Placement Highlights (2022-2024)

Our MBA program is supported by a robust industry-academic ecosystem, where one-third of the courses are taught by experienced industry professionals. This unique industry involvement provides students with contemporary insights and hands-on skills that are invaluable for a seamless transition into management roles. Accredited with an NAAC A++ grade and with specific accreditation from the National Board of Accreditation (NBA) for the MBA program, SSN's quality and relevance are evident across its curriculum and outcomes. SSN School of Management takes pride in a rich legacy of 23 MBA batches and a strong alumni network of over 2,100 graduates holding senior positions across industries.

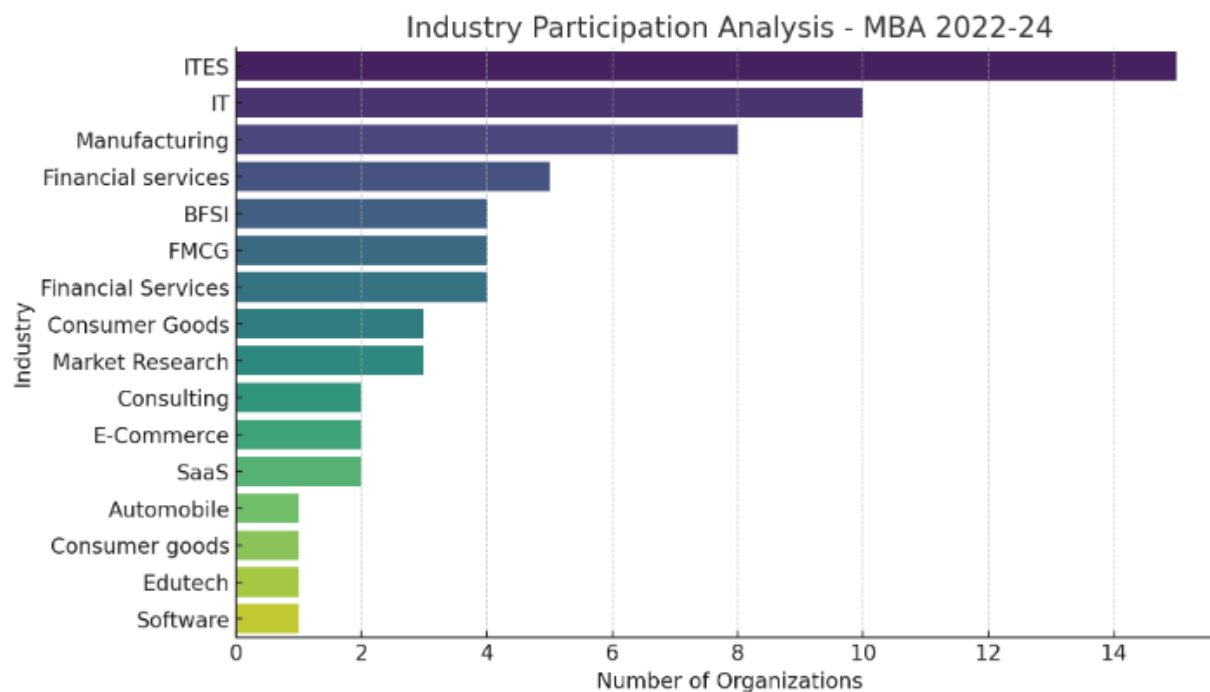

We are delighted to announce that our 2022-24 MBA batch achieved 99% placements, underscoring the efficacy of our program in fostering career-ready graduates.
