### **Time frame**

The appeal must be in writing and must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results.

### **How to submit your appeal**

There are two ways you can submit your appeal:

- online using the Appeals guide
- in writing using the postal service

### **Appeals guide**

The easiest way to submit your appeal is online using the Appeals guide. Log in to your account, go to 'Documents' and follow the instructions for appeals.

### **Written appeal**

You can also write your own appeal letter. In your letter, include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Be sure to sign your appeals letter and provide your address, telephone number and email address.

If your appeal is for Chalmers University of Technology, Marie Cederschiöld University, Stockholm School of Economics, Jönköping University, Swedish Red Cross University, Sophiahemmet University College, Johannelund School of Theology or University College Stockholm, your appeal must begin with **"To the Vice-Chancellor"** as these universities themselves are the decision-making authority for the appeal.

### **Response**

First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.

If you plan to pursue a Master's with thesis option, you will also need to find an official thesis advisor after enrolling at UC Irvine. For degree requirements, you can refer to the Course Catalog, which is online at <http://catalogue.uci.edu/>.

You should expect to receive an email from the UC Irvine Graduate Division within the next two weeks asking you to complete an online Statement of Intent to Register (SIR). Dear prospective students in the international Master's programmes,

There are a lot of things to do before your Master's programme at TUHH starts in October 2023. This guideline will inform you about the important things you need to get done before your departure to Hamburg. If you have been admitted to the Joint Master's program in G-TIME you will get separate information by email.

We created this information in December 2022, you can find an updated version with current information on the following website: <https://www.tuhh.de/tuhh/en/studying/before-studying/degree-courses/international-study-programs/how-and-when-to-apply.html>. On this website you can also find an overview of all orientation and induction events for new students in the international master 's programmes.

If you have further questions after reading this information please don't hesitate to contact us by email: [study@tuhh.de](mailto:study@tuhh.de). Please understand that we can only answer questions sent by email which are not already answered in this guide or on our websites.

## 1. ADMISSION LETTER

You can download your certificate of admission (approval document) from the application portal. You will need the certificate of admission to apply for the visa, for a bank loan and later on for the German health insurance. Please note that TUHH doesn't send hardcopies of the certificate of admission by post mail. You can find a confirmation concerning study and living expenses on page 2 of the admission letter.

## 2. CLARIFY MONEY-RELATED QUESTIONS (AS SOON AS POSSIBLE!)

### Proof of Financial Resources

For your visa application (and also later on for your residence permit) you will need a proof of financial resources which shows that you can finance your studies and daily living costs in Germany. Students must prove that they have at least € 11.208 per year at their disposal. To get further information and the exact amount for the financial proof please contact the German embassy in charge directly: <https://www.auswaertiges-amt.de/en/aussernpolitik/laenderinformationen>

### Costs of Living and Semester Contribution

The costs of living in Hamburg are rather high. Students should count a minimum of €900 per month including accommodation, semester contribution and health insurance!

Each semester students have to pay a semester contribution of app. €360,-. A ticket for public transport (valid for 6 months throughout the public transportation network in Hamburg) is included within the semester contribution. New students will get the payment details after they have completed all the enrolment formalities.

Especially at the beginning, students might be required to spend more than 900 Euros in a month (e.g. to pay a deposit when renting a room, for the semester contribution and the fees for your residence permit). It is therefore highly recommended to make sure that you have access to sufficient financial means.

## 3. APPLY FOR APS CERTIFICATE (SHOULD ALREADY BE DONE!)

**Postal address:**  
21071 Hamburg

**E-Mail:**  
[study@tuhh.de](mailto:study@tuhh.de)

**Office hours:**  
can be found at [www.tuhh.de](http://www.tuhh.de) or on appointment

Applicants from China, India and Vietnam will need an APS certificate for the visa application and for the personal enrolment at TUHH. We assume that all affected applicants have already taken care of the APS certificate before starting their application, as recommended. The enrolment deadline at TUHH cannot be extended due to a missing APS certificate!

