudiants français et belges francophones de 2e ou 3e cycle et les résidentes et résidents en médecine bénéficient d'une exemption au tarif québécois.
- Les étudiantes et étudiants français et belges francophones inscrits comme étudiants libres bénéficient d'une exemption au tarif canadien non-résident du Québec.
- Les étudiantes et étudiants français et belges francophones inscrits à des cours hors programme, tous cycles d'études confondus, bénéficient d'une exemption au tarif canadien non-résident du Québec pour ces cours qui ne font pas partie de leur programme.

Please note: As a condition of enrollment, you will be required to answer a question when you accept your offer of admission regarding prior or pending disciplinary actions or felony charges, even if you have disclosed this information previously. If you have received an award letter from your program, it might be accepted in lieu of the Affidavit of Support and/or the Confidential Bank Statement. Once the financial review is complete, we will issue the appropriate immigration documents.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE®* General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE®* Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/understand** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
