

REPORT: SYCON'22

To make an already monumental month of May more marvellous, SSN Lakshya conducted SYCon'22 in offline mode, after 2 long years. It happened on 18th of May 2022 at Justice Prathap Singh auditorium from 8:30 am to 3:30 pm.

SYCon'22 got kicked off with an inaugural ceremony in the presence of the respected Principal **Dr. V.E. Annamalai**, Vice-principal **Dr. S. Radha** and EDC Lakshya faculty incharge **Dr. C Arun Prakash**. The dignitaries addressed the gathering.

The first edition of Lakshya's very own dear magazine **Ignitions** also got released by the Inaugural chief guest **Mr. Vikas Alagarsamy**, Founder and CTO of Zero Gravity Photography who also gave a splendid speech and sparkled the gathering by sharing his amazing life story.

The first speaker Mr. Varinder Singh, founder of O₂ Air Free for All, continued the cascade of captivation with the eye-opening speech on his philanthropical works during the second-wave of pandemic and truly inspired every participant present in the paramount and gave a whole new dimension to this fabulous fiesta.

Following him was another amazing yet down-to-Earth speaker Mr. Shyam Prashad Rajasekaran, founder and CEO of VegRoute. Shyam rocked the stage with his life story and his growth from a college dropout to a self-sustaining, successful entrepreneur and patiently answered the audience's questions with a gentle smile in his face.

Coincidentally one Shyam succeeded another Shyam as the next speaker as the event witnessed the entrepreneur duo Mr. Shyam Siddharth and Mr. Praveen Krishna, co-founders of Tamilpreneur, a start-up ecosystem development community delivering a fireside chat with one of the organising committee member, answering every question posed by him ranging from their life journey, their vision, mission and aspiration.

The bodybuilder father-son duo Dr. Rajendran Mani and Dr. Benjamin Jerold made an already exhilarating event even more impressive as they succeeded Tamilpreneur as the next speakers and shared their fitness tips, inspirational life stories and motivated the audience by sharing about the hardships they faced and how they overcame them and became successful in their field. Also Mani's birthday falling on the same day of this event made SYCon'22 more memorable as the audience greeted him with their wishes.

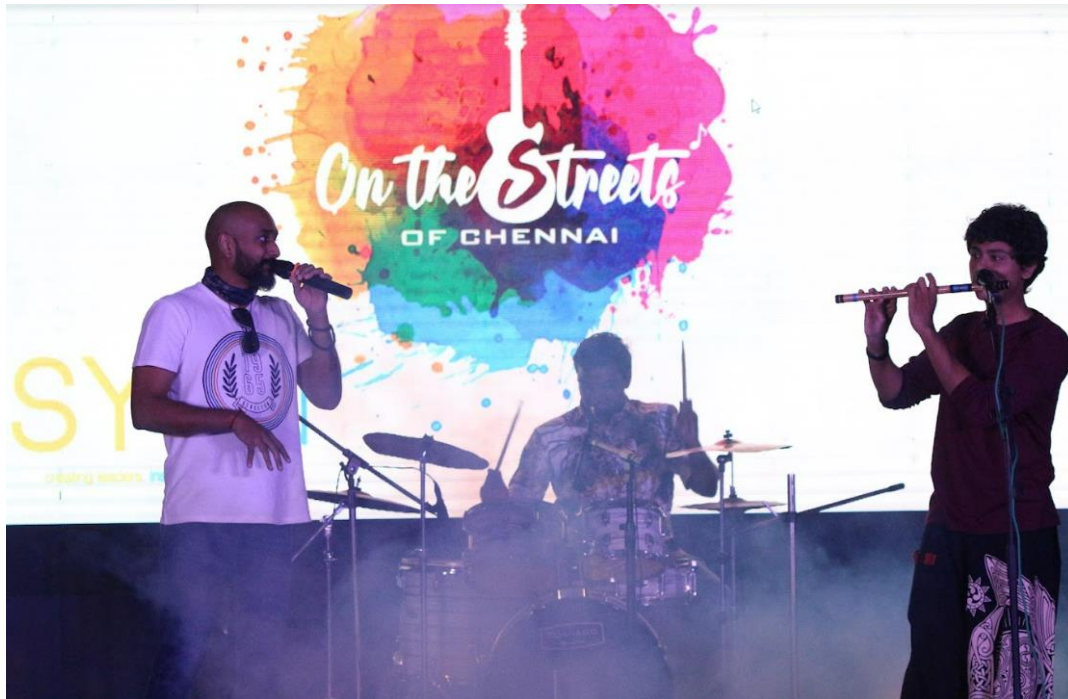

Succeeding this father-son duo the stand-up comedian Manoj Prabhakar came to the stage as next speaker and ensured that this momentum of motivation and merrymaking in SYCon'22 will be carried forward as he shared his awe-inspiring story of his growth from a son of bus conductor to carving his very own niche in stand-up comedy industry. He shared many jokes that made the audience go guffaw and hence thereby adding more entertainment factor to SYCon'22.

Mr. Deepak Bala, CEO and co-founder of Rocketlane, was the ultimate speaker for this ecstatic event. He spoke in a simple yet spectacular and eccentric manner about how necessary it is for youngsters to take up entrepreneurial activities and inspired the gathering by highlighting the pros of it. Mr. Deepak Bala is the Alumnus of SSNCE.

William Shakespeare once famously quoted that all that is well ends well. Like the Bard said, this astounding event ended up on a high note with the energetic band performance from the much-acclaimed band On the Streets of Chennai, a musical community that tirelessly works to make Chennai the musical capital in the country. The amusement factor of SYCon'22 officially peaked when this band hit their high notes while playing melodious and memorable songs from Tamil, Telugu, Malayalam and Hindi.

In broader terms, this edition of SYCon was enwrapped with speakers from diverse domains and the attendees were enlightened to discover a new version of themselves.

This event turned out to be yet another grand success for Lakshya.

As the journey continues, SSN Lakshya following the grand success of this event hopes on conducting much more grander and massive events in the upcoming future!