TUHH has no influence on the awarding requirements and the awarding process at the APS! The awarding of the APS certificates can also not be accelerated by TUHH! With all other questions regarding the APS certificate, please contact the Academic Evaluation Centre in charge directly:

- Academic Evaluation Centre China: <https://www.aps.org.cn/>
- Academic Evaluation Centre India: <https://aps-india.de/>
- Academic Evaluation Centre Vietnam: <https://vietnam.diplo.de/vn-vi>

#### 4. APPLY FOR A STUDENT VISA (AS SOON AS POSSIBLE!)

International students need a student visa to enter Germany! Visa application may take several months' time, for this reason you should apply for the student visa immediately! TUHH cannot accelerate the visa procedure. The enrolment deadline at TUHH cannot be extended due to a missing student visa! The TUHH does not issue certificates for applicants confirming that they can exceptionally come later than 04 October!

Students from the European Union (and some other countries) are exempted from this requirement. To check if you need a student visa and to get further information about the visa application please check the website of the German Embassy in charge of your place of residence: <https://www.auswaertiges-amt.de/en/aussenpolitik/laenderinformationen>

Do not enter Germany with a tourist visa or national residence permit issued by a Schengen country! If you do so, you have to leave Germany after 90 days and after that you cannot re-enter the country!

#### 5. APPLY FOR ACCOMMODATION (APPLICATION PERIOD: APRIL 27 – JUNE 15, 2023)

In Germany, public universities do not offer rooms in a student hall on campus and students do not automatically receive rooms when accepted by the university. They have to find accommodation by themselves! In Hamburg the accommodation situation for students is extremely difficult, as cheap accommodation is hard to find. It is very important to start the search for accommodation as soon as possible! **You have to arrange accommodation prior to your arrival. Do not trust on finding accommodation after your arrival!** In cooperation with the Studierendenwerk, who is the owner of the public student halls in Germany, the TUHH Accommodation Office can offer a limited number of Freshman Rooms in selected student halls and private housing. Please note, that there is a very high number of applications for rooms every year, therefore we recommend you to find accommodation by yourself before your arrival.

Application period: April 27 – June 15, 2023

Please check the following website for the exact application period: [www.tuhh.de/rooms](http://www.tuhh.de/rooms)

Students in Germany are obliged to be insured at a German statutory health insurance company (costs: app. €110 per month). Students with a DAAD scholarship also need a German statutory health insurance!

Students older than 30 years of age cannot sign up for a statutory health insurance, but have to apply for coverage with a private German health insurance.

Only students from EU member countries, Iceland, Liechtenstein, Norway or Switzerland, who are able to present a valid European Health Insurance Card (EHIC), don't have to arrange an additional German health insurance. The EHIC is valid all around Europe. However students with an EHIC cannot take up a student job or a paid internship in Germany. Students who are planning to do so should arrange a German statutory health insurance.

You can find a complete list of all the German statutory health insurance providers on this website  
<https://www.krankenkassen.de/gesetzliche-krankenkassen/krankenkassen-liste/>

### What you need to arrange health insurance?

- Certificate of admission issued by TUHH
- Passport
- Confirmation of registration in Germany ("Meldebestätigung"), if possible
- Details of your German bank account, if possible

You can at least start to arrange your health insurance from abroad. Please contact the German health insurance of your choice directly! Before you sign your health insurance contract, please make sure that it is a German statutory health insurance not an international or private insurance!

The health insurance company will arrange for TUHH to receive a notification of the insurance status online. The TUHH-sender-number "Absendenummer" is H0002497. A copy of your health insurance contract is not sufficient for enrolment. If you managed to arrange German health insurance before the enrolment, please submit the proof of health insurance upon enrolment.

A few weeks after arranging statutory health insurance and submitting all the required documents (German address, bank details, photo etc) to the health insurance company you will get a health insurance card which you need to take with you when you visit a doctor. If you have a statutory health insurance medical treatment is free of charge, however some special treatments e.g. tooth replacement must generally be paid for in full. When in doubt please contact your health insurance beforehand.

Dear Aditi Ramprasad,

Congratulations! I am pleased to offer you conditional admission to the Master of Professional Studies (MPS) in Information Science beginning the **Fall 2023** semester. This offer of admission is contingent upon certification of adequate financial resources. After accepting our offer, you will be sent an e-mail asking you to complete an online Admission Supplement for International Students. Submission of this form is required to finalize your admission and produce visa documents. This offer is also contingent upon the Graduate School Admissions office verifying that you have met our [English Language Proficiency Requirement](#). The Graduate School will contact you, and us, if there is an issue with the language test prior to processing your visa documents.

We look forward to welcoming you to the MPS community and working with you to meet your career goals. We are very pleased to be offering admission to top applicants from around the world and hope you will decide to become a part of our program. The program is course-based, in which students learn from top faculty in the Information Science field and complete projects on many exciting topics.

The Master of Professional Studies Program is a **two-semester** program. All students are expected to plan their schedules and adhere to the University deadlines for adding and dropping courses in order to successfully complete the required course credits within **two semesters**, and to graduate in **May 2024**. The [academic calendar](#) is where you will find the deadlines for enrollment along with other key academic dates.

We provide an online checklist to help with your course planning and keep you on track to graduate. You will be sent a link to your checklist in August prior to course enrollment. You will be responsible for making sure your checklist is up to date whenever you enroll or change your enrollment. Course enrollment and making sure all degree requirements are met to graduate on time is ultimately the student's responsibility.

We are not able to offer financial support for your MPS program. Students are responsible for securing their own funding. The estimated cost of attendance is listed

You will be encouraged to view this on your own time prior to the start of course enrollment. The first day of classes is currently scheduled for **August 21, 2023**. internship please plan to end your internship in time to arrive on campus for the Orientation event and the first day of classes.

Incoming students must have taken at least an introductory computer science course and be comfortable with Python/Java programming. ## Offer and Fees

RMIT's offer is subject to the availability of places in the program. RMIT reserves the right to close, amend, change or withdraw program and/or course offerings without notice. The program tuition and other fees are indicative only and subject to change on an annual basis by no more than 7.5%. However, if you have commenced your study prior to 1 January 2022 and you are not studying your program on an international student visa (subclass 500) and do not have an eCOE, your program tuition fees will be the same as for a full fee domestic student. If you subsequently request an eCOE to enrol as an international student, you will be charged international student program fees: this difference may be more than 7.5%. Please consult our approved schedule of fees and charges on our website for further information about any fee increases that may affect you. Conditional Offers require all outstanding conditions to be met prior to the last day of enrolment. Students may choose to pay more than 50% of their tuition fees before they start their program, for further details please contact [intladmissions@rmit.edu.au](mailto:intladmissions@rmit.edu.au) and for more details, please visit <https://www.international.rmit.edu.au/info/programfees.asp>

Alternatively, you can choose to purchase OSHC yourself from an approved Australian health insurance provider.

If you request RMIT to arrange your OSHC, you consent to RMIT providing your personal information, including your name, student ID, birthdate and program start and end dates, to Medibank for the purposes of scheduling your OSHC. You also consent to RMIT representing you in relation to any dealings with Medibank and for RMIT to receive information from Medibank about you (including information of a personal and/or sensitive nature).

In the event of change of preference, change of program or program deferral, you permit RMIT to adjust the duration and amount of your OSHC based on your program acceptance/s.

## Visas and Change of Provider ( Release)

If you are intending on applying for a student visa or you already have a student visa, RMIT will provide you with an electronic confirmation of enrolment (eCOE) for each program that you accept. Students transferring to RMIT from another Australian provider, prior to completing six months of your principal course, may be required to provide evidence of a release letter before an RMIT eCOE can be issued.

---

## Maintaining your Electronic Confirmation of Enrolment ( eCOE )

Your eCOE duration assumes that you will make satisfactory academic progress within the program dates that you enrol. Any changes to your program completion date(s) due to unsatisfactory academic progress or any other reason may require you to extend your Australian student visa. More information about academic progress can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-exams/academic-progress/international-students>

General information about applying for a new eCoe can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-results/academic-progress>

Dear Sai Shridhar,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2023 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to [go.uic.edu/gradadmit](http://go.uic.edu/gradadmit) to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at [campuscare.uic.edu](http://campuscare.uic.edu) to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at [go.uic.edu/gradadmit](http://go.uic.edu/gradadmit) for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley
